Book Agents Wanted.

BY the largest Book Establishment in the United States, which is exclusively devoted to supplying agents and Canvassers.

The undersigned wish to call the attention of Book Agents, and all who are interested in the sale of Books in any way, to their list of publications, comprising the most valuable and best works now in the market.

Our wholesale prices are so low that a successful agent can readily realize a small fortune. The Great West is teeming with population and wealth, and is but ill supplied with books of a standard character. A fair opportunity is therefore offered to make money and do good at the same time. Please open a correspondence with us, and we shall take pleasure in forwarding to your address, our General Circular of Books, terms, and full information relative to the business.

PROFESSOR WOODS HAIR RESTORATIVE, is, no doubt, the most wonderful discovery of the age of progress. It will restore, permanently, gray hair to its original color, cover the head of the bald with a most luxuriant growth, remove dandruff, all scurf and itching, cures all scrofulous and cutaneous complaints, such as tetter, ringworm, scald head, &c. It will cure acute pain in the head, neuralgic pains, pain in the back, and pain in the joints, and the hair from falling out, by one application.

Testimonials from a distinguished member of the medical profession:

St. Paul, January 1, 1856.

Prof. Wm. O. J. Woods—

Dear Sir: Impelled by a long duty, and prompted by the high recommendations and good character of the bearer, I send you this certificate. Being bald for a long time, and having used the hair restoratives and other nostrums without any effect, I applied to you for a bottle of your Hair Restorative, and have the satisfaction to say that it has proved to me a perfect restorer of the hair, which is growing in very fast, and that in the space of a few days. I feel no more fear or worry, which affect the hair so much
