Charley Ottewell, who has been attending the veterinary college in Toronto, is home for Easter.

A meeting of Centre Grey Dominion Alliance is called for Thursday, April 15, in Marsh's hall, Markdale.

Previous to leaving last week Mr. Heath was presented by the pupils of his room with a writing escritoire.

Mr. Walter Loucks is busily engaged this week remodelling and placing a new front in Mr. Oscar Phillips' residence.

We have had a week of sunshine and mild weather, which has destroyed all sleighing and wheels are again to the fore.

A. Stanley Thurston has taken a situation in a Toronto print shop, where he expects to learn a few wrinkles in the art preservative.

Mr. Samuel Arnott, who died at Wareham last week, was a man of sterling character and well known throughout this district. Several of our villagers attended the funeral.

Since the first of December last, Auctineer D. McPhail has attended 62 auction sales. We fancy this is pretty nearly a record for a similar period of time.

Mr. Ennis of Markdale occupied the Methodist pulpit Sunday morning. Mr. Ennis is an interesting speaker and is always istened to with pleasure here. At the evening service Mr. Harness conducted the service.

For the first time since Christmas there was no shipment of stock from here this week. This was on account of bad roads. The buyers say, however, that there is very little stock in the country suitable for shipping.

The dailies on Monday announced the death of Arthur Farewell in Toronto at the age of 38 years. Mr. Farewell was a son of Jerome Farewell, at one time publisher of the Thornbury Union Standard. The deceased has been engaged as an advertising agent in Toronto.

The following names were inadvertently omitted from the Dominion Day committee as published last week: D. McTavish, W. W. Trimble, Andrew Wilson and W. Bentham. The committee is a strong one, numbering eighteen, and should succeed in providing a great day of sports.

Mrs. T. Blakeley received a telegram on Friday last announcing the death of her nephew, Mr. George Moorehouse, jr., of typhoid. Mrs. Blakeley went to Toronto on Saturday to attend the funeral. George was a young man about 28 years of age, and had many acquaintances here, where he was born, who are extremely sorry to hear of the sad event.

Prospects look bright for a large continuation class here after Easter. A number of applications for accommodation have been received from residents of sections that failed to enter the confederation at the time of organization Of course these cannot be entertained at the present time until it is seen what the accommodation will be. Mr. Marcellus, the new principal, will be here to begin work on March 19.

Mr. Davison, the new proprietor of the Park House, will give a banquet tomorrow (Friday evening) when a number of guests from outside points will be present and an evening consisting of a big "feast of reason and flow of soul" is expected, as well as oysters. The house will hold a lot of people and it is hoped its capacity will be strained. The tickets are 75 cents.

Mr. Harry Thistlethwaite left yesterday for Gow Ganda.

That the people of Flesherton and vicinity still take a keen interest in their agricultural society has been proven during the past week. Mr. McTavish has been circulating a subscription list and has succeeded in securing donations to the extent of over $100, with another $25 in prospect. This will be a material advantage in placing the society on a sound financial basis and will insure good prizes for the spring show.

Undertaker Bunt was called on Friday to bury two infant children of Mr. James Harbottle of the third line, Euphrasia. The children had eaten some cheese which induced enteritis, from which they died within a few hours of each other. Mrs. Harbottle was also ill from the same cause but has recovered. The youngest child was one year and seven months of age and the other three years and two months.

Dr E. C. Campbell of Shelburne, D.D. G. M., paid Prince Arthur Lodge, A. F. & A. M., an official visit on Friday evening last. The first degree was exemplified and the D. D. G. M. expressed himself as well pleased with the work of the officers. Short addresses were given by the D. D. G. M., W. Bro. Scott of Toronto, and others, after which the lodge was closed and all repaired to the dining room, where a magnificent feast, prepared by the ladies, was partaken of and the usual toast proposed and drank. The ladies were particularly complimented and thanked for their splendid spread.

Spring Show.

The directors of East Grey fall fair have decided to go extensively into a spring stallion show this year. The date is Thursday, April 22, and prizes of $6, $4 and $2 will be offered in all classes. The directors say they are making special effort to make this the best spring stallion show ever held in the county, and have engaged government judges for the work of awarding prizes. The aggregate of cash prizes offered will we believe, amount to over $125 and ought to draw a large exhibit of horse flesh. Bills will be issued in a few days giving full particulars.

Welton---Munshaw.

