

AN OUTSTANDING KIWANIAN

Past Lieutenant-Governor Ford W. Moynes

Many Kiwanians have for a number of years received awards for various activities, but none more deserving than those received by Past Lieut.-Governor Ford Moynes of the Lindsay Club. Ford has for many years devoted all of his spare time to community work but the year 1967, our Centennial Year, was his year. He received the "Citizen of the Year" Award from the City of Lindsay, also the Centennial Medal from the Government for Services to his Country.

To complete his year he was awarded a 50 year Past Master's lapel Jewel from Masonic Grand Lodge. Yes, this was surely Ford's Year.

He has been a member of Kiwanis for over 45 years and has 40 years Perfect Attendance, serving his Club and District in many capacities, as well as attending many International and District Conventions.

In private life he was connected with the newspaper business for over 50 years and retired as Editor of the local paper some 6 years ago.

We, in the O.Q.M. District, would like to take this opportunity to extend to Ford our sincere congratulations and good wishes for his many achievements, awards, and devoted service to Kiwanis, and wish him many more years of prosperity and good health to continue his good work.
