Scottish Pride 66274

The young bull Scottish Pride will stand for service at Mr. F. W. Nicholson's, lot 37, con. 5 Artemesia. Scottish pride is sired by Scottish Prince, a grandson of the wonderful show cow Gem of Bellachin, Imp., winner of eight prizes at Toronto and London, besides being champion female. She weighs over 1900 pounds. One of this cow's calves sold for $1775.00. Scottish pride is out of Lady Bella by the Toronto first prize winner, Captain May Fly, imp. 28858. This young bull has prove himself a showbull having gained an encouraging record this fall at Feversham. He won first prize as best bull calf, also diploma for best bull any age. Those having pure bred cows should see this grand bull before breeding as they cannot do better than use him. A limitep number of grades will be takenat $1;25; For pure breds, $4.00

NERVOUS DEBILITY

Thousands of young and middle aged men are annually swept to a premature grave through EARLY INDISCRETIONS, EXCESSES AND BLOOD DISEASES. If you have any of the following symptoms consult us before it is too late. Are you nervous and weak, despondent and gloomy, specks before the eyes, with dark circles under them, weak back, kidneys irritable, palpitation of the heart, bashful, dreams and losses, sediment in urine, pimples on the face, eyes sunken, hollow cheeks careworn expression, poor memory, lifeless, distrustful, lack energy and strength, tired mornings restless nights, changeable moods, weak manhood, premature decay, bone pains, hair loose, sore throat etc.

BLOOD POISONS Blood Poisons are the most prevalent and most serious diseases. They sap the very life blood of the victim, and unless entirely eradicated from the system may affect the future generation. Beware of Mercury. It only suppresses the symptoms—OUR NEW METHOD cures them.

OUR NEW METHOD TREATMENT alone can cure you, and make a man of you. Under its influence the brain becomes active, the blood purified so that all pimples, blotches, and ulcers disappear, the nerves become strong as steel, so that nervousness, bashfulness and despondency vanish, the eye becomes bright, the face full and clear, energy returns to the body, and the moral, physical, and vital systems are invigorated and sins cease—no more vital waste from the system. Don't let quacks and fakirs rob you of your hard earned dollars. We will cure you or no pay.

READER No matter who has treated you, write for an honest opinion free of charge. BOOKS FREE—"The Golden Monitor" (Illustrated)

Question List for Home Treatment Sent on Request.

County Council

The fourth sitting of January sitting of the county council was reached on Friday morning. Another meeting was held in the afternoon, and the total number of meetings in the session was six.

A proposal from the Bell Telephone Co. to instal telephones in the sheriff's office and the registry office, and a letter from several professional men of the town, were read by the clerk. The matter was referred to the County Property Committee of which Thomas McClelland is chairman.

Mr. Harness, manager of the house of refuge, was present and read his report for 1908.

Reports were also presented from Finance, Roads and Bridges, County Property, and Education Committees. These were all adopted, the report of Education being considered in committee with Mr. McQuaker in the chair, and afterwards adopted on a division of 26 to 13.

At the afternoon meeting a bylaw to provide for the separation of certain farm lands from Owen Sound and annexing them to Sydenham was introduced by Messrs. Legate and Burns. Another bylaw was introduced to repeal an old one respecting horse thieving. These bylaws and several others were all finally passed. George Binnie and C. A. Fleming were appointed county auditors. R. McKnight was re-elected trustee for the Owen Sound collegiate institute; Thos. McKerrol trustee for the Meaford high school; Jno. Legate and James Cochrane, members of the medical board of audit.

Messrs. Garvie, Legate and the warden were appointed a special committee to examine the bylaws of the county and select a number of those now in force, which they should have printed in pamphlet form and supplied to each member of the county council.

Messrs Hastie, Legate and the warden were appointed a special committee to draft a memorial to the Provincial Legislature asking the government to grant aid in the construction of the missing link of railway between Owen Sound and Meaford.

The last meeting was on Saturday at 9.30 a.m.

