THE JEWS IN JERUSALEM.—It was lately stated that the Jews declined to enter the court of the Mosque of Omar at Jerusalem to pray for rain, on the ground that they were ceremonially unclean, and also because they believe that their law was buried under the site of the Temple. Mr Tregelles of Plymouth, in a letter on this subject, in the *London Times*, writes:—"I want to ascertain in what manner this opinion originated among the Jews, that their law was buried there. Is there any historical account of any circumstance of this kind? And if so, when did this concealment take place? These questions have some interest, because in a dry shaft beneath the Mosque of Omar—The ancient site of the Temple of the Lord—one skin of a roll of the Pentateuch was found. Through the kindness of Mrs. Leider of Cario I possess this relic. It is written in three columns, beginning at Genesis xxii, 1, and going on the middle of chapter xxiv. The Jews had therefore some ground for their opinion, and that opinion may lead to the discovery of the time of the deposit of this existing portion."

Holloway's Ointment and Pills—cure of Piles, after fourteen years' affliction.—Mr M. C., of Montreal, was a martyr to this complaint for 14 years, rendering him an object of misery to himself as well as to his friends; he shunned society lest he should let those around him observe his affliction, and thus he suffered secretly. As he had tried every remedy without sucess, he at last gave upin despair all hopes of recovery; but resolved to give Holloway's Ointment and Pills a last trial, and fortunate it was he did so, for these potent remedies cured him in five weeks. He feels so grateful for the cure effected, that he wishes these facts to be made public for the benefit of similar sufferers.

Valuable Household Articles—Dr Jas. McClintock's Alterative Syrup, for purifying the Blood, Eradicating Pimples, Blotches, Scrofula, and all kinds of Taint from the system, thereby nourishing, strengthening, and building it up; also, his Dyspeptic Elixir, the Great remedy for Dyspepsia, Loss of Appetite, Indigestion, and all the diseases that follow these complaints. They are a combination of the virtues of the best remedies the vegetable kingdom affords.

Dr James McClintock's Sucess in treating diseases of the Lungs and Throat, while at the head of the Philadelphia College of Medicine, has given him a world-wide reputation. Cold and Cough Mixture removes every vestige of irritation from the Throat and Lungs in the worst cases of Cold Cough, Catarrh, Influenza, &c., and where these too-often-neglected complaints have become merged in Bronchitis or Consumption, his Pectoral Syrup will save the patient in cases which are usually pronounced hopeless.

Multitudes are now suffering under the debilitating effects of Fever and Ague, who might speedily be restored to health, vigor, and usefulness by a course of Dr. Jas. McClintock's Fever and Ague Specific. Its curative results are certain and invaluable. If the complaint is complicated with Liver Complaint, resort should be had to Dr. McClintock's Anti-Bilious Pills, which never fail to afford relief in Bilious diseases.
