INSURANCE.—Mr Ambrose W. Thompson, No. 18 Wall Street, has been appointed agent in this city of the Farmers and Mechanics' Fire and Marine Insurance Company of Philadelphia. This Company is one of the most respectable in Philadelphia, and has the Hon. Thomas B Florence for its President. It has complied with the law of this State in regard to companies belonging to other States, and has provided an accruing trust Fund of $100,000 with Messrs Duncan, Sherman & Co. Messrs. Bushing & Co publish a card of thanks in the Philadelphia North American for the prompt manner in which this Company settled its losses on their establishment, thus enabling them to resume business without delay.—*N. S. ROWLANDS is agent for the above-named Company in Kingston. Office No. 4, Wilson's Buildings, Wellington Street.

Holloway's Pills have cured a Liver complaint of ten years' standing—Mr Hurlow, of Newport, Nova Scotia, for ten years suffered with a liver complaint, attended at times with violent purging, at others with costiveness, a foul stomach and indigestion; these were caused by the impurity of the blood, and general derangement of the system. He used Holloway's Pills for ten weeks, which effectually cured him, giving him an excellent appetite, enabling him to enjoy any kind of food, and restored him to such health as he had not enjoyed since he was a boy.

The great antipode for epidemic, is Dr Jas McClintock's diarrhea cordial which has frequently been administered to over two hundred patients in a single day at the City Cholera Hospital and City Prison Philadelphia, during the fearful epidemic of 1832. In cases of Diarrhea, Cholera Morbus, Dysentry, Cholera Infantum and Summer Complaints, it gives instant relief. A speedy cure is sure to follow its use. It is mild and safe for children and adults.

A Blooming Complexion and a Good Appetite are the results of using Dr. Jas. McClintock's Alterative Syrup for purifying the Blood, Eradicating Pimples Blotches, Scrofula, and all kinds of Taint from the system, and creating New Blood, and Get Blood; also his Dyspepsia Elixir, for Dyspepsia Indigestion, Loss of Appetite and all diseases incident to this complaint. It strengthens the stomach, assists digestion, creates a good appetite, and speedily restores to health the sufferer.

Delicate Lungs cannot safely be trifled with, and yet tens of thousands of our population are annually swept off by Pulmonary diseases, which in their incipiency a few doses of Dr Jas McClintock's Pectoral Syrup would have radically cured. Coids and coughs lay the foundation of consumption and atrophies, and yet this has frequently been the case, the author is strongly recommended to try Dr McClintock's Pectoral Syrup as the only means of present relief and prospective cure.

Dr McClintock's Medicines have his great merit—they strike at the very root of disease they do not merely alleviate the symptoms, but totally extinguish the complaint. These three medicines of his Pectoral and Aperient Syrup are known to be the only radical cure for that distressing complaint; and sufferers from dubious advertisements who have tried his Anti-Bilious Pills are equally enthusiastic in their praise.

POSTPONEMENT OF BATES' TIRAGE AU SORT.—The undersigned, who consented to act as a Committee to superintend the drawing of Tickets in Bates' Tirage au Sort, have concluded to postpone the drawing to the 25th day of JUNE, for the following reasons:—A number of Tickets still remain unsold, and as the Committee are desirous that Mr Bates should have no interest in the drawing, further than the interest he feels in giving entire satisfaction to Ticket holders; and believing that to postpone the drawing for one month would enable him to dispose of the unsold Tickets, the Committee have decided to postpone the drawing till the 25th day of June, when it will, without fail, take place, whether all the Tickets be sold or otherwise.
