CROWN LANDS DEPARTMENT.

Toronto, July 24th, 1856.

THE undermentioned lots which form a part of the Northern and Southern portions of the Island of St. Joseph, Lake Huron, will be offered at Public Auction, at the office of the Commissioner of Crown Lands, in the City of Toronto, on MONDAY, the FIFTEENTH SEPTEMBER next, at the hour of NOON. Upset price two shillings and six pence per acre; one fifth to be paid down at the time of Sale, and remainder by four yearly instalments, with interest on each as it becomes due or the Patents may issue so soon as the purchase money shall be paid up in full.

The map of the Island may be inspected during business hours, up to the day of Sale.

A considerable portion of the Island of St. Joseph is of good quality, well timbered, and the soil adapted for Agricultural purposes, and the waters around it abound with excellent Fisheries.

The Mining regions will afford a favorable market for the surplus Agricultural produce raised upon the Island, which lies in the course of, and possesses stopping places for, the American and Canadian Steamers proceeding to the Sault Ste. Marie,

AGENCY FOR THE SETTLEMENT
OF THE
ADDINGTON ROAD.

July, 1856.

THE undersigned, Agent appointed by His Excellency the Governor General for the Settlement of the Addington Road, in the rear of the Counties of Frontenac and Addington, Upper Canada, hereby gives notice to all persons willing and having the means of locating thereon, that this office is (for the present) at Flint's Mills, in the Township of Kaladar, and which will be open every day in the week, between the hours of Nine and Four o'clock.

One Hundred Acres will be given to any settler eighteen years old, and a subject of Her Majesty, who will present himself provided with a certificate of probity and sobriety, signed by known and respectable persons and having the means of providing for himself until the produce of his land is sufficient to maintain him. The bearer of that certificate shall mention to the Agent (who shall keep a registry thereof) his name, age, country, trade or profession; whether he is married, and if so the name and age of his wife; how many children he has, the name and age of each of them; where he is from, and whether he is the owner of land elsewhere.

The conditions of location are—to take possession within a month, and to put in a state of cultivation at least twelve acres of the land in the course of four years—to build a house (at least 20 by 18 feet) and to reside on the lot until the conditions of settlement are duly performed; after which accomplishment only shall the settler have the right of obtaining a title of property. Families comprising several settlers entitled to lands, preferring to reside on a single lot, will be exempted from the obligation of building and of residence (except upon the lot on which they live) provided that the required clearing of the land be made on each lot. The non-accomplishment of these conditions will cause the immediate loss of the assigned lot of land, which will be sold or given to another.

The Road having been opened by the Government, the settlers are required to keep it in repair.

E. PERRY.
Agent, Addington Road

Notice of Co-Partnership.

WE the undersigned having entered into partnership as Brokers and General Insurance Agents, respectfully solicit the support of our friends and the public, and having made arrangements with leading offices in New York, are enabled to take risks to a large amount.

Summer Complaints,
Cholera, Diarrhœa, Dysentery and Children Teething.

THE CELEBRATED
BALM OF ZANTHOREA.

EAST INDIAN REMEDY—Prepared solely by H. H. Humphrey, Chemist, Ogdensburgh, New York,

Is the only Safe and Sure Remedy for the above Complaints. Safe—Because it contains no Opium, and is entirely free from the poisonous drugs contained in other Medicines, bearing the specious name of "Cholera Mixtures." The Balm of Zanthorea acts like a charm upon the system; is equally safe to children as adults and it does not constipate the bowels after taking it, as do other "Mixtures," which contain opium and other poisonous drugs. Buy a Bottle, and be convinced of its wonderful efficacy.

BUREAU OF AGRICULTURE AND STATISTICS,
Toronto, July 28th, 1856.

HIS EXCELLENCY THE GOVERNOR GENERAL has been pleased to approve of the method of distribution of the LAND IMPROVEMENT FUND, prescribed by the Order in Council herewith published, in the hope that a judicious and economical management thereof may be thereby insured.

A Circular from the Department will be received by the Head of each Municipality, stating the amount at the disposal of such Municipality.

As the best season of the year for making the improvements which will be found as a place is close at hand, it is recommended that preparation for the application of the Money be made as soon as possible.

The Order in Council is as follows:—

It is ordered that the Funds derived from the sales of Lands in each particular Township or other Municipality, and applicable to the purposes of the Fund named under the 14th Section of the Act 16 Vic. Ch. 159, and not already apportioned, be applied to the making, maintaining, altering or improving of the Roads or Bridges in each of those Townships, or other Municipalities, respectively, and be for this purpose distributed and disposed of by and through the Municipal Council of each such Township or other Municipality. Each such Council to report to the Bureau of Agriculture the manner of Expenditure of such Moneys on the FIRST DAY OF JANUARY and JULY, in each year and at any intermediate time within ten days after having been called upon so to do by that Department.
