Makes Broiling Easy

It is much more convenient to do your broiling by lifting this Key Plate, than to lift the cover or use the broiler door. You have more room and get the meat directly over the coals.

Notice the Low Warming Closet, a special feature of this year's "Peerless Peninsular" Ranges.

Daylight Oven, Adjustable Damper, Removable Grate Bars, Thermometer in oven—are only a few of the conveniences you should ask about.

Step in at any time and go over the "Peerless Peninsular" Ranges. Glad to explain their improvements to you. 72

THREATENED WITH PARALYSIS.

BEFORE TREATMENT

Peter E. Summers, of Kalamazoo, Mich., relates his experience:

"I was troubled with Nervous Debility for many years. I lay it to indiscretion and excesses in early youth. I became very despondent and didn't care whether I worked or not. I imagined everybody who looked at me guessed my secret. Imaginative dreams at night weakened me—my back ached, had pains in the back of my head, hands and feet were cold, tired in the morning, poor appetite, fingers were shaky, eyes blurred, hair loose, memory poor, etc. Numbness in the fingers set in and the doctor told me he feared paralysis. I took all kinds of medicines and tried many first-class physicians, wore an electric belt for three months, went to Mt. Clemens for baths, but received little benefit. While at Mt. Clemens I was induced to consult Drs. Kennedy & Kennedy, though I had lost all faith in doctors. Like a drowning man I commenced the New Method Treatment and it saved my life. The improvement was like magic—I could feel the vigor going through the nerves. I was cured mentally and physically, and I have sent them many patients and will continue to do so."

Priceville

Average temperature, good sleighing.

The entertainment season is now upon us, churches, S. schools, public schools, are holding or preparing for concerts, etc.

The A. O. W. held an A. 1 concert in Watson's hall, on the 11th. The talent was the best that could be procured in Ontario, Mrs. E. Campbell of Toronto, one of the best contralto singers in the province and a fine looking amiable lady. In one of her encores she sang "Coming through the rye" and the chairman seemed to voice the thoughts of several of the male portion of the audience, when he remarked that "If he was comin through the rye with such a charming lady he would want it to be a mighty big field." When she gave "Annie Laurie" she touched a warm spot in the Scottish hearts, at the end of the first verse several palms came together in gentle beautiful applause, the lady bowed, and smiled sweetly in acknowledgement. When she gave "The Woodpecker" with his "tap-tap-tapi'y tap on the maple tree" everybody seemed pleased. Bert Harvey kept the audience laughing from beginning to end of every appearance on the stage and nobody can charge him with anything low or vulgar in any of his songs or acts. We felt sure that Priceville has not seen the last of Bert Harvey for it is generally acknowledged that he is the best comedian that ever came to this vicinity. The committee made a happy choice when they secured Haw Bros'. orchestra music and were repeatedly called back to the platform, in fact they worked very hard during the evening, which goes to prove that they are very popular in this vicinity. This orchestra had their own lady pianist with them. Mr. Geo. Dundas of Markdale, accompanied on the piano, for the city artists, who expressed their satisfaction with his performance. District Deputy Henry, of Orangeville, kindly came up for the evening and gave an address in the interests of the order. Grand Past Master Gibson of Ingersol was present and made an ideal chairman. His funny stories, his wit and brilliant repartee kept the audience highly amused. The people here are delighted with Mr. Gibson.

One evening lately, just as Mr. and Mrs. Herman McLean were preparing to settle in their own home, they were agreeably surprised by a large gathering of people from village and vicinity, who deposited in the house a large variety of useful kitchen utensils. A chairman was elected and a few hours spent in short addreses, sorgs, games, etc.

A number of men are employed building stock yards at the C. P. R. station here.

On Wednesday evening of last week a pleasant event took place at the home of Mr. and Mrs. John McMillan, South Line, when their daughter, Christine, was united in marriage to Mr. Wm. Burnett, son of Mr. John Burnett, a near neighbor. Those present at the ceremony consisted chiefly of near relatives. Rev. J. A. Matheson attended to the legal formalities. The next day the young couple went to their own home on the fine farm adjoining. — [The Advance joins in congratulations and best wishes.—Ed. Advance.]

The 1908 Christmas Number of "The Farmer's Advocate and Home Magazine," while maintaining a broad catholicity of outlook, strikes a dominant national note. Articles of general interest from the pens of leading Canadian authorities treat a pleasing variety of topics in a comprehensive manner. Dr. B. E. Fenow, of the University of Toronto, in a sweeping survey of the timber situation in Canada, impresses the farmers' interest in forestry. Turning the pages, one's interest is arrested by Frank Yeigh's picturesque pen-portraiture of Norwegian agriculture. "The Horse in History and Romance," is entertainingly discussed by the expert contributor, "Whip"; and the "Outlook for the beef Industry in Canada" is considered in the light of wide personal knowledge by J. H. Grisdale, of Ottawa. The chords of sentiment are touched in "Christmas on the Farm" and "An Old Boy's Recollections," while the achievements of a noted Canadian plant-breeder in hybridizing the gladiolus are told in a most interesting article. The number also includes many other timely articles. Subscribers to "The Farmer's Advocate" are presented with this number in lieu of a regular issue. To non-subscribers, the price is 50 cents per copy. New subscribers will receive it as a premium while the supply lasts. Address the William Weld Co., Limited, London, Ont.

Notice is given that the Huron and Ontario Railway Company will apply at the next session of Parliament for legislation extending the time for the commencement and completion of the lines of railway authorized and to increase the bonding powers of the company.

Stops Hair Falling

Ayer's Hair Vigor, new improved formula, will certainly stop falling of the hair. Indeed, we believe it will always do this unless there is some disturbance of the general health. Then, a constitutional medicine may be necessary. Consult your physician about this.

Does not change the color of the hair.

Ayer's Formula with each bottle. Show it to your doctor. Ask him about it, then do as he say

The reason why Ayer's Hair Vigor stops falling hair is because it first destroys the germs which cause this trouble. After this is done, nature soon brings about a full recovery, restoring the hair and scalp to a perfectly healthy condition.

Twenty-five years ago it was difficult to sell spring wheat flour for pastry at any price.

People didn't want it—they were using soft, winter wheat flour, and saw no reason for changing.

But hard wheat flour was persistently pushed. The women tried it and succeeded with it,—to-day hard wheat flour is the favorite for Pastry as well as for Bread.

Ogilvie's Royal Household

is hard wheat flour at its best—milled by modern methods, retaining all of the good of the wheat. It is without an equal for every kind of baking in which flour is used. 16
