A Warning

A report has been circulated to the public that my son and I had a serious quarrel; that he had asked me for a loan of money which I refused to give him, also that he asked me to lease the hotel to him and I asked $400 rent, taxes and other expenses. Now, I positively deny all this, as my son never asked me for money on Nov. 11th and he never asked for any agreement about hotel property on Dec. 14th. This is a base falsehood for the party reporting it. If it is repeated I will try to investigate. A word to the wise is sufficient. JOS. CAIRNS.