A very pretty wedding was solemnized at the residence of the bride's father, Flesherton, on Tuesday afternoon by Rev. G. C. Little, when Miss Minnie Maud, eldest daughter of Mr. Aaron Munshaw, was united in wedlock to Mr. Geo. Byron Welton of Mt. Forest. The bride was given away by her father and was unattended. Her bridal dress was an empire gown of white crepe de paris over white chiffon taffeta, trimmed with embroidered net and duchess satin and Irish point lace. She carried a shower bouquet of white roses and lily of the valley. Mr. J. Dundas of Markdale played the Wedding March as the bridal couple entered the parlor, which was prettily decorated with tulips, house plants and asparagus fern. The ceremony was semi private, only about 24 near relatives of the bride attending. After the ceremony the party adjourned to the dining room which was also handsomely decorated with daffodils and asparagus fern, and where a choice wedding dinner was partaken of, enlivened by the strains of the band which was on hand with a number of selections. The presents were numerous and costly, prominent among which was a new Heintzman piano, presented to the bride by her father The groom's gift to the bride was a costly sunburst of pearls, and to Mr. Dundas a silk umbrella. The happy and popular young couple left by the 4.30 train amid showers of confetti for Toronto, Welland and Buffalo and will later reside in Toronto. The bride was one of our most highly esteemed young ladies and she and her good husband have the hearty good wishes of a large circle of friends for their future happiness and prosperity. Among the guests from out of town who attended the wedding were: Mrs. Welton of Mt. Forest, mother of the groom; Mr. and Mrs. P. Munshaw and Mrs. Win. Large, Eugenia; Messrs. Laurie Munshaw, W Hill and J. Dundas, Markdale; and Mr. and Mrs. E G. Bingham of Shelburne

Object to Strong Medicines.

Many people object to taking the strong medicines usually prescribed by physicians for rheumatism. There is no need of internal treatment in any case of muscular or chronic rheumatism, and more than nine out of every ten cases of the disease are of one or the other of these varieties. When there is no fever and little, if any swelling, you may know that it is only necessary to apply Chamberlain's Liniment freely to get quick relief. Try it. You are certain to be pleased with the quick relief which it affords. Price, 25 cents; large size, 50 cents. For sale by W. E. Richardson.

Assistance in Underdrainage.

The following dealing with the methods of surveying for drainage is sent in from the Department of Physics, Ontario Agricultural College, Guelph.

Underdrainage will pay for itself in from one to three years. Perhaps no example in Ontario demonstrates this more conclusively than the drainage of "the Rittenhouse farm" at Jordan Harbor, in the Niagara Peninsula. Originally it was very wet, so much so indeed that often the crops were scarcely worth cutting. In 1906 Mr. M. F Rittenhouse of Chicago gave it to the Government for an horticultural experiment farm. In 1907 it was drained, the lines of tile being laid about four and a half rods apart. In many places the subsoil was very, very heavy, so that the digging was hard and the cost high, about $25 an acre. In 1908 on the part that was formerly the wettest it grew 65 bushels of oats to the acre, hereby practically paying for the drainage in one season: for, the year previous the oats on the same land were not worth cutting.

The Rittenhouse farm was surveyed and the drainage system planned by the Department of Physics at the Ontario Agricultural College. Any farmer in Ontario who is contemplating underdrainage may on application have his farm surveyed, the drains planned, and the grades determined. A finished map containing this information and also the size of tile advisable is sent to the owner as soon as completed. The only outlay connected with the survey is the travelling expenses of one man from Guelph to the farm, consisting of railway fare, meals and cartage of instruments. The railway fare is only a cent a mile each way for this work.

At the conclusion of each survey a drainage demonstration is held in the field, and simple practical methods of surveying a drain, determining its grade and securing a true bottom are demonstrated, and the benefits of drainage discussed.

Anyone desiring a survey and plan should apply to Prof. Wm. H. Day, Department of Physics, O. A. C. Guelph. A large number of applicants are already in for this season.

Adam Harper of East Luther Township, was taken to the county jail as a dangerous lunatic. He had written a sick girl nearly one hundred letters, although she never spoke to him in her life, being an invalid confined to her bed. Lately, being denied admission to the house, he has threatened to shoot the girl's father and all her relatives.

The old fashioned way of dosing a weak stomach, or stimulating the Heart or Kidneys is all wrong. Dr. Shoop first pointed out this error. This is why his prescription—Dr. Shoop's Restorative—is directed entirely to the cause of these ailments, the weak inside or controlling nerves. It isn't so difficult, says Dr. Shoop, to strengthen a weak Stomach, Heart, or Kidneys, if one goes at it correctly. Each inside organ has its controlling or inside nerve. When these nerves fail, then these organs must surely falter. These vital truths are leading druggists everywhere to dispense and recommend Dr. Shoop's Restorative. Test it a few days, and see! Improvement will surely follow. Sold by all dealers.

Weak Kidneys

Weak Kidneys, surely point to weak kidney Nerves. The Kidneys, like the Heart, and the Stomach, find their weakness, not in the organ itself, but in the nerves that control and guide and strengthen them. Dr. Shoop's Restorative is a medicine specifically prepared to reach these controlling nerves. To doctor the Kidneys alone, is futile. It is a waste of time, and of money as well.

If your back aches or is weak, if the urine scalds, or is dark and strong, if you have symptoms of Brights or other distressing or dangerous kidney disease, try Dr. Shoop's Restorative a month—Tablets or Liquid—and see what it can and will do for you. Druggist recommend and sell
