THE DAILY BRITISH WHIG.

VOL. XXXV. KINGSTON, CANADA, FRIDAY MORNING, OCTOBER 5, 1866. NO. 235.

PRIZE PIANO MANUFACTORY
OF
JOHN C. FOX,
KINGSTON.

Important to all Purchasers of Pianos.

EXTRACT of a letter from an Officer of the Royal Artillery in India to his father, and kindly communicated by Thos. A. Corbett, Sheriff of Frontenac:

"Kussoudie, near Delhi,
"22nd Dec., 1865.

"I wish you would tell John C. Fox, the maker of my Wife's Piano, how well it stands the climate of India. It is at once acknowledged to be the best toned as well as the handsomest Piano that has been seen in India. It had a severe trial on its way up from Calcutta to Delhi in the month of June, which is about the hottest part of the year, and yet on its arrival after being packed up eight or nine months, and coming all the way from Kingston, Canada West, to Liverpool, and via the Cape to Calcutta, only six or seven notes were out of tune. I had it tuned once, and it has kept it perfect order ever since.

"The Bandmaster who tuned it has taken out a patent for some new improvement which evidently he cribbed from yours. The only fault is its weight; in moving it took thirty-two of these wretched country laborers to carry it up the hill a distance of about seven miles, having a tolerably good road and gradual ascent.

"I am certain that an instrument that will stand the extremes of temperature of Canada and India, will answer here capitally.

"I should think it would be worth his while to send a few of them to Calcutta."

JOHN C. FOX'S
IRON-CLAD
PIANOFORTES.

The Public are requested to bear in mind the following facts:

JOHN C. FOX can make a Pianoforte equal in every respect, if not superior, to any American Piano, at a price ranging from one hundred dollars less, according to the class of the instrument; because he saves a duty of fifteen per cent.; he buys the best lumber in the Canada markets fully fifty per cent. less than an American manufacturer can do; and, while paying high wages to his workmen, he pays much less than is paid in the United States, on account of the high cost of living; and he saves to those purchasing from him, in addition to the above, the cost of freight and high commissions.

JOHN C. FOX is the sole patentee of the improvement which renders his Pianos in fact iron-clad, and at the same time absolutely perfect in precision of expression.

JOHN C. FOX'S challenge to any manufacturer is unmet, and until it be accepted he claims for his Instruments superiority over all others, imported or home manufactured.

THAT THE
GREAT SHOSHONEES REMEDY
OF THE CELEBRATED INDIAN, DR. LEWIS JOSEPHUS, OF THE DISTINGUISHED TRIBE OF SHOSHONEES, BRITISH COLUMBIA, IS NOW FOR SALE IN CANADA.

THIS all-possessing Great Indian Remedy is warranted, and in broad and emphatic language, we can safely say may be relied upon to make a permanent cure of all Diseases of the Throat, Lungs, Liver, Kidneys, Digestive Organs, &c., as well as Scrofula, the various Skin Diseases, Humors, and all diseases arising from Impurity of the Blood, excepting the third stage of Consumption. In the Western Country, where this Great Remedy has been in use for a short time, it has indeed affected some of the most Marvellous Cures, ever recorded in the annals of Historical Medicine. Such being the case, in addition to its former renown and celebrity, we defy humanity to dispute the fact, that this, the Great Shoshonees Remedy, in connection with the Shoshonees Vegetable Restorative Pills, is the Remedy or Remedies of the 19th Century, and the greatest boon ever laid at the altar of suffering humanity. For the discovery of the Wonderful Remedy, the world is indebted to Dr. Jasper, formerly of St. Louis, Mo., who spent, before he succeeded, over two long years in Columbia, endeavoring to obtain from Dr. Josephus the life-long secret of preparing it. Dr. Jasper, with Dr. Hall and several other physicians of St. Louis, witnessing the astounding curative effects of the Great Shoshonee Remedy, entered into combined negotiation for the purpose of ascertaining the peculiar mode of action of this Great Remedy, and the result of their researches was that the wonderful healing properties of the Remedy were due, not only to its salutary effect upon the blood and the organs themselves, for diseases of which it is recommended, but also on the Digestive Organs and more particularly upon the Lacteal Vessels, which Lacteal Vessels constituting the New Theory of Disease, as well as history of the Discovery of the Remedy, Certificates of Cures, &c., &c., are fully set down in the Treatise accompanying each bottle of the Remedy.

SPECIAL NOTICE.
WONDERFUL CURE
OF
Consumption,
BY
THE GREAT SHOSHONEES REMEDY,
IN CANADA.

