ITS PROPERTIES

As an ANTI-SEPTIC, DISINFECTANT, ANTI-SPASMODIC, COUNTER-IRRITANT, DIFFUSIVE STIMULANT, RUBEFACIENT, NERVINE, ANODYNE, SUDORIFIC, FEBRIFUGE.

IT HAS NO EQUAL IN THE MATERIA MEDICA.

In sudden Attacks

Of Diarrhœa, Dysentry, Cholera Morbus, Inflammation of the Bowels, Cholic, Cramps, Spasms, Vomiting, Sick Headache, Cold Chills, Fever and Ague, Sore Throat, Coughs, Colds, Influenza, Neuralgia, &c.—One tea-spoonful in a glass of water will correct all derangements of the stomach, bowels and liver, and instantly stop the most severe pains.

If seized with Rheumatism,

Gout, Lumbago, Sciatica, Pain in the Side or Back, Limbs or Joints, Spine or Muscles, Toothache, Strains, Sprains, &c.—One application will afford immediate ease and comfort, and a few times rubbing will complete the cure.

Instant Help Needed

In violent diseases, instant relief is required. ASIATIC CHOLERA, INFLAMMATION OF THE BOWELS, CHOLIC, FITS, SHIP FEVER, CROUP, DIPTHERIA may prove fatal within an hour or two, if not checked by a powerful antidote like RADWAY'S READY RELIEF; and all acute and inflammatory maladies, whether Rheumatism, Neuralgia, Inflammation of the Kidneys, Bladder, Urinal difficulties, Inflammation of the Womb, and, in fact, all diseases fraught with immediate danger, yield at once to this commanding curative.

The READY RELIEF is as sudden in its operation as the malady itself. It is more active than the virus of the most swift and deadly epidemic. With this Remedy at hand to use on the first symptom of pain and uneasiness, no person need suffer an hour sickness.

Sisters of Mercy at Dorchester Street Hospital, applying Dr. Radway's Remedies to the sick.

SISTERS OF MERCY,

DORCHESTER STREET, MONTREAL, C. E., HOSPITAL OF THE SISTERS OF MERCY.

DR. RADWAY,—I certify that your *Ready Relief* has cured OVER ONE HUNDRED of our sick from chills, vomiting, headaches, internal pains, &c., &c.

One of our sisters had the Rheumatism in her head for a great many years—having taken a few spoonfulls of Relief in water, and rubbing her head twice with the same medicine, she was perfectly cured and never felt it since. I always use it for dyspepsia and for colds, and always with success. It is very useful for sore throats, coughs, influenza, diptheria, &c. It has a good effect in flatulence or wind cholic. I use it for foul breath and it produces a marvelous effect. In short it procures relief altogether remarkable to our invalids.

SISTER MARY DE BONSECOURS.

N. B.—Beware of counterfeits and imitations, have nothing to do with the dealer that will endeavour to persuade you to take some other in place of the Radway's.—The country is flooded with counterfeits and imitations of Radway's Ready Relief. Dealers purchase these worthless mixtures at less than half price they are charged for Radway's, yet charge the public the same price our agents sell you Radway's for. (Price 25 cents per bottle.) The imitations and counterfeits are sold at 5 to 10 cents per bottle to dealers; dear at that price. In purchasing Ready Relief, see that there are two signatures of Radway & Co. on the labels, and the words R. R. R. Radway & Co. blown in the glass. A MAN THAT WILL SELL YOU A FALSE MEDICINE will cheat you whenever he has an opportunity.

All Around the Globe.

Certificates of startling cures of the most violent and deadly diseases are on record at DR. RADWAY'S OFFICES in the Cities of New York and Montreal, emanating from the highest authorities in the world. There is not a Town or City of importance (except a few in China) on the Globe but that RADWAY'S MEDICINES have cured the sick when all other remedial agents failed, and this is vouched for by high dignitaries in Church and State, both by letters written direct to Dr. Radway, and through the U. S. Ministers and Consuls abroad.

PRICE, 25 cents a Bottle.

Ayer's CATHARTIC PILLS.

Are you sick, bilious and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the precursors to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the free Spirits move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the energy action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and made of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well-known public persons:

From a Forwarding Merchant of St. Louis, Feb. 4, 1856.

DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her. ASA MORGRIDGE.

As a Family Physic.

From Dr. J. W. Cartwright, New Orleans.

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, Sick Headache, Foul Stomach.

From Dr. Edward Bogé, Baltimore.

DEAR SIR: AYER: I cannot answer you what complaints I have cured with your Pills better than to say *all that do ever treat with a purgative medicine.* I place great dependence on that effectual cathartic in my daily contest with disease, and believing, as I do, that your Pills afford us the best we have, I of course value them highly.

PITTSBURGH, PA., May 1, 1858.

DR. J. C. AYER, Sir: I have been repeatedly cured of the worst headache anybody can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect, ED. W. TREBLE,
Clerk of Steamer Clarion.

