GEO. P. SCHOLFIELD,
General Manager.

VICINITY CHIPS

Jack O'Brien, whose trial was to come off at Guelph on Wednesday on charges of burglary at Flesherton, Dundalk and Mt. Forest, has pleaded guilty to all the charges.

The infant child of Mr. and Mrs. W. Caesar, died in Toronto last Saturday. The funeral took place to Markdale on Monday. Mr. Caesar was formerly C.P.R. Agent at Ceylon, but is now stationed at Alliston.

W. J. O'Neail, who has had his shingle out here for the past few months as barrister, solicitor, etc., scratched the label off his office window and departed for other fields Monday morning, without leaving any address with us.

We mentioned last week that Mr. Ed. Thompson had gone to Toronto to be operated on for appendicitis. The operation was succefully performed by Dr. Bruce in the general hospital and Mr. Thompson is recovering nicely. During his enforced absence Mr. Harry Davidson, a first-class man from Hanover, is in charge of the bakery.

Stewart, the 5-year-old son of Mr. D. McTavish, met with a painful accident one day last week, while riding on a sleigh. As the sleigh passed through a gateway it slewed and struck the gate post. The little chap had hold of the side of the sleigh, and his hand was caught and crushed very badly, necessitating the amputation of two middle fingers of the right hand--one at the first joint and the other near the end. Fortunately it was near the ends of the fingers, and will not give him any great inconvenience in after life. Dr. Carter attended to the wound.

The editor of this paper has a few Rhode Island Red hens that he feeds as a pastime. Last month a couple of the birds wanted to set and their motherly instincts were attended to, with the result that on Feb. 21st twelve strong chickens kicked themselves into the light of day, and on the 28th eleven more split their environments. The mothers and 23 chickens are all doing well, but the conundrum now is, how to keep them scratching without turning up their toes. It was an unearthly early season for chickens to scramble into this cold world, but so far we have kept them from regretting it.

The following officers of the Presbyterial Guild for the current year were appointed on Tuesday evening: Hon. President, Mr. Little; Pres., Charles Stewart; 1st Vice Pres., Mr. Rydall; 2nd Vice Pres., J. Sloan; Sec., Miss Binnie; Treas., F. Duncan; Organist, Mrs. W. Bentham; Devotional Com.—M. Thistlethwaite, Mrs. Bentham, Mrs. N. Smith, Mrs. Tucker. Flower Com.—Etta LeGard, B. Thistlethwaite, Pearl Radley. Social Com.—Mrs. A. Stewart, Etta Thompson, George Cairns, Lena Duncan.

Dundalk and Bethel Methodists raised last year about $275 for missions.

The council of the village of Teeswater have made a demand on the Huron Ontario Railway Co. for a refund of the money contributed by Teeswater to the original scheme, and they will likely get it. The Company has been re-organized and are applying to the government for a change in the charter, leaving out this part of the country altogether. If we are not to receive any benefit from the new road, we ought to get our money back. The Walkerton Council ought to take similar action. Walkerton has $500 in that project.—Walkerton Telescope.

Still on Top.

About the only sport to be seen this winter in town is that supplied by the juvenile hockey team. Judging by events this winter a good grade of hockey players is evolving in our midst, as the boys have won everything they went after. The kidlets went to Durham on Friday last and engaged with "Shaggy Saunders pets," and of course came out victors, score, 3-1. The Flesherton boys were fooled to a certain extent by the board walls of the rink, being accustomed to open air playing.

The referee, Mr. Begley, kept the game in hand and the frequent penalities showed how well he knew his business, and four players were on the bench at one time. The Durham "pets" are a gentlemanly lot of boys and true sports, a decided contrast to those of other towns we know.

The following is the line up:

Durham		Flesherton
G. Elvidge	goal	E. Jamieson
M. Whitmore	point	W. Wilson
R. Hutton	c. point	F. Sullivan
C. McLaughlin	rover	C. Crossley
M. Saunders	centre	H. Mitchell

Aunt Jerusha's Party

The Ladies' Aid of the Methodist church furnished something entirely new and laughable when they presented "Aunt Jerusha's Quilting party" to a well filled house on Thursday evening.

A short program was given at the start, consisting of a quartette, a duet by Mrs. R. H. Wright and Miss Legate, a solo by Miss Zilla Trimble, and a comic duet by Dr. Murray and Miss Trimble.

Dr. Caldwell was chairman, and in introducing the Quilting Party, made the remark that in England the ladies of to-day are considered to possess a wider intelligence than in the olden times, but he was of the opinion that there was nothing like the good old days, in Canada at any rate.

Aunt Jerusha's social event was one of sustained interest, and abounded in local hits and pleasantries. There was a great deal of time spent in preparation for this affair, with the result that the audience was favored with a glimpse of the old fashioned quilting bee, though of a satirical vein. The ample hospitality, wardrobe and vocabulary were reviewed with telling effect, and when we say that the affair passed off without a hitch we speak volumes. The following is the cast of characters:

Jerusha Dow,..... Mrs. Caldwell.
Hepzibah Spooner (deaf)..... Mrs. Mark Wilson.
Hannah Pike (old maid) fortune teller Mrs. Trimble.
Johanna Hines (widow). Mrs. R. Wright.
Rachel Gray, (quakeress)..... Miss Henderson.
Patience Peabody (old maid)..... Miss K. Bellamy.
Mrs. Simeon Stubbs (gossip)..... Mrs. Bunt.
Drucilla Tompkins (lecturer)..... Mrs. R. Moore.
Charity Cooper (old maid)..... Mrs. W. Boyd.
Mrs. Aaron Pride.....Mrs. Mitchell.
Mrs Deacon Simpkins..... Mrs. Armstrong.
Phcebe Miranda Pride..... Mrs. W. Moore.
John Dow.....Mr. R. Cornfield
Deacon Simpkins .....Mr. Heath
Squire Pride.....Mr. R. Wilcock.
Preacher Lovejoy.....Dr. Murray.

