Mr. and Mrs. John Walker of Caledon, and Mr. and Mrs. John Irwin of Heathcote, visited Mr. and Mrs. R. Bentham last week.

Croup positively stopped in 20 minutes with Dr. Shoop's Croup Remedy. One test alone will surely prove this truth. No vomiting, no distress. A safe and pleasing syrup—50c. Sold by all dealers.

Two merry loads of Dundalk young people drove up Friday evening for a skate on the open-air rink. This institution, which is run by Mr. Patton, appears to be giving the young people a great deal of pleasure. The elements this winter have been very favorable to open air exercise of this kind.

Rev. Walter Daniels, B.A., Travelling Secretary for Baptist Missions in Western Canada, is to preach in the Baptist church next Sunday morning. He will also deliver addresses at Priceville, Ceylon and Rock Mills at the usual hours. Mr. Daniels was for some years a very successful missionary in the west and is a very interesting speaker.

There is no Quinine, nothing whatever harsh or sickening in Preventics. These little Candy Cold Cure Tablets act as by magic. A few hours—and your threatening Cold is broken. Candylike in taste, Preventics please the children—and they break the feverishness always. And least of all is the economy. A large box—48 Preventics—25 cents. Ask your druggist. He knows! Sold by all dealers.

Rev. L. W. Armstrong, wife and little son, of St. Paul's church, Toronto, called on Mr. Armstrong's aunt, Mrs. John Clinton, here last week. Mr. Armstrong was on his way to Owen Sound, where he preached educational sermons on Sunday. The rev. gentleman goes to the Metropolitan church, Toronto, next year by invitation.

One day last week Fred Brown was drawing water from A. Stewart's, in the suburbs, when the horses took fright and dashed out the lane. Fred was knocked down and run over but did not receive serious damage. When the team got to the road they found the curve too short and smashed through the fence into Pickett's field, and making a circle came out to the road, knocking down the fence once more, and ran a mile and a quarter before being stopped. Not a dollar's worth of damage was done to horses or outfit.

Mr. C. Stafford delivered a bull to the drovers here on Monday, the delivery of which was attended by unusual circumstances. The sleigh accidentally collided with a telephone pole in town, breaking the box so that the animal was freed, and took it into his head to make a sprint for home, but mistook his latitude and longitude and brought up in a few minutes at the station, just where his owner had wanted to plant him. The horses did not have to draw him that mile and a half, that is all. It was a joke on the bull, that he did not appreciate.

Irwin--Armstrong

Married, at the residence of the bride's parents, Mr. and Mrs. James Armstrong, Eugenia, Miss Maggie Armstrong to Mr. John Irwin of Heathcote, on January 6th 1909. The bride's pastor, Rev. G. C. Little, performed the ceremony very efficiently. The bride, who was dressed in white silk, trimmed with chiffon ruching and allover lace, entered the parlor leaning on the arm of her father, who gave her away. The bridesmaid, Miss Theresa Armstrong was dressed similiarly to the bride. The groomsman, Mr. Albert Irwin, conducted himself gracefully. Many handsome and useful presents were received by the bride, and the usual congratulations were tendered by all present, before sitting down to a sumptuous and well prepared wedding supper, after which the guests departed. The relatives from a distance were: Mr. and Mrs. O. J. Walker and daughter Pearl, of Caledon; Mr. and Mrs. Richard Bentham of Flesherton; Mr. and Mrs. Irwin and Miss May Irwin of Heathcote, and with other friends, numbered about thirty-five. The bride's going away suit was a nice blue cloth with hat to match. The young couple will take up their residence on Spring Creek farm, near Heathcote, where both are very highly respected.

A man is known by the company he keeps, but a girl should not be judged by the company she has to entertain.

Farmers' Institute Meeting

The annual winter meeting of the Farmers' and Woman's Institute were held in Flesherton on Monday afternoon and evening. The farmers' meeting in the afternoon was held in the Norris Bros'. hall. Mr. Geo. Carlow of Warkworth, the speaker, was introduced by the President, Mr. W. H. Guy, and spoke on "The eradication of weeds" to about thirty farmers. The discussion was good. Many questions were fired at the speaker and were clearly and concisely answered. As for the eradication of weeds, the observer could not but be struck with the impression that hard work was needed above all else. The meeting was of undoubted value and those who stayed away missed a lot of good information.

Mrs. Colin Campbell of Windsor was greeted by forty or fifty enthusiastic Women Institute workers on Monday afternoon to hear her address on "Canning fruits and vegetables." The many interruptions and questions she received showed that it was an interesting subject to her listeners. Mrs. Campbell not only teaches, but seems delighted to receive hints and suggestions which are new to her. For the benefit of our lady readers we might briefly quote some hints she gave: Have fruit fresh, perfect sealers, sterilize the glass cans by boiling them for half an hour, use silver, wood or granite spoon but never tin. If cans when cooling are laid on the side and moved occasionally fruit will not rise to the top. Use the best sugar. To test, take one cup sugar, one cup water and boil. If a bluish grey scum rises to top, it is not fit to preserve fruit with.

The evening session was of more general interest. Reeve Boyd was chairman. Mr. Carlow spoke at length on "Cultivation of the soil." We cannot deal at length with this interesting subject, but speaking of underdraining he said arrangements had been made that any person desiring to have a system of underdraining on their farm could do so by simply boarding an expert who is paid by the government and may be secured at will. The expert will make a map of the system and will estimate as to the probable cost. Particulars may be secured from Mr. J. I. Graham, Vandeleur.