By a report of the Finance Committee which was considered in committee, it was recommended in reference to the application of Dr. Mearns for a refund of taxes improperly collected by the county from towns and villages and rural municipalities connected with urban districts for school purposes and distributed among the rural schools during the past three years, that the Chairman of Finance, Dr. Mearns, and the County Treasurer, be a committee to investigate the matter and report at the June session. Some discussion took place on this clause and it was finally left with Mr. Parker himself to arrange the matter. Mr. McQuaker pointed out that the county council had been making the error of levying school taxes on the entire county and distributing them only to the rural sections.

Another clause of the Finance report recommended that no grant be made to the Provincial Horticultural exhibition. It was moved to amend this clause by giving a grant of $25 or $50, the object of the grant being to enable Messrs. W. N. Chisholm and N. Brown to collect specimens of fruit from this county for exhibition at this society's show at Toronto. It was contended by Messrs. Hastie and Eaton that the Georgian Bay fruit association had exhibited fruit from the county of Grey and won prizes in both England and Ireland without any assistance from the county council, and the amendment was voted down.

Another important clause was that the claim of Normanby township for $1130, cost of arbitration proceedings, be recognized to the extent of $1000. The report was adopted as amended.

A report of the Road and Bridge committee was adopted after a statement had been made by Mr. Smith in reference to a bill for overseeing certain road work which was claimed to be larger than the entire cost of the work which was done.

Reports of County Property and Education were adopted as read.

A report of the House of Refuge committee was presented by Mr. Smith. Time was asked for consideration of the manager's report as it was presented too near the end of the session.

Mr. Hastie apparently voiced the popular sentiment by remarking that it was a strange bylaw which provided that the manager of the house of refuge should be his own inspector to report on his own work This matter would have to be attended to at next session.

A report of the Printing Committee was adopted, awarding the contract for county printing to Richardson, Bond & Wright, Owen Sound. Four tenders had been received. Their figure for printing the minutes was 80c. per page.

Mayor Harrison at this juncture was invited by Warden Agnew to address the council as a former member. His Worship availed himself of the opportunity of expressing himself strongly in favor of the adoption of a good roads scheme which had been turned down by the council last year He pointed out that if the county had adopted the scheme that the item of $9600 for the new bridge which had been built last year, would have been reduced to $6000 as the Government would have contributed one third of the cost. He held that $2 spent scientifically was better value than $3 expended in a hap hazard way and advised reconsideration of the good roads scheme. Mr. Harrison accepted the invitation of the warden to a seat on the platform until the close of the session.

A report of Communications and Memorials committee recommended that delegates be not sent to the hospital for Consumptives' convention, but that a grant of $10 be made and that the County's representatives in the Legislature be asked to support measures for the benefit of the institution.

Mr. Legate presented report of the special committee appointed to draft a memorial to the Ontario Government. This memorial asked the Government to guarantee bonds of a company building the road between Owen Sound and Meaford in addition to the grant of $3200 which had already been provided for. It was also recommended that the warden accompany the deputation from the Owen Sound and Meaford Railway Company and others who would wait on the Legislature, and present the memorial at the next session of the House. The report was adopted.

The county clerk was instructed to write municipal clerks for certain information respecting lands attached to towns and villages and assessed for school purposes in order to obtain information necessary to an equitable adjustment of the claim made by Dr. Mearns on behalf of urban schools

Messrs. Legate, McFarland, D, H. Sinclair and Hastie were appointed a committee to report on the treasurer's sureties at the June session.

The Property Committee was empowered to ask for tenders for coal, wood, and ice.

The warden informed the council that Col. Cleland had telephoned him in reference to postponing consideration of a grant to 31st Regiment until next session. By that time preparations would be under way for the annual camp and Col. Cleland assured him that the grant was entirely for the purpose of increasing the pay of privates, which was only 50c. per day. He was very desirous that the matter should be dealt with at this session.

Mr. Hastie, as chairman of Finance, replied that he was aware this was a subject on which there would be a great deal of discussion and there was no time to deal with it now. Personally he considered the grant to the Regiment had been made too long. The committee reported asking Col. Cleland to appear at the June session and explain to the council why the grant should be made.

