Live Stock for Yankee Land.—Droves of cattle and horses still continue to pass over the ice daily to Cape Vincent, en route to the leading markets in the States. The numbers of cattle which the Americans have purchased in this locality are immense, and the wonder is where the animals come from. At first they would take none but fine, fat cattle, the best of the land, but on account of the continued drag on the farmers' stocks, they have now to content themselves with inferior beasts. Good prices, from $30 upwards, are paid for cows, and other animals in proportion. The ready money spent by these speculators, has been a great boon to the farmers.

Police Court, Thursday.—Robert M. Weyms and Norton were charged with interfering with Volunteer sentries on duty. After a severe admonition from Mr. Creighton they were discharged.

THE STEAMER CORINTHAN.

Port Hope, March 28.

The steamer Corinthian commences tomorrow or Friday on her regular season trips. She has a full load of cattle and horses and over 2000 bushels of white wheat, which seems to be as much in demand in the States now, with the duty added, as it was before the abrogation of the reciprocity treaty.

Le Courier de St. Hyacinthe states that well executed counterfeits on the City Bank of Montreal are circulating in that vicinity, but especially in the Eastern Townships. A person named Faucher residing at Durham was victimized to the extent of £40 on the sale of a mare quite recently.

Cotton in the South.—The next Cotton Crop is estimated all the way from one to three millions of bales. Since the war closed 1,800,000 bales of cotton have arrived at the Southern ports. Texas is about to assume her position as the great cotton factory of the world. The Galveston Bulletin says a company of Galveston and Houston capitalists have purchased twenty blocks of ground and ten wharf privileges for $400,000 in specie, and paid one fourth of the sum as the first instalment, the balance in three, six and nine months. Buildings are to be erected on the grounds.

SPECIAL NOTICE.
WONDERFUL CURE
OF
Consumption,
BY
THE GREAT SHOSHONEES REMEDY,
IN CANADA.
I, ANGUS PRINYEA, of Fredericksburg, County of Lennox & Addington, C.W., can, for one, truly bless God for the discovery of the Great Shoshonees Remedy which has indeed snatched me as a brand from the jaws of death. Suffering for a length of time from Consumption, last August I became confined to my house; I coughed dreadfully day and night, I expectorated quarts of greenish looking matter and large quantities of blood; I could scarcely sleep at all, and when I did doze night sweats burst forth fearfully, which the doctor tried but in vain to arrest. My bowels were costive, I lost my appetite, and what little I eat I mostly vomited. My head ached almost constantly, I was so suffocated that I could hardly breathe, and reached with pain. I became so reduced that I could hardly stand alone, and, indeed, an object of pity at the verge of the grave. I took Quinine, Cod Liver Oil, Citrate of Iron, and Quinine, Cough Mixtures, &c., &c., but still grew worse and worse. I was attended by physicians who told me to prepare for death, which was my only hope; but I thank God that about two months ago this Great Indian Remedy was introduced into Canada. I grasped it as the last hope; I have taken it with the pills ever since, and now my cough is but little, the expectoration of greenish matter and blood have stopped, I sleep well, night sweats has ceased, my bowels are regular, my appetite is good, Vomiting and Headache have stopped, I breathe easy, and suffer no pain. The Doctor examined my lung the other evening, said it was open again, and for God's sake to stick to this Indian Remedy. I am now feeling hearty, have been out visiting, and have lately, to a certain extent, resumed my former occupation, and all praise, through the blessing of God, to the Great Shoshonees Remedy.
This I solemnly delare under oath, in the presence of God, as follows.
ANGUS PRINYEA.

THAT THE
GREAT SHOSHONEES REMEDY
OF THE CELEBRATED INDIAN, DR. LEWIS JOSEPHUS, OF THE DISTINGUISHED TRIBE OF SHOSHONEES, BRITISH COLUMBIA, IS NOW FOR SALE IN CANADA.
THIS all-possessing Great Indian Remedy is warranted, and in broad and emphatic language, we can safely say may be relied upon to make a permanent cure of all Diseases of the Throat, Lungs, Liver, Kidneys, Digestive Organs, &c., as well as Scrofula, the various Skin Diseases, Humors, and all diseases arising from Impurity of the Blood, excepting the third stage of Consumption. In the Western Country, where this Great Remedy has been in use for a short time, it has indeed affected some of the most Marvellous Cures, ever recorded in the annals of Historical Medicine. Such being the case, in addition to its former renown and celebrity, we defy humanity to dispute the fact, that this, the Great Shoshonees Remedy, in connection with the Shoshonees Vegetable Restorative Pills, is the Remedy of Remedies of the 19th Century, and the greatest boon ever laid at the altar of suffering humanity. For the discovery of this Wonderful Remedy, the world is indebted to Dr. Jasper, formerly of St. Louis, Mo., who spent, before he succeeded, over two long years in Columbia, endeavoring to obtain from Dr. Josephus the life-long secret of preparing it. Dr. Jasper, with Dr. Hall and several other physicians of St. Louis, witnessing the astounding curative effects of the Great Shoshonees Remedy, entered into combined cogitation for the purpose of ascertaining the peculiar mode of action of this Great Remedy, and the result of their researches was that the wonderful healing properties of the Remedy were due, not only to its salutary effect upon the blood and the organs themselves, for diseases of which it is recommended, but also on the Digestive Organs and more particularly upon the Lacteal Vessels, which Lacteal Vessels combining the New Theory of Disease, as well as history of the Discovery of the Remedy, Certificates of Cures, &c., &c., are fully laid down in the Treatise accompanying each bottle of the Remedy.
Price of the Remedy in large Pints $1.
For sale by all Druggists and Dealers in Medicine.