Bilious Disorders—Liver Complaints.

From Dr. Theodore Ball, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can mention. A sincerely opinion that we have at length a purgative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR,
Washington, D. C., 7th Feb., 1861.

SIR: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALE, M. D.,
Physician of the Marine Hospital.

Dysentery, Diarrhœa, Relax, Worms.

From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for bilious dysentery and diarrhœa. Their sugar-coating makes them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood.

From Rev. J. V. Himes, Pastor of Advent Church, Boston.

DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

Yours, J. V. HIMES.

WARSAW, Wyoming Co., N. Y., Oct. 24, 1859.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood. JOHN G. MEACHAM, M. D.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, etc.

From Dr. J. P. Vaughn, Montreal, Canada.

Too much cannot be said of your Pills for the cure of costiveness. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it, for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe costiveness to originate in the liver, but your Pills affect that organ and cure the disease.

From Mrs. E. Stuart, Physician and Midwife, Boston.

I find one or two large doses of your Pills, taken at the proper time, are excellent promoters of the natural secretion when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel worms. They are so much the best physic we have that I recommend no other to my patients.

From the Rev. Dr. Hawks, of the Methodist Episcopal Church.

PULASKI HOUSE, Savannah, Ga., Jan. 6, 1856.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

SENATE CHAMBER, Baton Rouge, La., 5 Dec., 1855.

DR. AYER: I have been entirely cured, by your Pills, of *Rheumatic Gout*—a painful disease that has afflicted me for years. VINCENT SLIDELL.

☞ Most of the Pills in market contain Mercury, which although a valuable remedy in skillful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

Price, 25 cents per Box, or 5 Boxes for $1.

Prepared by Dr. J. C. AYER & Co., Lowell, Mass.

PRIZE PIANO MANUFACTORY
OF
JOHN C. FOX,
KINGSTON.

Important to all Purchasers of Pianos.

EXTRACT of a letter from an Officer of the Royal Artillery in India to his father, and kindly communicated by Thos. A. Corbett, Sheriff of Frontenac:

"Kussoudie, near Delhi,
"23rd Dec., 1865.

"I wish you would tell John C. Fox, the maker of my Wife's Piano, how well it stands the climate of India. It is at once acknowledged to be the best toned as well as the handsomest Piano that has been seen in India. It had a severe trial on its way up from Calcutta to Delhi in the month of June, which is about the hottest part of the year, and yet on its arrival after being packed up eight or nine months, and coming all the way from Kingston, Canada West, to Liverpool, and via the Cape to Calcutta, only six or seven notes were out of tune. It had it tuned once, and it has kept in perfect order ever since.

"The bandmaster who tuned it has taken out a patent for some new improvement which evidently he cribbed from yours. The only fault is its weight; in moving it took thirty-two of these wretched country laborers to carry it up the hill a distance of about seven miles, having a tolerably good road and gradual ascent.

"I am certain that an instrument that will stand the extremes of temperature of Canada and India, will answer here capitally.

"I should think it would be worth his while to send a few of them to Calcutta."

JOHN C. FOX'S
IRON-CLAD
PIANOFORTES.

The Public are requested to bear in mind the following facts:

JOHN C. FOX can make a Pianoforte equal in every respect, if not superior, to any American Piano, at a price ranging from one hundred dollars less, according to the class of the instrument; because he saves a duty of fifteen per cent.; he buys the best lumber in the Canada markets fully fifty per cent. less than an American pianofortemaker can do; and, while paying high wages to his workmen, he pays much less than is paid in the United States, on account of the high cost of living; and he saves to those purchasing from him, in addition to the above, the cost of freight and high commissions.

JOHN C. FOX is the sole patentee of the improvement which renders his Pianos in fact iron-clad, and at the same time absolutely perfect in precision of expression.

JOHN C. FOX'S challenge to any manufacturer is unmet, and until it be accepted he claims for his Instruments superiority over all others, imported or home manufactured.

HARPER'S
NEW MONTHLY MAGAZINE

Critical Notices of the Press.

It is the foremost Magazine of the day. The fireside never had a more delightful companion, nor the million a more encouraging friend, than Harper's Magazine.—*Methodist Protestant (Baltimore).*

The most popular Monthly in the world.—*New York Tribune.*

We must refer in terms of praise to the high tone and varie excellence of Harper's Magazine—a journal with a monthly circulation of about 170,000 copies—in which pages are to be found some of the choicest light and general reading of the day. We speak of this work as an evidence of the culture of the American People, and the popularity it has acquired is merited. Each Number contains fully 144 pages of reading matter, appropriately illustrated with good wood cuts; and it combines in itself the racy monthly and the more ponderous quarterly, blended with the best features of the daily journal. It has great power in the dissemination of a love of pure literature.—TRUBNER'S *Guide to American Literature, London.*

The volumes bound constitute of themselves a library of miscellaneous reading such as can not be bought for the same money in any other publication that has come under our notice.—*Boston Courier.*
