Save Money by Buying Chamberlain's Cough Remedy.

You will pay just as much for a bottle of Chamberlain's Cough Remedy as for any of the other cough medicines, but you save money in buying it. The saving is in what you get, not what you pay. The sure-to-cure-you quality is in every bottle of this remedy, and you get good results when you take it. Buying cough medicine is an important matter. Neglected colds often develop serious conditions, and when you buy a cough medicine you want to be sure you are getting one that will cure your cold. When you buy Chamberlain's Cough Remedy you take no chances. It always cures. Price 25 and 50 cents a bottle. For sale by W. E. Richardson.

Over a year ago Mack McCormick, a farmer near Relessey lost a gold ring. One day last week a mouse ran across the kitchen floor and Miss McCormick, sister of Mack, instead of getting frightened and going into hysterics, shied a missel at the rodent and her aim was so true that Mr. Mouse yielded up the ghost. An examination of the mouse disclosed the fact that Mack's long lost ring was around its neck. How it got there of course no one knows.

IMPORTANT NOTICE

To Subscribers In Arrears

We have on our list a large number of subscribers who are one or more years in arrears. The aggregate of these amounts to over $700.00! These esteemed subscribers will readily understand how such an outstanding sum as this hampers us in business. While the accounts are all small, the sum total amounts to a serious matter. For some years we have eschewed "dunning" subscribers through the paper. We have, however, found it necessary to place the matter before those to whom it applies and trust they will understand and appreciate the necessity that calls for a breaking of our rule in this regard. Kindly send along the arrearages, gentlemen.

Eugenia.

On Wednesday afternoon of last week this community received a great shock on hearing of the sudden death of Mrs. T. B. Gilliland from heart failure. Although ailing for some time past, yet her death came unexpected to all. She was aged sixty-eight years, and was born in the county of Antrim, Ireland, but came to America when very young with her grand parents. Her father and mother had both died, leaving her and a sister to the care of their grandmother. She married when young, the late T. B. Gilliland of Kemptville, near Ottawa, who predeceased her a number of years ago. They came to Artemesia thirty-eight years ago. Mr Gilliland was government land surveyor and accumulated a nice property and a good comfortable home.

They raised a family of three daughters and two sons, William at Edmonton, Thomas on the home farm, Mrs. Thomas Betts of the Morey Corner, Mrs. John Hargrave, jr., of Maxwell, and Mrs. John Stuart of Powassan. Her children were all present at the funeral except William, who was unable to get here in time. Her funeral was largely attended on Saturday afternoon by sympathizing friends and neighbors to Flesherton cemetery, where her pastor, the Rev. Mr. Kipp, of the Baptist church, officiated, she being a faithful member of that church. The deceased and her late husband were highly esteemed and respected residents of Eugenia. They both were of a kind and genial disposition and had many warm friends here. The sorrowing family has the sincere sympathy of all this community in their great loss of a kind and devoted mother, although they know that their loss was her gain. Death to her was only an entrance into everlasting rest. It was not death, but a peaceful sleep, whilst the Lord her precious dust doth keep.

Mr. Charles Turner, sr., is very poorly at present.

Miss Pearl Cairns of Ceylon is visiting friends here the past week.

The social on Friday evening was well patronized. The program was good. Ceylon string band kindly came and rendered some excellent music. The ladies beg them to accept their thanks for their kindness. We all hope they will often come to assist at our social gatherings at Eugenia. The recitations by Miss Violet McLean and others were highly appreciated. Proceeds, fifteen dollars.

A number of our young people met at the home of Mr. and Mrs. Wiltshire on Thursday evening. They intend moving from here to Proton. Mrs. Wiltshire was presented with an address and a very pretty set of dishes. Baskets were brought out and a most delightful evening was spent. All feel sorry at their leaving this neighborhood, as they were excellent neighbors and will be greatly missed. Following is the address:

Mr. and Mrs. Wiltshire: DEAR FRIENDS,—We, a few of your friends and neighbors, have taken the opportunity of coming to your home this evening to spend a social time with you before your removal from this neighborhood. We all feel sorry at parting with you, as during the time you have lived here you were good obliging neighbors. We all sincerely hope that, no matter where your lot in life is cast, prosperity and happiness will still be with you. We now beg of you as a parting favor to accept this small token of our esteem, not for its value, but to remind you of your many friends at Eugenia and the pleasant times we have spent at your home in the past. Signed on behalf of all present.

[Mr. and Mrs. Wiltshire ask The Advance to thank their friends for their kindness.—ED.]

It was with feelings of sorrow that the people of this place learned of the death of Bert Love, who passed away in a Toronto hospital on January 26th, after a very short illness with la grippe which terminated in heart failure. His remains were laid in Palgrave cemetery on January 28th. He was about twenty-six years of age, and the eldest son of Mr. and Mrs. Joseph Love. Bert was well respected and a member of the Methodist church here before leaving his parental home. His sorrowing young widow, parents and two brothers have the sympathy of the community.

Our Heavenly Father
Speak to these queer hearts of ours,
And teach them to be still.
God hath his mysteries of grace,
Ways that we cannot tell.
He hides them deep, like the secret sleep
Of him he loved so well.

The township of Brant has a great many smallpox cases, two of the more recent in this vicinity to be reported being George Gateman, aged 25 years, and Mrs. Fred Thedorf. The Thedorf school has been closed as a result for four weeks. Mr. Pegelo, boot and shoe merchant of Elmwood, is also down with the disease. Bentinck has a case or two and Walkerton and Chesley also are reported to be having their own troubles. It appears to be quite a mild type of small pox, more like chicken pox, and very little like the real old brand our grandfathers tell about in their day.—Hanover Post.

The question of establishing in different parts of Ontario experimental stations to ascertain in what parts of the Province sheep can be raised to the best advantage was discussed at the first annual meeting of the Ontario Sheep Breeders' Association last week. The proposal is to place a number of sheep with farmers in the sections selected for the experiment and have them keep a complete record of the cost of maintenance, the percentage of the death rate, the suitability of the climate and location for breeding purposes. It is expected that the experiments will be the means of stimulating an interest in the trade, and will eventually lead to a very large increase in the breeding industry of the Province. After a prolonged discussion the matter was referred to the Board of Directors, with power to act.

Dame Rumor has it that another paper is likely to be started in Clarksburg. It is a pity that the people in Thornbury and Clarksburg cannot forego their enemity and allow the Herald-Reflector to rule supreme. The towns are not large enough for two papers and the sore heads in the burg should show a more Christian spirit than to be always trying "to rob Peter to pay Paul."
