The Value of Economy

Many people fail to save, because they do not realize the importance of small economies.

The practice, once begun, of laying aside a portion of your income, no matter how small, every week or month, will soon become a fixed habit.

The result in a few years will probably surprise, and certainly gratify you.

The infant son of Mr. and Mrs. Wilfred Phillips, Collingwood gravel, had a remarkably narrow escape last week. He fell down the cellar stairs, and when picked up was unconscious. Dr. Ryckman was quickly summoned and the little chap has recovered from the effects.

The box social at the residence of Mr. John C. Milne, Meaford Road, on Wednesday evening of last week was fairly well attended considering the wild nature of the elements, a terrific snow and wind storm raging. A pleasant evening was spent by those who braved the storm. Between $11 and $12 were taken in.

The O. W. I. of the Flesherton branch will be held on Tuesday, Feb. 23, at the home of Mr Robert Best, T. S. R. at 2.30 p. m. Subjects under discussion are:—"Inventions to save work" by Mrs. Geo. Mitchell and Mrs. Wilcox, "Evils of fault finding" by Mrs. Best and Mrs. Clinton. The matrons and young ladies of that neighborhood are specially invited to attend.

Mrs. Price Teeter of the east back line had a rather unpleasant experience on Friday last. While crossing the Saugeen bridge the horse she was driving in some manner stumbled and rolled over the bridge into the river. Some neighbors came to her assistance and got the animal out. The water was probably a couple of feet deep. Mrs. Teeter was not injured, although suffering considerable discomfort by getting somewhat wet.

Mrs. Jos. Blackburn was the recipient on Monday of a generous gift from the Presbyterian Sabbath school as a token of appreciation of her services in connection with the recent successful entertainment given by the school. Mr. Blackburn was also some days ago in like manner remembered by the Ladies' Aid, to whom he has rendered helpful service. Mr. Geo. Cairns made the presentation in behalf of the school and Mrs. W. L. Wright and Mrs. VanDusen in behalf of the Ladies' Aid.

Concentrated sport was dished up in abundance for an hour on Saturday to a fair sized crowd, when a Markdale hockey team met a bunch of Flesherton sports and went to defeat, the score being 12-0. The players were juniors of juniors, but kept the crowd laughing despite the cold. The home team was slightly the heavier and completely out skated, and out shot the visitors; their combination was of a superior nature too. Ab. Dillon the referee, kept the fiery dispositions of the players in check by putting two Flesherton and one Markdale players on the bench for slugging.

Boyds' Millinery Parlors. Belding's silks and linens used exclusively in these classes.

The Baby Was Killed

A very sad and fatal accident occurred on Monday afternoon by which the infant son of Mr. and Mrs. John Brown of the east back line lost its life. The little fellow, who was only one year old, was seated in a carriage playing, when in some manner he fell out on his head, dislocating his neck. When picked up he was unconscious and did not rally. Dr. Carter of Flesherton was absent from home when sent for, and Dr. McWilliams of Dundalk was called by telephone in his stead, but the little one was dead before the doctor arrived. This was Mr. and Mrs. Brown's only child, a bright, strong, healthy little boy of unusual promise. The grief stricken parents have the pity and deep sympathy of their host of neighbors and friends, who would all gladly ease the burden if it were in their power.

Burned to Death in Port Elgin Lockup

Joseph Kelliher met a terrible fate while a prisoner in the Port Elgin lockup Friday night. His body was taken out about 2.30 o'clock Saturday morning, burned so as to be unrecognizable. He had been arrested on a charge of being drunk and disorderly. Flames were seen issuing from the cell window later, but before anyone could reach the unfortunate man he was dead. When taken out there was a handcuff on one wrist. It is presumed that in some manner the mattress on which the prisoner was lying caught fire. It is thought Kelliher smothered to death before his body was found. He was about 25 years of age, and had come to Port Elgin some months ago.

Kelliher had been placed in the lockup about 10 o'clock and apparently everything had been taken from his pockets when searched. Two of his companions, who were loitering around the cells, were the first to see the blaze, but apparently there was some delay in sounding the alarm. The prisoner, who was quite violent at the time of his arrest, had been handcuffed, and the steel band was on his wrist when the body was taken out. The only furnishing of the cell was a mattress, and it is supposed that fire caught on this.

Threatening feverishness with children is quickly and safely calmed by Preventics. These little Candy Cold Cure Tablets should always be at hand—for promptness is all important. Preventics contain no quinine, nothing harsh or sickening. They are indeed, "the stitch in time". Carried in pocket, or purse, Preventics are a genuine safeguard against Colds. 25c Sold by all dealers.

Within the twinkle of an eye, fire destroyed the home and its contents of Mr. Donald Robertson, lot 3, con. 8, St. Vincent on Tuesday afternoon. Mr. and Mrs. Robertson were at the residence of their son on the opposite side of the road when the fire started and although neighbors and friends worked hard, they were unable to save anything, the fire having gained so much headway. It is supposed that the fire originated from the kitchen stove. The loss will be heavy.—Express.

Rheumatism

I have found a tried and tested cure for Rheumatism! Not a remedy that will straighten the distorted limbs of chronic cripples, nor turn bony growths back to flesh again. That is impossible. But I can now surely kill the pains and pangs of this deplorable disease.

In Germany—with a Chemist in the City of Darmstadt—I found the last ingredient with which Dr. Shoop's Rheumatic Remedy was made a perfected, dependable prescription. Without that last ingredient, I successfully treated many, many cases of Rheumatism; but now, at last, it uniformly cures all curable cases of this heretofore much dreaded disease. Those sand-like granular wastes, found in Rheumatic Blood seem to dissolve and pass away under the action of this remedy as freely as does sugar when added to pure water. And then, when dissolved, these poisonous wastes freely pass from the system, and the cause of Rheumatism is gone forever. There is now no real need—no actual excuse to suffer longer without help. We sell, and in confidence recommend

Mrs. Gilliland Dead

Mrs. T. B. Gilliland of Eugenia died rather suddenly on Thursday last. She had been ailing for some time with heart trouble but her immediate death was not anticipated. Mrs. Gilliland was born in Co. Antrim, Ireland, 68 years ago. She came to this country when 14 years of age. Her maiden name was Esther Rainey. In 1867 the deceased lady was married to Thomas B. Gilliland, a surveyor and wellknown in this county where most of his professional life was spent. After living for a few months at Kemptville they settled in Eugenia 38 years ago. Mr. Gilliland died in 1898. Mrs. Gilliland leaves five children, as follows: Mrs. John Hargrave jr., of Collingwood gravel; Mrs. John Stewart, Powassan; Mrs. Thos. Betts, Collingwood gravel; Thomas at home, and Will of Strathcona, Alberta. Mrs. Gilliland was a cousin of Rev. Dr. R. G. Boville, Baptist minister of New York. She was also a member of that church. The funeral took place on Saturday afternoon to Flesherton cemetery, the remains being taken to the Baptist chapel here, where service was held previous to interment.

Does Not Color Hair

Ayer's Hair Vigor, as now made from our new improved formula, does not stain or color the hair even to the slightest degree. Gray hair, white hair, blonde hair is not made a shade darker. But it certainly does stop falling hair. No question about that.

Does not change the color of the hair.

Ayer's — Formula with each bottle. Show it to your doctor. Ask him about it, then do as he says

Indeed, we believe it will stop every case of falling hair unless there is some very unusual complication, something greatly affecting the general health. Then you should consult your physician. Also ask him about the new Ayer's Hair Vigor.

—Made by the J. C. Ayer Co., Lowell, Mass.—
