Victoria Corners

Too late for last week.

At last we have proved the saying that "All things come to him who waits," for we certainly had waited for the recent thaw and rain. Soap business ought to be good, as there is now no excuse for lack of water.

Rev. Mr. Wilkinson preached an interesting Missionary sermon Sunday last at this appointment.

We Corners people are sorry to lose two of our most interested workers—Mrs. Tucker and her daughter, Viola Rennie—but we know our loss will be some other place's gain.

We are sorry to hear that Milton Bannon was home on the sick list.

Mrs. Geo. Moore spent a few days at esherton and Kimberley.

Mrs. Lockhart's many friends will be rry to hear of her serious illness.

Miss Gove spent the week end with Mrs. Tucker (nee Rennie) near Dromore.

We learn that Mr. Geo. Moore has purchased a thoroughbred Durham cow. More milk for the factory next year.

We wish to extend our sympathy to Mrs. George Bannon, in the loss of her mother, Mrs. Robinson of Bethel, who was removed by death.

10th Line, Osprey.

Sleighing has come again and farmers are on the move again getting out logs and wood.

Mr. and Mrs. John Duncan of Collingwood attended the funeral of the former's mother on Tuesday of last week. The remains were laid to rest in the Presbyterian cemetrey at Feversham. The pastor, Rev. Mr. Ballantyne, conducted the service.

R. J. Colquette is still in Collingwood under the treatment of Dr. McKay.

We understand that Mr. John Dyre has sold his farm to Mr. Wm. McKenzie and has bought a farm near Rob Roy, owned by Mr. Harry McKennie. We wish Mr. and Mrs. Dyre and family the best of success in their new home.

Mr. Wm. Kaitting's little son has recovered from a severe attack of bronchitis.

Mr. John Thomson, our new councilman is settling down into his new position and we are sure will handle the finances carefully and honestly.

R. J. Colquette paid a flying visit from Collingwood for a day last week.

Take care of the receipts is heard on every hand in this part. A number of people would have had to pay accounts a second time, only they had kept their receipts. Wonderful how business men, who were always county good collectors, will let accounted run for three or four years after they leave a place and then present them for the first time since they left that part. Keep your receipts.

Ask Yourself the Question.

Why not use Chamberlain's Liniment when you have rheumatism? We feel sure that the result will be prompt and satisfactory. One application relieves the pain, and makes sleep and rest possible. It has cured others, why not you? Try it. It costs but a trifle. Price, 25 cents; large size, 50 cents. For sale by W. E. Richardson.

The Presbyterian congregation of New Lowell has suffered a loss in the burning of their beautiful church, called "Mary Kirk." The fire is supposed to have originated from the furnace, and had gained considerable headway before being noticed by any one. The insurance on the building and contents amounted to $2,000. Preparations are under way for the erection of a new church, as soon as the spring opens, and in the meantime services will be held in the town hall each Sunday.

Kimberley.

Very cold weather at present.

We are sorry to report Mr. H. V. Gaudin on the sick list at present, but hope he will soon be able to be around again.

Miss Ella Wickens visited Flesherton friends recently.

The box social held here on Wednesday evening, last, in aid of the citizen's rink, was a grand success.

Following is the list of officers and players of the Kimberley hockey club:—President, R. R. Fawcett; Vice Pres., John Lawrence; Sec. Treas., F. J. Weber; Captain, Lyness Fawcett. Players:—goal, Alf Plewes; point, Ashley Fawcett; cover point, Art. Walter; centre, Elmer Knott; left wing, Lyness Fawcett; right wing, Harry Sloan; rover, Ernest Proctor.

While out driving on Sunday morning last with a spirited young horse, Mr. Rufus Wickens had the misfortune to be thrown out of the cutter, the result being some two or three nasty cuts in the face. Dr. Brown of Markdale dressed the wounds, which required some five or six stitches.

Mr. and Mrs. Harry Down of Hatherton were callers at Mr J. R. Fawcett's on Monday last, while on their way to visit the latter's mother, at Heathcote.

Born—At Kimberley, on Sunday, Jan. 24th, to Mr. and Mrs. George McConnell, a son.

The Kimberley branch of the O. W. I. met at the home of the president, Mrs. G. H. Walter, on Thursday afternoon last, where a most enjoyable as well as profitable time was spent. The February meeting will be held at the home of Mrs. John Plewes on Feb 25th.

Valuable Remedy for Colds and Croup.

W. W. Gray, an attorney at Wenatchee, Wash., says: "I have used Chamberlain's Cough Remedy in my family for colds and croup with good results. I aim to always keep this remedy in the house." Sold by W. E. Richardson.

Eugenia.

After the recent spring-like weather the change to zero, which which we have been having, strikes us pretty hard. However there is no reason for complaints, as winter is passing along without any of the snow blockades of former years.

News of interest is scarce.

We are sorry to hear of the Rev. Mr. Laidlaw being under the weather, but hope soon to see him around again.

There was no service in the Methodist church on Sunday evening, as Mr. Gaudin, who was the supply, could not come from Heathcote on account of the the storm.

Mr. Louis Genoe has been laid up for some time with rheumatic fever, but is on the mend. The Ladies Aid of the Presbyterian church, are getting up a Valentine social on Feb. 12, to be held in the Orange hall. A good time is expected. All are welcome.

Miss Annie Hislop has been laid up for the past few weeks with lumbago.

Miss Bertha Williams visited at Mr. Wm Hislop's in the valley, for a few days.

Mr. Allendale of Bobcaygeon, is a guest at Mr. Duckett's of Pleasant Valley.

Miss Ettie Thompson of Flesherton, visited her friend, Mrs. Woodburn of Glenfield, for a few days.

8th Line, Artemesia

Miss B. Wood is spending the winter with her sister, Mrs. Wm. McGee.

Miss May Jamieson of Flesherton spent a few days on the line, last week.

We are sorry to report Miss May Parliament still confined to her bed, but hope by Dr. Rykman's attendance to soon see her around again.

Mrs. Angus Tooey and little son of Markdale visited for two weeks with her mother, Mrs. J. Parliament.

Mr. Wm. Benson is wearing a broad smile since Jan. 26, he being daddy of a baby girl.

Mrs. D. Smith of Otterburne, Sask., who has been visiting her mother, Mrs. Sam Pedlar, is, we are sorry to say, on the sick list at present.

Times were rather dull for a few days owing to the thaw, but the change of weather made a change for the timbering men in this section.

Mr. Charlie Hanley gave a party to a number of his young friends recently, all having an enjoyable time.

Mr. D. Genoe and sister, Bell, visited Kimberley people over Sunday.

Dundalk

John Dobberthein, of the back line, Proton, is the owner of a colt 18 months old which measures 5 feet 5 inches in height, girth 6 feet one inch and weight 1110 pounds.

A Dundalk "Young Peoples Club" was organized on Monday night for the purpose of advancement in literature, music, drama:—Patrons, Rev. H. Miller, Rev. Father Murphy; Hon. Pres., J. R. McIntyre; Pres., Miss Minnie Morgan; Vice-Pres., Mr. C. A. Lamon; Treas., Miss L. Hinbury; Sec., Miss Burnett; Ex-Com., Misses Hull, Clarey, Ritchie and Messrs. R. G. Hinburry, P. Morgan, S. H. McClelland. It is expected that the Club will be a source of much benefit and pleasure and it will be the endeavor of the officers to make it a permanent institute.

J. F. VanDusen's jewelery store was entered early Moudry morning by burglars. Entrance was forced at the front door where a glass was removed and the door pried open. It is evident that the visitors were disturbed as not very much time was spent in the store. Some old watches, that Van. did not consider of more than metal value, are the only articles missing from the stock. The safe, which contained the more valuable of the jewelry stock, was not tampered with. An iron pry, supposed to be part of a railway brake, was the only clue left by the parties. At 1.30 Mr. C. A. Lamon, who sleeps over the Bank of Hamilton just across the street, heard the breaking of glass and got up but there was no one in sight in any direction. A diamond was used on the glass but the whole pane fell out unexpectedly. Mr. V. is in luck that his loss is not greater.—Herald.

Save Money by Buying Chamberlain's Cough Remedy.

You will pay just as much for a bottle of Chamberlain's Cough Remedy as for any of the other cough medicines, but you save money in buying it. The saving is in what you get, not what you pay. The sure-to-cure-you quality is in every bottle of this remedy, and you get good results when you take it. Buying cough medicine is an important matter. Neglected colds often develop serious conditions, and when you buy a cough medicine you want to be sure you are getting one that will cure your cold. When you buy Chamberlain's Cough Remedy you take no chances. It always cures. Price 25 and 50 cents a bottle. For sale by W. E. Richardson.

The Rocklyn fair has a balance to the good of $193.06. The receipts this year were $1,154, expenditure $971.06.

James Loudfoot, a man of about 54 or 55 years of age, died at Orillia from the effect of drinking wood alcohol.

Three young men were fined $5 each and costs for disturbing the peace in Shelburne.

Ladies interested in the success of the Fall Exhibition of Midland each year call a meeting early in January to revise the list in fancy work and then submit same to the directors for their approval. We think this a very good idea, as it introduces the newer work and thus keeps the ladies' department of the show up-to-date.

While Mr. Robert Damm was working on his swamp lot during the fall and winter taking out timber he had traps set along the banks of the Saugeen, and so far has succeeded in catching over twenty minks, the pelts of which are worth $5 each. This has proven a very profitable and interesting sideline for Mr. Damm. In the fall before the river was frozen over he watched one of these animals fish a large-sized trout out of the water, and run off with it to its hiding place. Billy Meyer or Henry Gayser of Neustadt, Mr. Damm thinks, could not have made a slicker catch than this sly little animal. Again one day when cleaning up along the river he removed a stump and found under it part of a trout which was no doubt caught in a similar manner, so that the Saugeen Fishing Club has more than one kind of poacher depleting their reserve.—Ayton Advance.
