LIVER COMPLAINT.—Mr James Alderton, of Three Rivers, was for 18 years afflicted with a disordered liver, nausea, and a foul stomach, in addition to these distressing complaints, he was visited by frequent bilious attacks, rendering him entirely unfit for business; he was told nothing in the world would thoughly cure him although he had spent a complete fortune in medicine and advice. At last, he was recommended to try Holloway's Pills, which he commenced using,—gradually the worst symptoms of his disorder disappeared, and after eight weeks steady adherence to the directions of Professor Holloway, he was entirely cured, and admits that he never before throughout his life enjoyed such good health as he does at present.

SAML. SWAN & Co., Managers.

PRIZES amounting to $204,000 will be distributed according to the following original scheme.

1 Prize of $40,000 is $40,000, 1 of 12,000 is 12,000, 1 of 5,000 is 5,000; 1 of 2000 is 2,000, 1 of 1,000, is 1000; 1 of 1000 is 1000, 1 of 500 are 2,000, 100 of 100 are 10,000, 100 of 70 are 7,000.

APPROXIMATION PRIZES

4 Prizes of $150 approximating to $40,000 prize, are $600, 4 of 125 approximating 12,000 are 500; 4 of 100 approximating to 5,000 are 400, 4 of 75 approximating to 2,000 are 300, 8 of 50 approximating to 1000 Prizes are 400, 40 of 45 approximating to 200 are 1,800; 3,000 of 40 are 120,000.—3,280 Prizes amounting to $204,000

Whole Tickets $10, Halves $5, Quarters $2½.

PLAN OF THE LOTTERY.

The numbers from 1 to 30,000 corresponding with those on the Tickets, printed on separate strips of paper, are encircled with small tin tubes, and placed in one Wheel.

The first 216 Prizes, summarily printed and encircled, are placed in another wheel.

The wheels are then revolved, and a number is drawn from the wheel of Numbers, and at the same time a prize is drawn from the other wheel. The number and Prize drawn out are opened and exhibited to the audience, and registered by the Commissioner, the prize being placed against the number drawn. This operation is repeated until all the Prizes are drawn out.

Approximation Prizes.—The two preceding and the two succeeding numbers to those drawing the first 16 Prizes, will be entitled to the 64 Approximation Prizes, according to the Scheme.

3,000 Prizes of $40 will be determined by the last figure of the number which draws the $40,000 Prize. For example—if the number drawing the $40,000 Prize ends with No. 1, then all the tickets where the number ends in 1, will be entitled to $40. If the number ends with No. 2, then all the tickets where the number ends in 2, will be entitled to $40, and so on.

INDUCEMENTS TO CLUBS.

As in this scheme, one Ticket in every ten is guaranteed to draw $40, we will sell Certificates of Packages, of 10 Tickets (consecutive numbers) at the following rates, which is the risk of them.

All that they draw over the amount guaranteed accrues to the purchaser.

Certificate of	10 Whole Tickets,	$60
"	10 Half Tickets	30
"	10 Quarter "	15

It will be perceived by this plan, that for $60 the purchaser has a Certificate of 10 tickets, whereas if he purchased he would only get for that sum 6 Wholes; thus by buying Certificates he has four more chances for the large Prizes. Halves and Quarter Packages in proportion.

In ordering Tickets, or Certificates, enclose the money to our address for the Tickets ordered, and receive them which they will be forwarded by return mail.

The List of Drawn Numbers and Prizes will be sent to purchasers immediately after the drawing.

Purchasers will write very legibly their name and post office, County and State.

Remember that every Prize is drawn and paid in full, without deduction.

All Prizes of $1,000 and under, paid immediately after the drawing; other prizes are due at the expiration of 30 days, in full without deduction.

All business entrusted to us strictly confidential.

Prize Lists forwarded on application.

Orders for Tickets, can be addressed either to

S. SWAN & Co., Atlanta, Ga
or S. Swan Montgomery, Ala.
