Police Court, Monday.—Eight unfortunates were hauled up this morning, five for being drunk, and three well known cases, one, Bridget Donnelly, for vagrancy, Jimmy McKeown, for drunkenness and vagrancy, and Ellen McDonald, for drunkenness and disorderly conduct. The drunks were disposed of in the usual manner, with a fine of $2 each. Jimmy McKeown was sent to gaol for thirty days; the girl McDonald was discharged; and Biddy Donnelly was remanded.

Launch at Portsmouth.—On Saturday afternoon a new ship of nearly seven hundred tons burthen was launched at Mr. Berry's ship yard, Portsmouth. The new candidate for nautical honors was named the 'Ottawa,' and is a vessel of fine build, strength and carrying capacity being combined to make her a good a profitable vessel. She is about the tenth sea going ship launched from the same yard, within the last two or three years, comprising a tonnage approaching to 10,000 tons. Another vessel is being built in the same yard the frame work at present being completed.—This new ship will be ready for launching in the spring. The 'Ottawa' is not fully rigged, and will be completed in that department when she reaches Quebec.

The Grain Market.—Rye and Barley are still coming in freely. The prices, which were raised on Saturday through the great competition of dealers, have fallen, 61 cents per bushel being accepted for Rye, and 60 cents for Barley yesterday.

Another new Steamer.—The S. S. Nestorian, the new steamer for the M.O.S.S. Co., was safely launched on the 11th inst., from the building yard of Messrs. Barclay, Curle & Co., Glasgow. With the Peruvian and Moravian and another vessel now in course of construction, the Montreal Ocean Steamship Company are in a fair way to solve the problem of the shortest route between Europe and America. The performances of the Peruvian this season have eclipsed anything ever accomplished by the Cunard line from New York.

Port of Quebec—Arrival.—Sept. 27.—S. S. Damascus, Watts, Liverpool, Sept. 13, Allans, Rae & Co., general cargo, 20 cabin and 287 steerage pass., for Quebec and Montreal.

S. S. Merritt, Belmore, Halifax, Sept. 17, Jeffery & Co., sugar and molasses.

Vessel Accidents.—The St. Catherines Journal says, the schooner B. F. Davy broke her lines at the North pier, Chicago, a few days since, and colliding with the Banner, tore away her main rigging. The Fame is ashore on Point au Pelee, and the Transit at Chicago. The propeller Concord sunk near Kewedaw Point; unknown vessel is sunk off Point au Pelee. Four boat loads of fishermen are supposed to have been lost on Lake Huron, as nothing has been heard of them since Sunday last. The propeller Chicago broke her machinery passing Louis Point. The Robert Emmett lost her deck load on Lake Michigan. The Concord and Paragon collided off Rondeau, and the former sustained $300 damage.

Pain is supposed to be the lot of us poor mortals as inevitable as Death, and liable at any time to come upon us; if therefore we are wise we will be prepared for it when we are made to feel the excruciating agonies of Pain and Disease. Davis' Pain Killer is the remedy, it has stood the test of thirty years, and thousands of testimonials have been received recommending its virtues.—Sold by all druggists. 229

THE HYDRA INDIGESTION.

The serpent with a hundred heads is but a feeble type of indigestion. Innumerable sympathetic ailments spring from the familiar and too much neglected disorder. To banish it with all its concomitants and consequences, nothing more is needed than a course of Radway's Regulating Pills, and such restrictions with regard to diet as every rational invalid ought to be willing to submit to. Once banished it may be always kept at bay the occasional use of this inestimable vegetable stomachic and aperient—provided the individuals who have experienced its benefits are wise enough not to make perpetual war upon their own health by neglecting the plainest rules of dietetics. The Regulating Pills speedily cure the worst cases of chronic constipation, and their cathartic operations leave the bowels in a perfectly natural state. N.B.—Radway's Pills are coated with gum. Price 25 cents per box. 229

AGUA DE MAGNOLIA.