A motion by Messrs. McFarland and Smith to have the June session held at Markdale, was lost, a good majority being in favor of the county town.

Before declaring the council adjourned Warden Agnew in a neat speech thanked the members for their hearty cooperation and kindly spirit to himself, which had contributed to make his duties as presiding officer very pleasant. He complimented the County of Grey on the fine appearance of its legislators and said that the new members reflected credit on the municipalities which they represented. He hoped for a continuation of the harmonious relationship and that all the members would be present in good health at the June session.

A stanza of the National Anthem closed the proceedings.

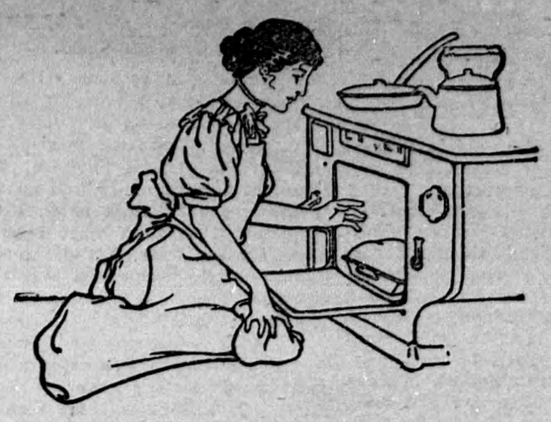
Huron & Ontario Ry. Preparing

Mr. Chas. F. May of Toronto, to whom the local managers of the Huron and Ontario Electric Railway transferred their charter two or three years ago, spent Sunday with friends in Walkerton, says The Herald, and gave a favorable account of the subsequent and present standing of the company. The present company sold the bonds to an English company for $32,500,000. This is now on deposit to build the road, and operations have already commenced at Ottawa. The company are applying to Parliament to have the charter amended so as to go to Sarnia, where connection will be made with the Furness line of steamers. Mr. Masson, a prominent lawyer of Owen Sound, has been engaged to secure the right of way from Meaford to Southampton. Options on water powers have been secured along the route, and Mr. May expects to have a good portion of the work completed during the present year.

The Band Concert.

The band concert held in the town hall on Tuesday evening of last week was well attended, the proceeds amounting to $35.15. As a matter of fact, however, the band will not be in pocket, owing to the expense incurred. The concert was opened by a few well chosen words from Reeve Boyd. The talent secured for this entertainment was Mr. James Doughty, comic, and Miss Evelyn Davis, reader. Mr. Doughty is above the ordinary in his line, his selections being well chosen and innocent of anything bordering on the objectionable. His "Toy Pedlar," "How Dare You," and "Nobody's Darling," created much laughter and brought forth rousing encores. Miss Davis greeted a Flesherton audience for the first time, as did Mr. Doughty, and she made many friends here. She has a very pleasing and attractive presence and will be gladly heard again. Her specialty is along lighter lines. She is an excellent child impersonator, yet in tragic story telling she occupies no ordinary position as evidenced in her rendering of "The Kissing Cup Race." Some of the other good things given by Miss Davis were: "The Bridge of Sighs," and "Peekin' through the Window." She also sang in duet with Mr. Doughty, "Reuben and Rachel," which brought forth much applause. Both artists were free with encores and kept the audience in the best of humor. A defect in the entertainment, and one that marred what otherwise would have been a very enjoyable program, was the amount of band music rendered. Had the audience been treated to about one half the amount it would have been more satisfactory.

No one left the hall during the singing of the National Anthem, but it was practically ignored in the scramble to don overcoats.



The only nourishment that bread affords is that which the flour contains.

Bread baking is merely putting flour in appetizing form.

Flour making is merely putting wheat in shape for bread making.

Royal Household Flour

is made from carefully selected Manitoba Hard spring wheat. Every pound is almost a pound of food; clean, and nutritious.

It goes farther, does better baking and is more satisfactory in every way than any other flour. Ask your grocer. 12