A visible relief was afforded the audience when the opportunity to don overcoats presented—during the singing of the national anthem. Of course no one was so disrespectful as to leave the hall at this period.

The proceeds amounted to about $40, and as the expenses were light the ladies will have a nice little sum to the good.

Fortify now against the Grip—for it comes every season sure! Preventics—the little Candy Cold Cure Tablets—offer in this respect a most certain and dependable safeguard. Preventics, at the "sneeze stage" will, as well, also surely head off all common colds. But promptness is all-important. Keep Preventics in the pocket or purse, for instant use. Box of 48 for 25c. Sold by all dealers.

Nothing in the way of a Cough is quite so annoying as a tickling, teasing, wheezing, bronchial Cough. The quickest relief comes perhaps from a prescription known to Druggists everywhere as Dr. Shoop's Cough Remedy. And besides, it is so thoroughly harmless that mothers give it with perfect safety even to the youngest babes. The tender leaves of a simple mountain shrub, give to Dr. Shoop's Cough Remedy its remarkable curative effect. A few days' test will tell. Sold by all dealers.

On Saturday or Sunday evening, a sneak burglar effected an entrance through an upstairs window, by climbing on a shed in the rear, and forcing his way to the till, in the front shop of the hardware store of J. W. Hartman and Son. He stole about seven dollars in change. The robbery was not known till Monday morning when the till was opened to make change. There is as yet no clue to the perpetrator of the deed.—Thornbury Herald-Reflector.

The ice supply this year, while of good quality is of thin proportions. The ice harvest here has been progressing favorably for the past couple of weeks, and it is about all housed. The grade runs 7 or 8 inches of first class ice.

Direct to Western Canada.

The Canadian Pacific "Winnipeg Express," leaving Toronto at 10.15 p. m. daily, carries through standard and tourist sleeping cars for Winnipeg, the Northwest and Pacific Coast. This is the only direct, through-car service to western Canada, trains run the entire distance through Canadian territory, and the time made is considerably faster than by any other route.

Wm. G. Wilson of Cedarville died last week, aged 47 years.

The question arises, does the accident or the fire insurance policy hold good of the Ottawa man who had the wooden leg burned in a fire the other night.

After jumping the track near Hartland, N. B., an engine rolled over three times and landed in the river. The engineer and fireman went down with the engine, but escaped unhurt

It turns out that Jos. Kelliher, who was burned to death in the lockup at Port Elgin, was a South African Veteran, and that he was making arrangements to go out west to locate on the land, which, as a South African Veteran, he was entitled to. He went to Port Elgin to buy a house and lot for his mother before going west, and after the writings had been drawn thought he would celebrate the event by taking a drink or two. It was that drink that was responsible for his tragic end.

A failing tiny nerve—no larger than the finest silken thread—takes from the heart its impulse, its power, its regularity. The Stomach also has its hidden, or inside nerve. It was Dr. Shoop who first told us it was wrong to drug a weak or failing stomach, heart or kidneys. His prescription—Dr. Shoop's Restorative—is directed straight for the cause of these ailments—these weak and faltering inside nerves. This, no doubt clearly explains why the Restorative has of late grown so rapidly in popularity. Druggists say that those who test the Restorative even for a few days soon become fully convinced of its wonderful merit. Anyway, don't drug the organ. Treating the cause of sickness is the only sensible and successful way. Sold by all dealers.

Speaking at the annual banquet of the Master Printers' and Bookbinders' Association, recently, Mr. Carswell declared that the public school system is not up to the standard in the training of boys for the various callings of life. "They are not turning out the right class of men," proceeded Mr. Carswell, and "they neglect to develop the thinking faculty of the boy. We have had high school boys sent to us highly recommended, but they were not qualified for anything; in fact, the firm that I represent had members of the Bar employed, whom I personally advised to take a night school course, because they could not write properly. The trouble is that the foundation of the boy's training in the schools has not been properly laid. Trying to teach them numerous subjects in a mechanical way is not practical. Teach them fewer subjects thoroughly and the trouble will be remedied."

Gavin Shaw of Keppel while driving into Owen Sound had a collision with a Grand Trunk express train from which he fortunately escaped without personal injury. The horse ran away, the cutter was smashed, and Mr. Shaw was thrown out but not injured. Part of the broken cutter was carried into the depot on the cowcatcher.

Weak Women

To weak and ailing women, there is at least one way to help. But with that way, two treatments, must be combined. One is local, one is constitutional, but both are important, both essential.

Dr. Shoop's Night Cure is the Local.
Dr. Shoop's Restorative, the Constitutional.

The former—Dr. Shoop's Night Cure—is a topical mucous membrane suppository remedy, while Dr. Shoop's Restorative is wholly an internal treatment. The Restorative reaches throughout the entire system, seeking the repair of all nerve, all tissue, and all blood ailments.

The "Night Cure", as its name implies, does its work while you sleep. It soothes sore and inflamed mucous surfaces, heals local weaknesses and discharges, while the Restorative, eases nervous excitement, gives renewed vigor and ambition, builds up wasted tissues, bringing about renewed strength, vigor, and energy. Take Dr. Shoop's Restorative—Tablets or Liquid—as a general tonic to the system. For positive local help, use as well
