

**FORD MOYNES**

# ON THE MAIN STREET

Events of yester years came to light on Main Street when two former Town League Baseball players chatted about the teams and players who cavorted on the green. There was no skinned diamond and the bases were at times small bags of sand. The pitcher's mound elevation was not noticeable and the infield as smooth as a billiard table and the outfield

was not bad, just a few small mounds and perhaps one hole. Fans were frenzied and the games attracted hundreds of fans and rivalry was keen. One Town League in 1905 included the following players: R. Podger, C. Walsh; Chick O'Leary (Pitcher); W. J. Ferguson (Catcher); J. Grey; S. M. Ferguson (Manager), W. Stoddard; H. Brokenshire; Dr. J. A.

White (Pres.); T. Burke; B. D. Menzies; P. M. Moynes; L. Cain; W. E. Kelcher.

A fine enlarged picture of a ball line which represented the Y.M.C.A. in Lindsay is pos-

sessed by Grant Ferguson, Albert Street South. The "Y" was located at the southeast corner of Kent and Lindsay Streets. The team included: C. Perkins (3rd base); M. Moynes (Pitcher); Cy. Emmer son (Pitcher); W. Stoddard (Centre field); W. J. Ferguson (Catcher); B. Menzies (Capt. S.S.); F. W. Moynes (2nd Base and Pitcher); P. M. Moynes (1st Base); C. W. Walsh (left field); Dr. Shier (right field); T. Stinson (Manager); J. E. Adams (President) and T. P. Reid (Secretary).
