INSURANCE.—Mr Ambrose W. Thompson, No. 10 Wall Street, has been appointed agent in this city of the Farmers and Mechanics' Fire and Marine Insurance Company of Philadelphia. This Company is one of the most respectable in Philadelphia, and has the Hon. Thomas B Florence for its President. It has complied with the law of this State in regard to companies belonging to other States, and has provided an accruing trust Fund of $100,000 with Messrs Duncan, Sherman & Co. Messrs. Busbing & Co. publish a card of thanks in the Philadelphia North American for the prompt manner in which this Company settled its losses on their establishment, thus enabling them to resume business without delay.—*N. Y. Tribune.*

S. ROWLANDS is agent for the above-named Company in Kingston. Office No. 4, Wilson's Buildings, Wellington Street.

Holloway's Ointment and Pills—cure of Piles, after fourteen years' affliction.—Mr M. C., of Montreal, was a martyr to this complaint for 14 years, rendering him an object of misery to himself as well as to his friends; he shunned society lest he should let those around him observe his affliction, and thus he suffered secretly. As he had tried every remedy without sucess, he at last gave upin despair all hopes of recovery; but resolved to give Holloway's Ointment and Pills a last trial, and fortunate it was he did so, for these potent remedies cured him in five weeks. He feels so grateful for the cure effected, that he wishes these facts to be made public for the benefit of similar sufferers.

Dr Jas. McClintock's Whooping Cough Remedy and his Diarrhea Cordial have become the great leading and standard remedies in families, nurseries, and every where they are known. Whooping Cough, Croup, Asthma, &c., and Diarrhea, Cholera Morbus, Cholera Infantum, and Summer Complaints, are immediately relieved and speedly cured by their prompt effects. Are the discoveries of an eminent and scientific man founder of the Philadelphia College of Medicine.

Valuable Household Articles—Dr Jas. McClintock's Alterative Syrup, for purifying the Blood, Eradicating Pimples, Blotches, Scrofula, and all kinds of Taint from the system, thereby nourishing, strengthening, and building it up; also, his Dyspeptic Elixir, the Great remedy for Dyspepsia, Loss of Appetite, Indigestion, and all the diseases that follow these complaints. They are a combination of the virtues of the best remedies the vegetable kingdom affords.

Dr James McClintock's Sucess in treating diseases of the Lungs and Throat, while at the head of the Philadelphia College of Medicine, has given him a world-wide reputation. Cold and Cough Mixture removes every vestige of irritation from the Throat and Lungs in the worst cases of Cold Cough, Catarrh, Influenza, &c., and where these too-often-neglected complaints have become merged in Bronchitis or Consumption, his Pectoral Syrup will save the patient in cases which are usually pronounced hopeless.

Multitudes are now suffering under the debilitating effects of Fever and Ague, who might speedily be restored to health, vigor, and usefulness by a course of Dr. Jas. McClintock's Fever and Ague Specific. Its curative results are certain and invaluable. If the complaint is complicated with Liver Complaint, resort should be had to Dr. McClintock's Anti-Bilious Pills, which never fail to afford relief in Bilious diseases.

POSTPONEMENT OF BATES' TIRAGE AU SORT.—The undersigned, who consented to act as a Committee to superintend the drawing of Tickets in Bates' Tirage au Sort, have concluded to postpone the drawing to the 25th day of JUNE, for the following reasons:—A number of Tickets still remain unsold, and as the Committee are desirous that Mr Bates should have no interest in the drawing, farther than the interest he feels in giving entire satisfaction to Ticket holders; and believing that to postpone the drawing for one month would enable him to dispose of the unsold Tickets, the Committee have decided to postpone the drawing till the 25th day of June, when it will, without fail, take place, whether all the Tickets be sold or otherwise.
