LIFE INSURANCE.—The British Commercial Life Insurance Company of London, established in 1820, capital and assets over one million sterling, affords the highest security to persons desirous of insuring their lives. Bankers, Glyn Halifax, Mills & Co. Proposals for Assurance in the above-named Company received and all information given by S. Rowlands, No. 4 Wilson's Buildings.

RESTORATIVE FOR THE HAIR.—The age in which we live is truly one of research and discovery and to Professor Wood the present and succeeding generations are indebted for one of the most valuable remedies produced for the restoration of the hair. Many persons while young in years begin to lose their hair, and soon turn grey, but by the use of this truly wonderful preparation, its tendency to fall off is arrested, or restored to its original color, and it is rendered soft and glossy in appearance. Remember this is not a dye. We hear it highly spoken of.—[Quincy (Illinois) Patroil, Nov, 3. 1853.

DIED.

At Kingston, on the morning of Friday, the 28th instant, in the 71st year of her age, Mrs Ann Ellice Stuart.

The funeral will take place on Monday, the 1st December, at 10 o'clock, A. M., from the residence of the Archdeacon, in Gore street, to the place of interment.

Mrs Stuart was born at Portland, in the State of Maine, and was the last surviving descendant of her family, and a member of St. George's Congregation in this city for the period of fifty years.

Piety and Benevolence were the dominant traits in her character. The profession of religion, in its formal character, and without devotional and filial reverence of the Almighty, and active benevolence, did not constitute the sacred sense she entertained of religious obligation and responsibility. Love to God and man, comprehended in what is understood of charity, was the motive to action by which she was actuated and governed in her intercourse with society.

She lived respected and beloved by her relatives, friends and aquaintance. Her cotemporaries who survive her will cherish the memory of the Christian graces and virtues that endeared her to them, and will be sustained in their grief by submission to the Divine will, and the promises in the Gospel of the joyful resurrection of the just from their graves—when "this corruptible shall put on incorruption, and this mortal, immortality."

Money! Money! Money!

WHY BE WITHOUT MONEY? when it is just as easy for any one to be around with a pocket full as not, if they only think so. I have got a new article, from which from five to twenty dollars a day can be made either by male or female. It is highly respectable business, and an article which is wanted in every family in the United States. Enclose me two dollars by mail, at my risk, and I will forward by return mail a Circular, with full instructions in the art. The business is very easy. Try it, if you are out of employment, and you will never regret it; for it will be better for you to pay the above sum, and insure a good business, than to pay twenty-five cents for a spurious advertisement. This is no humbug. Try it! Try it! Try it! Address your letters to

DWIGHT MONROE, New York.

I sent one of my Circulars to an Editor in Georgia, and he gave it a commendatory puff like the following:

"Mr Monroe sent me on his Circular, and I will just say to my readers that any one of you are out of employment for Mr Monroe's business is a good business, and money can be made out of it by any one who engages in it, for it is no humbug."

IMPORTANT TO DAGUERREOTYPISTS MARBLE DEALERS AND OTHERS.

Monumental Daguerreotype Cases.

A METHOD has lately been brought to my notice of preserving Daguerreotype Likenesses to Heads of families and Monuments. I have been testing some specimen Cases for the last two years, and can warrant the moisture from the picture for a long stand of years.

The outside case, is made of Parian Marble and the box which encloses the picture and keeps it in a state of great preservation for a long number of years, is made of buhas wood box. It makes a very neat photo Head Stone or Monument. They are used in Greenwood Cemetery, Mount Auburn, Laurel Hill and many other Cemeteries in the United States.

A liberal discount made to Marble Dealers and Daguerreotypists. Price from $2 each to $9.50. A circular of engravings will be sent to any address, free, with price list. Address