Mrs. C. Campbell spoke on "The housekeeper and her importance to the state." Her address was witty yet full of good sense, instructive and not prosaic.

Rev. L. F. Kipp by request gave the record of his 16 June-hatched single comb Brown Leghorn pullets, for last year. They layed 3150 eggs, or an average of 195. The cost of keep was $15.77, or 99c each. The product was $42.43, or $2.65 each, making the profit $1.65 per bird.

Mr. M. K. Richardson being called on gave a short, interesting, if impromptu, address.

Music was supplied by J. O. Paton and Miss Edna Paton, on the violin and organ; and a quartet by Mrs. R. Moore and Mrs. W. H. Bunt, Messrs. Rob Moore and Dick Wilcox.

Rev. Dr. Caldwell spoke briefly.

During the singing of the National Anthem at the close a number of overcoats went on, but only one man left the hall.

As a result of the meetings about thirty-six new members were added.

If your Stomach, Heart, or Kidneys are weak, try at least a few doses only of Dr. Shoop's Restorative. In five or ten days only, the result will surprise you. A few cents will cover the cost. And here is why help comes so quickly. Dr. Shoop doesn't drug the Stomach, nor stimulate the Heart or Kidneys. Dr. Shoop's Restorative goes directly to the weak and failing nerves. Each organ has its own controlling nerve. When these nerves fail, the depending organs must of necessity falter. This plain, yet vital truth, clearly tells why Dr. Shoop's Restorative is so universally successful. Its success is leading druggists everywhere to give it universal preference. A test will surely tell. Sold by all dealers.

The Meaford Express has entered upon its fourth year of existence. The baby ailments (if it had any) have not impaired its robust constitution.

The mill owned and operated by Chas. McInnis at Yeoville, about five miles from Holstein, was entirely destroyed by fire Saturday morning. The stock of timber in the yard was saved. The loss is about $4,000; insurance $1,000.

Oyster Supper and Banquet.

After the regular business meeting of Prince Arthur Lodge, A. F. and A. M., on Friday evening, the members by special invitation, repared to the residence of Mr. and Mrs. Oscar Phillips, where an elegant banquet and oyster supper had been prepared for them by Mrs. Phillips. Five visitors were present from Markdale and one from McIntyre. After the supper short speeches were given by M. K. Richardson, Rev. J. S. I. Wilson, T. Blakeley, Master, W. Heath and W. Tucker. An enthusiastic toast was drank to the hostess for her kindness in providing such an elaborate supper, and the gathering dispersed by singing "Auld Lang Syne."

PILES get Immediate relief from Dr. Shoop's Magic Ointment.

Croup And Whooping Cough.

The mothers of young children have no need to fear these diseases if they keep Chamberlain's Cough Remedy at hand. Mr. M. Davenport, of Pauls Valley, Ind. Ter., writes: "I have used Chamberlain's Cough Remedy in my family for several years and have found it especially effective for croup and whooping cough." For sale by W. E. Richardson.

Annual Meeting

The annual meeting of East Grey Agricultural Society will be held in the town hall, Flesherton, on Monday January 18, 1909, at one o'clock p. m. for the purpose of receiving and passing the annual report, election of officers for the ensuing year, and the transaction of such other business deemed necessary in the interest of the society.

DATED AT FLESHERTON JANUARY 4, 1909.
R. J. SPROULE, Secretary.

The Owen Sound Poultry Club is holding its annual exhibition this week.

The first shipment of domestic cattle for Gowganda was sent north last night from the Union Stock Yards. It consisted of thirty head, taken by W. H. Stuart, the pioneer butcher of Elk City. The cattle will go by Grand Trunk and T. and N. O. as far as Charlton and from there will be driven in over the trail a distance of about sixty miles to Gowganda. They will be preceded by a team of oxen hauling feed and will be given plenty of time so as to arrive in good condition. "There are from 100 to 150 men going into Gowganda over the trail every day," said Mr. Stuart, who has several claims himself in the new country.—Toronto News.

The Cough of Consumption

Your doctor will tell you that fresh air and good food are the real cures for consumption. But often the cough is very hard. Hence, we suggest that you ask your doctor about your taking Ayer's Cherry Pectoral. It controls the tickling, quiets the cough.

Ayer's We publish our formulas. We banish alcohol from our medicines. We urge you to consult your doctor

One of Ayer's Pills at bedtime will cause an increased flow of bile, and produce a gentle laxative effect the day following. Formula on each box. Show it to your doctor. He will understand at a glance. Dose, one pill at bedtime.

Weak Kidneys

Weak Kidneys, surely point to weak kidney Nerves. The Kidneys, like the Heart, and the Stomach, find their weakness, not in the organ itself, but in the nerves that control and guide and strengthen them. Dr. Shoop's Restorative is a medicine specifically prepared to reach these controlling nerves. To doctor the Kidneys alone, is futile. It is a waste of time, and of money as well.

If your back aches or is weak, if the urine scalds, or is dark and strong, if you have symptoms of Brights or other distressing or dangerous kidney disease, try Dr. Shoop's Restorative a month—Tablets or Liquid—and see what it can and will do for you. Druggist recommend and sell
