County Council

The January session of the county council opened at Owen Sound last week with all the forty members present. After the election of warden the following correspondence was read: Application for grants to the Prisoner's Aid Society, the Sick Children's Hospital; petitions for and against the appointment of arbitrators to form a new school section in S S. No. 7, Collingwood, and other documents and accounts.

At the Wednesday morning session the clerk read the warden's address, owing to that gentleman's absence. Among the communications read were the following: Application from Lieut.-Col. Cleland for a grant of $500 to the 31st regiment for 1909. Letter from Middlebro & Sampson re pedler's license to Peter Smith of Proton. Petition of ratepayers of Owen Sound to have certain lands taken from Owen Sound and attached to Sydenham. Petition signed by 284 ratepayers of Brooke against the incorporation of said village.

The report of special committee, to strike standing committees, was as follows:

Finance and Assessment — Messrs. Abercrombie, Boyd, Burns, Corbet, Elliot, Ellis, Garvie, Hastie, Hunt Legate, Mearns, McClelland, McFarland, McKay, McKnight, Norman, Saunders, Schenk, D. H. Sinclair, John Sinclair, Smith, Weber, Wilson, Shute, Walter Hastie, chairman.

Road and Bridge—Messrs. Christie, Corbet, Eaton, Weber, Goldsmith, Garvie, Fulford, Wilson, Johnston, Umbach, Rennie, McArthur, Hampton, Taylor, McKenzie, Hunt, D. H. Sinclair. F. J. Eaton chairman.

County Property—Messrs. Legate, McClelland, Burns, Abercrombie, Boyd, Dodsworth, Hatten, Norman, Elliott, McKnight, Schenk, Shute, J. Sinclair, McKay, McQuaker. T. McClelland chairman.

Education—Messrs. Hershey, Mearns, Smith, Hastie, Goldsmith, Eaton, McFarland, Ellis, Wilson, Schenk, John Sinclair, Taylor, Boyd. Dr. Mearns chairman.

Printing—Messrs. Fulford, Ellis, Weber, Saunders, Dodsworth, McArthur Rennie, Hunt, Umbach, McKnight, Corbet, Johnston, Hatten. S. R. McKnight chairman.

Communications and Memorials—Messrs. Mearns, Hastie, Hershey, Garvie, Shute, Goldsmith, Abercrombie, Norman, McQuaker, Hampton, McKenzie, Christie, Elliott. W. L. Goldsmith, chairman.

House of Refuge—Messrs. Hampton, Smith and the Warden. A. Smith chairman.

Warden's Committee—Messrs. Schenk, Hastie, Legate.

At the third meeting of the session the clerk presented some important documents, one of which was an application from the Township of Normanby for refund of expenses of an arbitration with the Township of Carrick, in which the sum total asked for, amounted to about $11.00.

Reports from H. H. Burgess, inspector of schools in West Grey and Samuel Huff, Inspector for East Grey, were both bulky documents, giving much school information.

Reeve Saunders, of Durham, wrote asking that the county guarantee $11.00 debentures of the town of Durham.

The Chatham collegiate institute forwarded a bill of $33.00 for students who had attended it from Grey County.

Business men of Durham recommended Arthur Brookes appointment as County constable.

Dr. Mearns, chairman of Education, asked for refund of certain money paid over by urban school sections.

MacKay, Trelford & Grosh wrote in reference to a deviation in the Bruce County line at Hanover.

Dr. Ego, physician of the house of refuge, presented a report for the past year. There had been 18 deaths among the inmates and the ages which were given showed an average of 71 years. There were six over the four score mark. After hearing the list of deaths read, a member inquired if there were any inmates left in the institution and was informed that there would be plenty of evidence presented to prove that there was a considerable number.

William Kerr wrote a lengthy document on the subject of the county appointing valuators, which he held it was obliged to do.

W. N. Chisholm and Adam Brown wrote in reference to exhibiting county fruit at the Provincial horticultural show.

George Binnie and J. S. Rowe asked for reappointment as auditors. C. A. Fleming also applied.

Among the accounts was one from Breckenridge & Son of $40.40 for furniture for the judge's room, and another from Neil McGillvray for keep of George Roy, who figured in the house of refuge investigation.

Reports of Committees were presented from Finance, Education and House of Refuge Committees.

The chief item in the Finance report, which was read by Mr. Hastie of Egremont, was that the application of Col. Cleland for grant of $500 be laid over for consideration until the June session and that Col. Cleland be asked to state his reasons why such a grant should be made. The usual motion to adopt this report was passed without a question.

The report of Education Committee presented by Mr. Wilson, of Bentick, recommended as its principal item that the petition from ratepayers of S. S No. 7, Collingwood, asking that arbitrators be appointed to settle the question of forming a new school section, be granted. The clause was discussed in committee at some length, during the course of which Inspector Burgess was called upon and gave some information as to how the costs of arbitration would be paid. The report read was finally adopted and later in the meeting a by-law was introduced for the appointment of arbitrators in accordance therewith.

The report of House of Refuge, presented by Mr. McFarland of Markdale, recommended payment of accounts totalling $809.85, and also a second list of $213.55 of later items presented by the manager. The receipts amounted to $260.66 including one item of $72 paid by an inmate for maintenance, covering most of the present year. Hardwood floors had been laid over those of cement in two rooms which were not considered comfortable for the inmates; storm windows and fire escapes had been provided and it was further recommended that two additional radiators be put in to make more perfect the heating system of the institution. An account from the manager of $37.10 for expenses in taking inmates here and there on various occasions was also presented, and an option from Markdale for the purchase of five acres of the house of refuge farm for the sum of $500 was appended to the report. It was adopted without much discussion.

BEFORE TREATMENT

AFTER TREATMENT

He was surprised at how the sores healed—"I took your NEW METHOD TREATMENT for a serious blood disease with which I had been inflicted for twelve years. I had consulted a score of physicians, taken all kinds of blood medicine, visited Hot Springs and other mineral water resorts, but only got temporary relief. They would help me for a time, but after discontinuing the medicines the symptoms would break out again—running sores, blotches, rheumatic pains, looseness of the hair, swellings of the glands, palms of the hands scaling, itchiness of the skin, dyspeptic stomach, etc. I had given up in despair when a friend advised me to consult you, as you had cured him of a similar disease 8 years ago. I had no hope, but took his advice. In three weeks' time the sores commenced to heal up and I became encouraged. I continued the NEW METHOD TREATMENT for four months and at the end of that time every symptom had disappeared. I was cured 7 years ago and no signs of any disease since. My boy, three years old, is sound and healthy. I certainly can recommend your treatment with all my heart. You can refer any person to me privately, but you can use this testimonial as you wish." W.