I, ANGUS PRINYEA, of Fredericksburg, County of Lennox & Addington, C.W., can, for one, truly bless God for the discovery of the Great Shoshonees Remedy which has indeed snatched me as a brand from the jaws of death. Suffering for a length of time from Consumption, last August I became confined to my house; I coughed dreadfully day and night, I expectorated quarts of greenish looking matter and large quantities of blood; I could scarcely sleep at all, and when I did doze night sweats burst forth fearfully, which the doctor tried but in vain to arrest. My bowels were costive, I lost my appetite, and what little I eat I mostly vomited. My head ached almost constantly, I was so suffocated that I could hardly breathe, and racked with pain. I became so reduced that I could hardly stand alone, and, indeed, an object of pity at the verge of the grave. Its Quinine, Cod Liver Oil, Citrate of Iron, and Quinine, Cough Mixtures, &c., &c., but still grew worse and worse. I was attended by physicians who told me to prepare for death, which was my only hope; but I thank God that about two months ago this Great Indian Remedy was introduced into Canada. I grasped it as the last hope; I have taken it with the pills ever since, and now my cough is but little, the expectoration of greenish matter and blood have stopped, I sleep well, night sweats have ceased, my bowels are regular, my appetite is good, Vomiting and Headache have stopped, I breathe easy, and suffer no pain. The Doctor examined my lung the other evening said it was open again, and for God's sake to stick to this Indian Remedy. I am now feeling hearty, have been out visiting, and have lately, to a certain extent, resumed my former occupation, and all praise, through the blessing of God, to the Great Shoshonees Remedy.

This I solemnly declare under oath, in the presence of God, as follows.

PALE ALE

Farmer Jellyby sat in his old arm-chair,
Ruddy his cheek and his brow was clear,
Over his glass his spirits were light,
Can ever war tilted with ale more bright.
To his Wife at the wheel, he joyously spoke,
Shivering her with his mirth and his joke.
Next I tell you the ale that his grace loomed o'er
Keep grief and disease far away from his door,
Orrington Crew brewed by—its readily guess'd,
Best brewer by far, search from east to the west.
Right cheerful he said to his wife by his side,
Often if ever in life by ill feelings we're tried,
We will resort to this ale, for I truly can say,
Envy, hatred and malice 'twill banish away,
Right certain I am that the world will agree,
Youth and age have no friend like their friend O.C.

AYER'S
Sarsaparilla
FOR PURIFYING THE BLOOD,
And for the speedy cure of the following complaints:
Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

OAKLAND, Ind., 6th June, 1859.
J. C. AYER & Co. Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from anything. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that anything you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully Yours,
ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy.

Dr Robert M Preble writes from Salem, N. Y., 12th Sept., 1859, that he has cured an inveterate case of *Dropsy*, which threatened to terminate fatally, by the persevering use of our Sarsaparilla, and also a dangerous *Malignant Erysipelas* by large doses of the same, says he cures the common *Eruptions* by it constantly.

Bronchocele, Goiter or Swelled Neck.

Zebulon Sloan, of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a *Goiter*—a hideous swelling on the neck, which I had suffered from over two years."

Leucorrhea or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.

Dr. J. B. S. Channing, of New York City, writes: "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in *Female Diseases* of the Scrofulous diathesis. I have cured many inveterate cases of Leucorrhea by it, and some where the complaint was caused by ulceration of the uterus. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala., writes: "A dangerous *ovarian tumor* on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

Syphilis and Mercurial Disease.

NEW ORLEANS, 25th August, 1859.
DR. J. C. AYER: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla.

I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of *General and Mercurial Disease*. One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla steadily taken cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But I yielded to my administration of your Sarsaparilla; the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.

Fraternally yours, G. V. LARIMER, M. D.

Rheumatism, Gout, Liver Complaint.

INDEPENDENCE, Fredon Co., Va., 6th July, 1859.
DR. J. C. AYER: Sir, I have been afflicted with a painful chronic *Rheumatism* for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAM

Jules V. Getchell, of St. Louis, writes: "I have been afflicted for years with a *affection of the Liver*, which destroyed my health. I tried everything, and everything failed to relieve me, and I have been a broken-down man for some years from no other cause than *derangement of the Liver*. My beloved pastor, the Rev Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you, and anything you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement, Ulceration, Caries and Exfoliation of the Bones.

A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia.

Many remarkable cures of these affections have been made by the alterative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do.

Ayer's Cherry Pectoral,
FOR THE RAPID CURE OF
Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the Relief of Consumptive Patients in advanced Stages of the Disease.

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects—some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the efficacy of this remedy, we need not do more than to assure them that it has now all the virtues that it did have when making the cures which have won so strongly upon the confidence of mankind.
