Col. O'Neill's Sword.—The Leader says:—Some of our citizens, one of whom, an old resident here, but native of the Island of Ireland, during the late engagement took place, went over to see for themselves the position of affairs, and in passing over the field after the engagement our informant found a first-class sword and accoutrements in a fence corner. He carried them to Fort Erie and asked parties to identify the sword and its ownership. Two respectable residents said they would swear it was the sword worn by Col. O'Neill on landing, and that he returned without one. It is now in the director, and the gentleman who found it is desirous that the 'Queen's Own' should possess it. He will take a suitable opportunity of presenting it to the commander of the 'Queen's Own.' We take the following from a New York paper giving a history of the sword. The Yankee editor will no doubt be much chagrined to know that its employment against British sympathizers with the South was of such a character that so soon returned to its original owner:—Captain O'Neill, it will be remembered, was the officer who captured the guerilla, John Morgan, and he has the guerilla's sword in his possession. This sword was given to Morgan by some British sympathizers with the rebellion and it is now being used against the British authorities of Canada.

Police Court, Friday.—Stephen Moore, Martin Kirwin and John Crawler, charged with being drunk, were each fined $2, or ten days in gaol. Ann Green, charged with being a vagrant, was ordered to be sent to her home at Belleville at her own request.

PROF. VELPANI.

Who is Prof. Velpani? He was a man of obscure birth, but he has given the world a Remedy for bald heads and grey hairs, that will make his name immortal. Hair Restoratives are multiplying on every hand, but the great desideratum is to find an article that will accomplish the purpose for which it is designed without a thick, unpleasant and offensive sediment.

Prof. Velpani has discovered a method of dissolving the ing sediments and holding them in solution, so that there shall be no deposit, and yet without destroying the essential properties of any of the ingredients. It is pleasantly perfumed, may be used at any time, is a splendid hair dressing without oil, and absolutely prevents the hair from falling off or turning prematurely gray.

"Jes' so!"—"Exactly!"—Solon Shingle said they were there "every time." If he felt "owley" in the morning, he took Plantation Bitters; if he felt weary at night, he took Plantation Bitters; if he lacked appetite, was weak, languid or mentally oppressed, he took Plantation Bitters; and they never failed to set him on his pins square and firm.

Few persons want any better authority; but as some may, just read the following:

"* * * I owe much to you, for I verily believe the Plantation Bitters have saved my life.

REV. W. H. WAGONER, Mad'ld, N.Y."

"* * * I have been a great sufferer from Dyspepsia, and had to abandon preaching. * * * The Plantation Bitters have cured me.

REV. C. A. MILLWOOD, New York City.

"* * * I had lost all appetite, was so weak and excitable I could hardly walk, and had a perfect dread of society. * * * The Plantation Bitters have set me all right.

"JAMES HEMINWAY, St. Louis, Mo.

"* * * The Plantation Bitters have cured me of a derangement of the Kidneys and Urinary Organs, that distressed me for years. They act like a charm.

C. C. MOORE, 254 Broadway, N.Y."

Mrs. O. M. DEVOE, manager of the Union Home School for Soldiers' Children, says she "has given it to the weak and invalid children under her charge with the most happy and gratifying results." We have received over a hundred reams of such certificates, but no advertisements is so effective as what people themselves say of a good article. Our fortune and our reputation is at stake. The original and high character of these goods will be sustained under every and all circumstances. They have already obtained a sale in every town, village, parish and hamlet among civilized nations. Base imitators try to come as near our name and style as they can, and because a good article cannot be sold as low as a poor one, they find some support from parties who do not care what they sell. Be on your guard. See our private stamp over the cork.

OVER A MILLION DOLLARS SAVED!

Gentlemen:—I had a negro man worth $1,200 who took cold from a bad hurt in his leg, and was useless for over a year. I had used everything I could hear of without benefit, until I tried the Mexican Mustang Liniment. It soon effected a permanent cure."

Montgomery, Ala., June 17, 1859. J. L. DOWNING.

"I take pleasure in recommending the Mexican Mustang Liniment as a valuable and indispensible article for Sprains, Sores, Scratches or Galls on Horses. Our men have used it for Burns, Sores, Rheumatism, &c., and all say it sets like magic.

J. W. HEWITT,

Foreman for American, Wells, Fargo's and Harnden's Express.

"The sprain of my daughter's ankle, occasioned while skating last winter, was entirely cured in one week, after she commenced using your celebrated Mustang Liniment.

Gloucester, Mass., Aug. 1, 1859. ED. SEELEY."

It is an admitted fact that the Mexican Mustang Liniment performs more cures in shorter time, on man and beast, than any article ever discovered. Families, livery men and planters should always have it on hand. Quick and sure it certainly is. All genuine is wrapped in steel-plate engravings, bearing the signature of G. W. Westbrook, Chemist, and the private U.S. stamp of DEMAS BARNES & Co. over the top.

An effort has been made to counterfeit it with a cheap stone plate label. LOOK CLOSELY.

SARATOGA SPRING WATER, sold by all Druggists.

It is a most delightful Hair Dressing.
It eradicates scurf and dandruff.
It keeps the head cool and clean.
It makes the hair rich, soft and glossy.
It prevents hair turning grey and falling off.
It restores hair upon prematurely bald heads.

This is just what Lyon's Kathairon will do. It is pretty—it is cheap—durable. It is literally sold by the car load, and yet its almost incredible demand is daily increasing, until there is hardly a country store that does not keep it, or a family that does not use it.

Heimstreet's Inimitable Hair Coloring is not a dye. All instantaneous dyes are composed of lunar caustic, and more or less destroy the vitality and beauty of the hair. This is the original Hair Coloring, and has been growing in favor over twenty years. It restores gray hair to its original color by gradual absorption, in a most remarkable manner. It is also a beautiful hair dressing. Sold in two sizes—50 cents and $1—by all dealers.
