The wonderfully mild, spring-like weather and rains of the past two weeks, has been exactly what was badly needed. The wells and land would have been in bad shape for winter if it had not been for the rains, and farmers have improved the shining hours by getting fall ploughing done that was badly in arrears owing to the dry ground. A big end of winter has also been nipped off, for which favors, let us be duly thankful.

Coughs that are tight, or distressing tickling coughs, get quick and certain help from Dr. Shoop's Cough Remedy. On this account druggists everywhere are favoring Dr. Shoop's Cough Remedy, and it is entirely free from opium, chloroform, or any other stupefying drug. The tender leaves of a harmless lung-healing mountainous shrub give to Dr. Shoop's Cough Remedy its curative properties. Those leaves have the power to calm the most distressing Cough, and to soothe, and heal the most sensitive bronchial membrane. Mothers should, for safety's sake alone, always demand Dr. Shoop's. It can with perfect freedom be given to even the youngest babies. Test it once yourself, and see! Sold by all dealers.

Thursday last saw the successful launching at Collingwood of the biggest and best passenger boat on inland waters, the Hamonic. Her dimensions are, length 365 feet, breadth 50 feet, depth 27 feet. These are only a little less than half the dimensions of the new Cunard giant, the Mauretania. The Hamonic is a monument to Canadian skill and enterprise. built in Canada by Canadian workmen, under Canadian engineers to travel in Canadian waters.

Markdale will play hockey this winter and will enter a team in the intermediate O. H. A. Its organization is as follows: Hon. Pres., Thos. Mercer; Pres., R. L. Stephen; Vice-Pres., Frank Maher; Members of Committee, Father Savage, Dr. Ego, T. W. McArdle, W. Turner, W. McFarland, Dr. Brown, and F. Hill; Managers, Will Hill, R. J. Gilfillan; Sec-Treas., R. J. Gilfillan.

The old fashioned way of dosing a weak stomach, or stimulating the heart or kidneys is all wrong Dr. Shoop first pointed out the error. This is why his prescription—Dr. Shoop's Restorative—is directed entirely to the cause of these ailments—the weak inside or controlling nerves. It isn't so difficult says Dr. Shoop, to strengthen a weak stomach, heart or kidneys, if one goes at it correctly. Each inside organ has its controlling or inside nerve. When these nerves fail, then those organs must surely falter. These vital truths are leading druggists everywhere to dispense and recommend Dr. Shoop's Restorative. Test it a few days and see! Improvement will promptly and surely follow. Sold by All Dealers.

A young gentleman of this vicinity undertook to drive a young lady home the other evening. It is presumed that both the young man's hands were so fully employed that he could not hold his hat on his head. At least that useful article of wearing apparel was lost, and as the night was dark a farm house was visited, a lantern borrowed and the headgear recovered. That young man should buy a patent fastener for his hat when next he drives the young lady home.—Com.

Messrs. Wm. Scutt and Jacob Loughead of Maxwell were members of a moose hunting party this past season. The hunt was on the Whitefish river, Algoma. The party succeeded in bagging three fine moose and a number of red deer. All did not go smoothly however, as an over-officious game warden, it is claimed illegally seized two of the moose, and the party was obliged to come home with only one. Upon arrival home, however, they lost no time in getting in touch with Chief Game Warden Tinsley, who ordered the release of the animals seized and they arrived at Collingwood last week. The smart game warden may hear more [illegible]

Is Silage Injurious?

A gentleman who has travelled considerably through one of our townships gives the Advance the following facts: In that township of prosperous farmers a silo could be found on nearly every farm a few years ago, but to-day scarcely one is to be seen. So apparent is the change that the gentleman made it his business to get at the cause thereof. He was informed that silage caused a loosening and falling out of the teeth of animals after being fed on it for some time; and as a consequence the silos were all being discarded. This is news to us and we would like to know if it is founded on facts. If it is, the farming community as a whole should know it. Should any of our numerous agricultural readers be in position to express an opinion on the matter we would like to hear from them.

Good Cough Medicine for Children.

The season for coughs and colds is now at hand and too much care cannot be used to protect the children. A child is much more likely to contract diphtheria or scarlet fever when he has a cold. The quicker you cure his cold the less the risk. Chamberlain's Cough Remedy is the sole reliance of many mothers, and few of those who have tried it are willing to use any other. Mrs. F. F. Stracher, of Ripley, W. Va., says: "I have never used anything other than Chamberlain's Cough Remedy for my children and it has always given good satisfaction." This remedy contains no opium or other narcotic and may be given as confidently to a child as to an adult. For sale by W. E. Richardson.

Municipal Matters.

Municipal matter are very quiet in Artemesia. There are a few rumors floating around but nothing definite to report. We have heard of no probable opposition to the councillors, but it is more than probable that there will be a contest for Reeve's tip this year.
