Preventics, the new Candy Cold Cure Tablets, are said by druggists to have four special specific advantages over all other medicines for a cold. First—They contain no Quinine, nothing harsh or sickening. Second—They give almost instant relief. Third—Pleasant to the taste, like candy. Fourth—A large box—48 Preventics—at 25c. Also fine for feverish children. Sold by all dealers.

Remember the Methodist Sabbath dist church for which the children have been making preparations school anniversary on the evening of tomorrow (New Yeaa's Day) in the Metho- for some time. Go and encourage the children. It is in just such gatherings as these that many of our best speakers find their first inspiration and the seed of ambition is sown.

Rev. G C. Little was the recipient by express on Christmas morning of a big fat turkey all ready for the oven. Mr. Little says they are a good Scotch community where that turkey came from, tenacious of custom and possessing kindly hearts—and lots of turkeys.

An interesting meeting of the Women's Institute was held last Tuesday, Four new members joined, making a membership of thirty-nine. Mrs. J. Runstadtler gave a splendid report of the Provincial Convention held at Guelph on Dec. 11. We believe that owing to this lady's vivid report that the meetings will be conducted in a more parliamentary manner, Mrs. W. H. Bunt very kindly extended an invitation to the branch to meet in her home next month, which was accepted.

The old fashioned way of dosing a weak stomach, or stimulating the heart or kidneys is all wrong. Dr. Shoop first pointed out the error. This is why his prescription—Dr. Shoop's Restorative—is directed entirely to the cause of these ailments—the weak inside or controlling nerves. It isn't so difficult says Dr. Shoop to strengthen a weak stomach, heart or kidneys, if one goes at it correctly. Each inside organ has its controlling or inside nerve. When these nerves fail, then those organs must surely falter. These vital truths are leading druggists everywhere to dispense and recommend Dr. Shoop's Restorative. Test it a few days and see! Improvement will promptly and surely follow. Sold by All Dealers.

The Sun as a Farm journal is written for the practical every day farmer. It is not filled with long essays or doubtful theories, but gives in plain, every day language, a host of helpful suggestions to tillers of the soil. In this particular the Sun is without an equal. You ought to read it regularly. When r[illegible] The Advance, order the Weekly Sun, the Farmer's business paper, both papers one year, only $1.80.

A disagreeable feature of the low water is the effect on our electric lights. The street lights have not been even glowing for some time, and the house lights have been hardly worthy of the name. They went completely out early on Saturday night. At any rate it was necessary to resort to oil lamps in order that The Advance might handle it's rush of work. Something will have to be done. Mr. Deagle says that he is doing all in his power to give us a good service. The trouble appears to be that he is carrying too many lights for the power at his disposal during the abnormally low water this winter. We want a good January thaw now, and want it badly. Perhaps it would be a pertinent question to inquire if the Police Trustees are expected to pay the Georgian Bay Power Company for the inky blackness of our streets at night. We cannot recollect that a reduction was ever made in the payments for street lighting. If made, the financial statements fail to show it. Surely the town should not be made to pay for what they do not receive. Noto—Since the above was put in type we learn that the police trustees have withdrawn the street lights altogether.

Why do so many Farmers read the weekly Sun? Because it so persistently advocates their cause; it faithfully supplies the practical farmer with valuable information on all agricultural topics, and is the most reliable barometer of market conditions to be found in Canada. What The Weekly Sun has done for others it will do for you. Include the Sun in your reading for next year. The combination price of The Advance and Sun is only $1.80

Chamberlain's Cough Remedy Aids Nature.

Medicines that aid nature are always most successful. Chamberlain's Cough Remedy acts on this plan. It allays the cough, aids expectoration, relieves the lungs, opens the secretions, thereby aiding nature in throwing off a cold and restoring the system to a healt hy condition. W. E. Richardson.

Bought a Store in Tara

Messrs. F. T. Hill & Co., of this town, have enlarged their already pretty broad borders by purchasing the mercantile business of Mr. W. A. Gerolamy in Tara and entering upon what will surely be a permanent and progressive campaign in that town. Mr. John E. Crone will be in charge and will open up the premises on January 4th. F. T. Hill & Co's theory of business has always been in the gains which accrue from purchases on the largest scale. They already have a large branch store in Orangeville, in charge of Mr. A. Walker, and the purchasing of the Tara store is but adding another link to the chain. They look upon Tara as a fine field for their growing ambitions, and we are sure the people there and in the prosperous townships that surround the town will rejoice in the settlement in that place of so staunch and progressive a firm as F. T. Hill & Co.—Standard.

Good Cough Medicine for Children.

The season for coughs and colds is now at hand and too much care cannot be used to protect the children. A child is much more likely to contract diphtheria or scarlet fever when he has a cold. The quicker you cure his cold the less the risk. Chamberlain's Cough Remedy is the sole reliance of many mothers, and few of those who have tried it are willing to use any other. Mrs. F. F. Stacher, of Ripley, W. Va., says: "I have never used anything other than Chamberlain's Cough Remedy for my children and it has always given good satisfaction." This remedy contains no opium or other narcotic and may be given as confidently to a child as to an adult. For sale by W. E. Richardson.

How Sheep Will Travel!

Mr. Robert Henderson, who lives two miles south of Corbetton, lost some sheep one day a few weeks ago. Four days later they turned up at Mr. Jos. Parks', a mile this side of Proton Station and about fifteen miles from home! Here comes in the interesting part to us, however. Mr. Parks straightway advertised the animals in The Advance for two weeks and now the owner and his animals are united once more. Mr. Henderson says he looked for the sheep two weeks before he saw the advertisement in this paper, and made happy by the recovery of his property.

Indigestion

Stomach trouble is but a symptom of, and not in itself a true disease. We think of Dyspepsia, Heartburn, and Indigestion as real diseases, yet they are symptoms only of a certain specific Nerve sickness—nothing else.

It was this fact that first correctly led Dr. Shoop in the creation of that now very popular Stomach Remedy—Dr. Shoop's Restorative. Going direct to the stomach nerves, alone brought that success and favor to Dr. Shoop and his Restorative. Without that original and highly vital principle, no such lasting accomplishments were ever to be had.

For stomach distress, bloating, biliousness, bad breath and sallow complexion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend
