Must be sold at once. Mrs. J. Quimby, Rock Mills P. O.

The thaw of the fore part of last week caught a severe cold before this paper was off the press, and since then we have been treated to some genuine winter, with plenty of snow. The only trouble now is that the snow is not evenly distributed on the roads. Teaming is fairly good, however, and the hauling of timber, etc., has been resumed.

Mr. Jos. Cornfield was called to Toronto last week upon the duty of burying another brother, Mr. John Newton Cornfield, who died at his home there after about four weeks' serious illness, at the age of 36 years. The deceased leaves a wife and four little children—three boys and 1 girl—the eldest being 13 years of age. The funeral took place to Humbervale cemetery. It is just two months since Joe had to perform a similar duty for another brother, Robert, at Milton.

The annual meeting of the Flesherton Hotel Co. was held on Wednesday afternoon of last week, when about 25 shareholders were present. The financial statement showed an indebtedness of $3121.85. The old directors were all reappointed. The meeting was quite enthusiastic and additional stock was taken at the meeting to the extent of 58 shares, or $580, half of this conditional upon a sufficient amount being raised to clear off the indebtedness. Messrs. W. Buchanan and J. I. Graham were appointed to solicit purchases of stock.

The Chosen Friends at Ceylon gave an oyster supper and At Home on Friday evening last, when the Orange hall was crowded with guests and members. A good program was rendered, presided over by Mr. Donald McLeod. The soloists were Messrs. W. Pedlar and A. McAuley, Donald McLeod, Wilson McMullen and D. Brodie, played the violin, and Dan McDonald the picolo. Miss Zilla McLeod presided at the organ. Capt. McLaughlin and the Master of the lodge gave short addresses. There were oysters and other eatables galore, and everyone voted emphatically that they had never had a better evening of pleasure—physically and mentally.

Auction Sales.

An auction sale of farm stock and implements will be held at Maxwell on Tuesday, Feb. 9, 1909, 1 p. m. Chas. Long, prop.; D. McPhail, auctioneer.

MAKES A DISCOVERY

An Artemesia Boy Adds a Valuable Contribution to Science

From the Montreal Witness

Dr. J. Stafford, lecturer in zoology at McGill, has contributed a paper of considerable scientific value to "The American Naturalist" for January, on "The larva and spat of the Canadian oyster." The paper is the result of information gathered on behalf of the Canadian Biological station during a summer spent at Malpecque, Prince Edward Island. While the record of Dr. Stafford's observations is too technical to be understood by any but scientists, it is quite evident that these observations have an important bearing on problems and methods of oyster culture. One striking discovery by Dr. Stafford is that at a certain period in the early stages of its existence the oyster has a foot.

The organ, which Dr. Stafford claims the privilege of having first recognized, is, he says, of immense interest to zoologists, and of vast importance to the animal. The adult oyster is usually a quiescent animal, solidly cemented to a rock oranother shell. But previous to this period of its existence it has a foot, which, the doctor says, is a most capable organ, by means of which the animal can creep rapidly about and forcibly flop its heavy shell from one side to the other.

"I have no doubt," he adds, "that at the end of the free swimming period the foot proves to be of the greatest service in freeing the little animal from overwhelming sediment, creeping on to a solid substratum, and clearing a suitable place for fixation."

Burglar Caught.

One of the burglars who broke into J. & W. Boyd's general store on Sunday night, Jan. 24, was captured at Mt. Forest on Wednesday of last week. Some of the goods taken here were found on his person, including a complete outfit of clothing—hat, boots, several ties, etc. When searched some of Mr Boyd's price tickets were found on the clothing. A telephone message came here from the Mt. Forest chief of police and Mr. Herb Smith, head salesman, went over and identified the goods, Mr. Boyd being away at county council. The trial takes place to-day (Wednesday). The story of the capture is told by the Confederate as follows:

Yesterday morning the town woke up up to the fact that it had harbored undesirable guests during the night. It was found that three of our leading stores, R. Scott & Co's, J. T. Skales Co's, and V. Voissin's, had been broken into. The method used was similar in each case. The front door had been pried open with a chisel which was found with blood marks on it at R. Scott & Co's. The thick glass in the door at Scott's and Skale's were also broken. At Scott's there were also blood spots on the door and finger marks of blood had been left on some of the show cases. The burglars were evidently after money, but only got coppers or small change for their pains, except at Skales' where a case of a dozen good watch chains is missing, and at Scott's, where the amount of change was about $45.

When Station Agent J. Hogarth went to the G. T. R. station in the morning he found the door of the baggage room open and a man lying inside, apparently in an intoxicated condition. He soon went away and came down town to the Queen's hotel, where he was arrested by Chief Cringle later in the morning. His knuckles were skinned and he had a lot of coppers in his possession and about $48 in silver and small bills. The bills he obtained from Mr. Hinchy at the C.P.R. station in the morning. The evening before he is said to have been "broke." Matches were also found on him, the same kind Mr. Voisin keeps, and tobacco of the same brand that is kept in one of the stores. He had also a glazier's diamond, and there are marks of a diamond having been used on Skales' window. He gave O'Brien as his name.

O'Brien is known in this locality as a ditcher, who for the past couple of years has made his headquarters in Arthur township. He was held on the charge of breaking into the baggage room of the G.T.R. station.

In sickness, if a certain hidden nerve goes wrong, then the organ that this nerve controls will also surely fail. It may be a stomach nerve, or it may have given strength and support to the Heart or Kidneys. It was Dr. Shoop that first pointed to this vital truth. Dr. Shoop's Restorative was not made to dose the Stomach nor to temporarily stimulate the Heart or Kidneys. That old-fashioned method is all wrong. Dr. Shoop's Restorative goes directly to these failing inside nerves. The remarkable success of this prescription demonstrates the wisdom of treating the actual cause of these failing organs. And it is indeed easy to prove. A simple five or ten days test will surely tell. Try it once, and see. Sold by all dealers.

Mrs. Henry Richardson Dead.

Mrs. Henry Richardson died at her home here on Monday at the age of 72 years. The deceased lady was born in the county of Wexford, Ireland, and came to Canada in 1852. She was married shortly afterward and lived for some years near Streetsville, afterwards coming to Artemesia, settling on the Collingwood gravel. Over twenty years ago they moved to Flesherton. Mr. Richardson died here five years ago. Mrs. Richardson was the mother of a large family, the surviving members of whom are: Will, John, Rob and Annie are all living here; Ed. is at Iron River, Wis.; Henry, at Cooksville; Mrs. W. Guest, (Lucy), Henderson, Me.; Mrs. Jos. Doville, (Minnie), Sodus Point; Mrs. R. C. McIntyre, Toronto; Mrs. Rickman, Hanover; Mrs. T. Mann, Dyers Bay; and Miss Ada Rochester, N. Y. The funeral took place to Flesherton cemetery on Wednesday afternoon.

Prince Arthur At Home

Prince Arthur Lodge, A. F. & A. M., gave their annual At Home on Friday night last, when 84 people were present, including 21 visitors from Markdale, 2 from Dundalk, and a representative from Shelburne in the person of Mr. Sid Rands, C. P. R. agent at this station. A short program presided over by Bro. M. K. Richardson, was rendered, including a couple of speeches from rev. gentlemen and I. B. Lucas, M. P. P., a solo by Mr. J. Caesar of Markdale, a recitation by Miss Gladys Cornfield and a solo by Miss Irene Wilson. After the program a choice luncheon was provided by Caterer Ed. Thompson. The balance of the evening was occupied by games and social intercourse. Prince Arthur Lodge has one of the cosiest and most up-to-date lodge rooms in the country and their guests on this occasion, as on former events of the kind, thoroughly enjoyed themselves.

Gamey-Morrison

The home of Mr. and Mrs. Robt. Morrison, Maxwell, was the scene of a happy event Jan. 27th 1909, when their only daughter, Edith May, was united in holy bonds of matrimony to Mr. J. Wesley Gamey, son of the late Mr. and Mrs. Josiah Gamey, by Rev. A. P. Stanley. Mrs. Stanley presided at the organ. The bride in a beautiful white silk gown trimmed with ribbon and lace, was given away by her father. Miss Annie Heron in a pretty white dress, allover lace and insertion trimmings, was bridesmaid, while Mr. John Morrison, brother of the bride, waited on the groom. After the ceremony all repaired to the dining room to enjoy the wedding feast. The bride received many useful and pretty presents, among the gifts were noticed a silver and gold berry spoon from the bride's former pastor and his wife, Rev. and Mrs. Kemp of Walters Falls.

Mr. and Mrs. Gamey will leave for their home in Strathclair, Man., in a few days and the good wishes of a host of friends follow them to their new home, that their lives may form a duet of harmony. Mrs. Gamey will be greatly missed in church circles, especially in the Epworth League and Sunday school. Her travelling dress was a blue chiffon broadcloth, and velvet jacket, with this suit she wore a becomming white velvet hat trimmed with wings.

If you would have a safe yet certain Cough Remedy in the home, try Dr. Shoop's—at least once. It is thoroughly unlike any other Cough preparation. Its taste will be entirely new to you—unless it is already your favorite Cough Remedy. No opium, chloroform, or any other stupifying ingredients are used. The tender leaves of a harmless, lung-healing mountainous shrub, give to Dr. Shoop's Cough Remedy its wonderful curative properties. It is truly a most certain and trustworthy prescription. Sold by all dealers.

A Box Social.

In aid of the Ladies' Aid of Eugenia Presbyterian church, on Fri., Feb. 12. A good programme consisting of music, singing and drills.

Zinc Deposits at Wiarton.

A New York mining syndicate have secured a lease on a piece of property near Wiarton, which, according to the report of the geologist of the Western University, Dr. S. Woolverton, is highly mineralized. The property consists of 100 acres, situated in Albermarle township, Bruce county. Three assays have been made, all of which, it is said, have shown the property to contain zinc and sulphur in large quantities, with traces of silver also.

It is said that the syndicate is endeavoring to secure leases of surrounding properties, which are also supposed to be in minerals. Mining on the property now leased, it is understood, will be started about the first of June. A large sum has been paid down for the lease and 25 per cent. of the output is also to be paid over.

The Toronto News says it is understood that Dr. Sproule, Grand Master of the Sovereign Grand Lodge of British North America, will retire from that position at the annual meeting to be held in St. Thomas in March. It is believed that he finds the correspondence and other duties associated with the position take up too much of his time. The probability of retirement is the subject of much discussion in Orange circles in the city. Among the candidates for the position should Dr. Sproule decline re-election, are Col. J. H. Scott, the present Deputy-Grand Master, and Col. Sam Hughes, of Lindsay.

Croup positively stopped in 20 minutes, with Dr. Shoop's Croup Remedy. One test alone will surely prove this truth. No vomiting, no distress. A safe and pleasing syrup—50 c. Sold by all dealers.

The Wiarton Board of Trade last Tuesday evening made a grant of $5 to each of the local papers for their services in reporting their meetings during the year. We desire to acknowledge our appreciation of the gift. It takes money to run a printing office, and the Board of Trade, being composed of business men, knows it. We have frequently seen town and township councils jewing a printing office down to the last cent, not recognizing the fact that the publication of all their proceedings is worth very considerable to them. The newspaper is as important a business factor in the life of a community as exists, and while it is only too glad to boom along those things that make for the success of a town or township, it is nevertheless an act of good will and fairness upon the part of any corporation to acknowledge it.—Wiarton Echo.

Hotel to Rent.

Park House, Flesherton, $300.00 per year, 13 bedrooms, furnished kitchen range and refrigerator. Applications in the form of sealed tenders, must be in hands of the Secretary on or before March 1st, 1909. E. C. Murray, Secy., F. G. Karstedt, Pres., Flesherton.

Colds on the Chest

Ask your doctor the medical name for a cold on the chest. He will say, "Bronchitis." Ask him if it is ever serious. Lastly, ask him if he prescribes Ayer's Cherry Pectoral for this disease. Keep in close touch with your family physician.

Ayer's We publish our formulas. We banish alcohol from our medicines. We urge you to consult your doctor

When you tell your doctor about the bad taste in your mouth, loss of appetite for breakfast, and frequent headaches, and when he sees your coated tongue, he will say, "You are bilious." Ayer's Pills work well in such cases.

—Made by the J. C. Ayer Co., Lowell, Mass.—
