*SPECIAL NOTICE.*

## WONDERFUL CURE OF *Consumption*, BY THE GREAT SHOSHONEES REMEDY, IN CANADA.

I, ANGUS PRINYEA, of Fredericksburg, County of Lennox & Addington, C.W., can, for one, truly bless God for the discovery of the Great Shoshonees Remedy which has indeed snatched me as a brand from the jaws of death. Suffering for a length of time from Consumption, last August I became confined to my house; I coughed dreadfully day and night, I expectorated quarts of greenish looking matter and large quantities of blood; I could scarcely sleep at all, and when I did doze night sweats burst forth fearfully, which the doctor tried but in vain to arrest. My bowels were costive, I lost my appetite, and what little I eat I mostly vomited. My head ached almost constantly, I was so suffocated that I could hardly breathe, and racked with pain. I became so reduced that I could hardly stand alone, and, indeed, an object of pity at the verge of the grave. I took Quinine, Cod Liver Oil, Citrate of Iron, and Quinine, Cough Mixtures, &c., &c., but still grew worse and worse. I was attended by physicians who told me to prepare for death, which was my only hope; but I thank God that about two months ago this Great Indian Remedy was introduced into Canada. I grasped it as the last hope; I have taken it with the pills ever since, and now my cough is but little, the expectoration of greenish matter and blood have stopped, I sleep well, night sweats have ceased, my bowels are regular, my appetite is good, Vomiting and Headache have stopped, I breathe easy, and suffer no pain. The Doctor examined my lung the other evening, said it was open again, and for God's sake to stick to this Indian Remedy. I am now feeling hearty, have been out visiting, and have lately, to a certain extent, resumed my former occupation, and all praise, through the blessing of God, to the Great Shoshonees Remedy.

This I solemnly declare under oath, in the presence of God, as follows.

ANGUS PRINYEA.

Sworn before us, at Fredericksburg, C.W., this 19th day of March, 1866.

## Look, Read and Learn

THAT THE

GREAT SHOSHONEES REMEDY

OF THE CELEBRATED INDIAN, DR. LEWIS JOSEPHUS, OF THE DISTINGUISHED TRIBE OF SHOSHONEES, BRITISH COLUMBIA, IS NOW FOR SALE IN CANADA.

THIS all-possessing Great Indian Remedy is warranted, and in broad and emphatic language, we can safely say may be relied upon to make a permanent cure of all Diseases of the Throat, Lungs, Liver, Kidneys, Digestive Organs, &c., as well as Scrofula, the various Skin Diseases, Humors, and all diseases arising from Impurity of the Blood, excepting the third stage of Consumption. In the Western Country, where this Great Remedy has been in use for a short time, it has indeed affected some of the most Marvellous Cures, ever recorded in the annals of Historical Medicine. Such being the case, in addition to its former renown and celebrity, we defy humanity to dispute the fact, that this, the Great Shoshonees Remedy, in connection with the Shoshonees Vegetable Restorative Pills, is the Remedy of Remedies of the 19th Century, and the greatest boon ever laid at the altar of suffering humanity. For the discovery of this Wonderful Remedy, the world is indebted to Dr. Jasper, formerly of St. Louis, Mo., who spent, before he succeeded, over two long years in Columbia, endeavoring to obtain from Dr. Josephus the life-long secret of preparing it. Dr. Jasper, with Dr. Hall and several other physicians of St. Louis, witnessing the astounding curative effects of the Great Shoshonees Remedy, entered into combined cogitation for the purpose of ascertaining the peculiar mode of action of this Great Remedy, and the result of their researches was that the wonderful healing properties of the Remedy were due, not only to its salutary effect upon the blood and the organs themselves, for diseases of which it is recommended, but also on the Digestive Organs and more particularly upon the Lacteal Vessels, which Lacteal Vessels combining the New Theory of Disease, as well as history of the Discovery of the Remedy, Certificates of Cures, &c., &c., are fully laid down in the Treatise accompanying each bottle of the Remedy.

☞ Price of the Remedy in large Pints $1.

**FIRE DEPARTMENT.**

The Company commenced business in October, 1861, as a Fire Office, and was called into existence to modify the excessive rates demanded by the combined Offices after the Great Fire in Tooley Street, London. The success which has attended the Company's operations has been such as fully to realize the most sanguine expectations of the Directors, and has induced them to extend their operations to Canada, where the General Agents are prepared to take proposals for Insurance against Loss by Fire of Property of every description.

**LIFE DEPARTMENT.**

The marked preference shown for an Office which studies the interests of the Public as well as of its Proprietary, induced the Directors to transact Life Business with the intention not to favor one class of Policy-holders at the expense of another, but, resolved that the same liberal views which have gained for the Office the confidence of the Public in its Fire Branch, shall guide them in the management of the Life Department, they extend to the Assured every benefit which science warrants or experience suggests.

Among the benefits of this Company may be enumerated—Moderate Rates o Premium—Eighty per cent of the Profits divided among the Assured—Very liberal surrender value given after three years—Thirty days allowed for payment of Premiums, and further extension of time on easy terms—Unchallengeable Policies—Credit System—Service permitted in Volunteer Corps—Convenient and liberal terms, whereby no Policy need lapse, through any temporary difficulty, in the payment of a Premium.

Further and fuller information may be obtained by calling at the Office, Nos. 221 and 223 St. Paul Street.