A toilet delight. Superior to any Cologne, used to bathe the face and person, to render the skin soft and fresh, to allay inflammation, to perfume clothing, for headache, &c. "Jer so!"—"Exactly!"—Solon Shingle said; they were there "every time." If he felt "owley" in the morning, he took Plantation Bitters; if he felt weary at night, he took Plantation Bitters; if he lacked appetite, was weak, languid or mentally oppressed, he took Plantation Bitters; and they never failed to set him on his pins square and firm.
Few persons want any better authority; but as some may, instead the following:
"* * * I owe much to you, for I verily believe the Plantation Bitters have saved my life.
REV. W. H. WAGONER, Mad'ld, N.Y."
"* * * I have been a great sufferer from Dyspepsia, and had to abandon preaching. * * * The Plantation Bitters have cured me.
REV. C. A. MILLWOOD, New York City.
"* * * * I had lost all appetite—was so weak and nervous I could hardly walk, and had a perfect dread of society. * * * The Plantation Bitters have set me all right.
JAMES HEIMINWAY, St. Louis, Mo
"* * * The Plantation Bitters have cured me of a derangement of the Kidneys and Urinary Organs, that distressed me for years. They act like a charm.

Mrs. O. M. DEVOE, manager of the Union Home School for Soldiers' Children, says she "has given it to the weak and invalid children under her charge with the most happy and gratifying results." We have received over a hundred reams of such certificates, but no advertisements are so effective as what people themselves say of a good article. Our fortune and our reputation is at stake. The original quality and high character of these goods will be sustained under every and all circumstances. They have already obtained a sale in every town, village parish and hamlet among civilized nations. Base imitators try to come as near our name and style as they can, and because a good article cannot be sold as low as a poor one, they find some support from parties who do not care what they sell. Be on your guard. See our private stamp over the cork.

OVER A MILLION DOLLARS SAVED!

Gentlemen:—I had a negro man worth $1,200 who took cold from a bad hurt in his leg, and was useless for over a year. I had used everything I could hear of without benefit, until I tried the Mexican Mustang Liniment. It soon effected a permanent cure."
Montgomery, Ala., June 17, 1859. J. L. DOWNING
"I take pleasure in recommending the Mexican Mustang Liniment as a valuable and indispensible article for Sprains, Sores, Scratches or Galls on Horses. Our men have used it for Burns, Sores, Rheumatism, &c., and all say it sets like magic."
J. W. HEWITT,
Foreman for American, Wells, Fargo's and Harnden's Express.
"The sprain of my daughter's ankle, occasioned while skating last winter, was entirely cured in one week, after she commenced using your celebrated Mustang Liniment.
Gloucester, Mass., Aug. 1, 1865. ED. SEELEY."
It is an admitted fact that the Mexican Mustang Liniment performs more cures in shorter time, on man and beast, than any article ever discovered. Families, livery men and planters should always have it on hand. Quick and sure it certainly is.—All genuine is wrapped in steel-plate engravings, bearing the signature of G. W. Westbrook, Chemist, and the private U.S. stamp of Demas Barnes & Co. over the top.
An effort has been made to counterfeit it with a cheap stone plate label. Look closely.

It makes the hair rich, soft and glossy.
It prevents hair turning grey and falling off.
It restores hair upon prematurely bald heads.
This is just what Lyon's Kathairon will do. It is pretty—it is cheap—durable. It is literally sold by the car load, and yet its almost incredible demand is daily increasing, until there is hardly a country store that does not keep it, or a family that does not use it.

Who would not be beautiful? Who would not add to their beauty? What gives that marble purity and distinguished appearance we observe upon the stage, and in the city belle? It is no longer a secret. They use Hagan's Magnolia Balm. Its continued use removes tan, freckles, pimples and roughness, from the face and hands, and leaves the complexion smooth, transparent, blooming and ravishing. Unlike many cosmetics, it contains no material injurious to the skin. Any Druggist will order it for you, if not on hand, at 50 cts. per bottle.

Its also a beautiful hair dressing. Sold in two sizes—50 cents and $1—by all dealers.

KNOW THY DESTINY!
MADAME E. F. THORNTON, the great English Astrologist, Clairvoyant and Psychometrician, who has astonished the scientific classes of the Old World, has now located herself at Hudson, N. Y.—Madame Thornton possesses such wonderful powers of second sight, as to enable her to impart knowledge of the greatest importance to the single or married of either sex. While in a state of trance, she delineates the very features of the person you are to marry, and by the aid of an instrument of intense power, known as the Psychometrope, guarantees to produce a life-like picture of the future husband or wife of the applicant, together with date of marriage, position in life, leading traits of character, &c. This is no humbug, as thousands of testimonials can assert. She will send, when desired, a certified certificate, or written guarantee, that the picture is what it purports to be. By enclosing a small lock of hair, and stating place of birth, age, disposition and complexion, and enclosing 50 cents and stamped envelope addressed to yourself, you will receive the picture and desired information by return mail.—All communications sacredly confidential.
