There is no Quinine, nothing whatever harsh or sickening in Preventics. These little Candy Cold Cure Tablets act as by magic. A few hours—and your threatening Cold is broken. A despatch in the dailies of Tuesday announces the making of a 500-pound wedding cake for the wedding of Miss Aileen Davis of Hamilton. The bride is a cousin of Rev. L. F. Kipp of Flesherton. The cake was manufactured in Chicago and was composed of 90 pound of sugar, 900 eggs, 60 pounds of raisins, 62 pounds of citron, 37 pounds chopped almonds, 129 pounds of flour, 1½ pounds of spice, 15 quarts of cognac. 15 quarts of sherry wine and ¾-pound of baking soda. All of the fruit was soaked in liquor for ten days.

On Monday evening a number of Mrs. Henry Woods' Sunday school class met to spend the evening in music and frolic. Miss Etta Thompson and Miss Pearl Radley, on behalf of the class, asked Mrs. Wood to accept as a slight token of their appreciation of her labors for their welfare a very beautiful china fruit dish and vase, and wishing their teacher and her husband a happy and prosperous New Year. Mrs. Wood thanked her girls, and hoped they would long be privileged to enjoy their pleasant associations in the Sabbath school and the Master's vineyard.

If your Stomach, Heart, or Kidneys are weak, try at least a few doses only of Dr. Shoop's Restorative. In five or ten days only, the result will surprise you. A few cents will cover the cost. And here is why help comes so quickly. Dr. Shoop doesn't drug the Stomach, nor stimulate the Heart or Kidneys. Dr. Shoop's Restorative goes directly to the weak and failing nerves. Each organ has its own controlling nerve. When these nerves fail, the depending organs must of necessity falter. This plain, yet vital truth, clearly tells why Dr. Shoop's Restorative is so universally successful. Its success is leading druggists everywhere to give it universal preference. A test will surely tell. Sold by all dealers.

One of the jolliest sleighing parties of the season was that given by Mrs. John Runstadtler on Friday afternoon last when twenty-six Flesherton ladies took advantage of Mrs. Runstadtler's hospitality and were treated to a drive to Dundalk with a choice supper at the Grand Central hotel, where Mine Host Bolger supplied an elegant and much-appreciated menu at Mrs. Runstadtler's instigation. One of the "girls" let out that the occasion was also the 25th anniversary of her wedding, when another of the ladies present instituted a most careful search of the aforesaid lady's pocket to see that she did not run away with any silverware. No Dundalk detectives have been seen here, so we presume pilfering was reduced to a minimum. After supper a hearty vote of thanks was given Mrs. R. for the very pleasurable outing provided. The ladies returned home to their sorrowing husbands at an unreasonably early hour! Messrs. Joseph Cornfield and W. Richardson chaperoned the party.

Croup And Whooping Cough.

The mothers of young children have no need to fear these diseases if they keep Chamberlain's Cough Remedy at hand. Mr. M. Davenport, of Pauls Valley, Ind. Ter., writes: "I have used Chamberlain's Cough Remedy in my family for several years and have found it especially effective for croup and whooping cough." For sale by W. E. Richardson.

Mr. W. P. Crossley has been confined to the house through illness since New Years day, but is on the mend. Mrs. Wm. Reid has been ill for some weeks, and is not improving. Mr. W. Trimble has been confined to his bed with a sore knee for the past three weeks.

Altogether, Now---Boost!

Though nothing has been said of late about the resurrection of the public library, still several "thinkers" have been busy with the problem. The vacancy of Will Moore's harness shop affords a suitable place for the library and reading room. Mr. Moore will act as librarian and will rent, heat and light the place for $75.00 per annum. We think his terms are reasonable, and everything possible should be done to open up this valuable attraction once more.

If the citizens will work up a little public spirt of the proper kind—the kind that brings along the cash—we may be able to put it on its feet again. An effort will be made to circulate a subscription list, and it is to the interest of the fathers and mothers of Flesherton and surrounding country to dig up their share. Shell out and help a good cause along. There is no person who can argue that this is not a good cause. The value of a well patronized, well selected library in any community cannot well be overestimated.

"If you can't boost, don't knock."

Agricultural Society Annual Meeting

The annual meeting of East Grey Agricultural Society was held in the town hall on Monday afternoon. Mr. J. A. Boyd, President, was in the chair, and reviewed the work of the past year. The financial statement showed a nominal balance on hand of $28.58, but a few small accounts had not been received, which would propably reduce the balance to something like $10.00. The Secretary read the statistical and financial statements, which were adopted. The total amount paid out last year for prizes was $440.20.

It was decided not to send a delegate this year to the Agricultural and Arts Association meeting at Toronto, but to give credentials to any member who desired to attend and would pay his own way.

The election of officers was proceeded with and resulted as follows: President, Geo. Mitchell; 1st Vice President, D. McMillan; 2nd Vice President, W. Buskin; Directors—Alex. Muir, D. McTavish, W. H. Bunt, R. Allen, J. A. Boyd, J. Runstadtler, Mark Wilson, F. G. Karatedt, R. J. Sproule.

The newly-elected president in accepting the office with reluctance thanked the members for the honor.

A discussion took place upon the question of holding a spring show and paying of prizes. The sentiment appeared to be that prizes of some nature should be given.

W. J. Bellamy and Joseph Blackburn were appointed auditors.

After the general meeting the Board elected J. A. Boyd as secretary, instead of R. J. Sproule, retired.

Don't Take The Risk.

Take Chamberlain's Cough Remedy and you are sure of prompt relief. From a small beginning the sale and use of this preparation has extended to all parts of the United States and to many foreign countries.
