It is with feelings of sincere sympathy for his bereaved friends that we report the untimely death of Wm. Jas. Beatty, who departed this life on Wednesday, June 2, at 11.30 a.m. and was interred at the Meaford Road cemetery on the following Friday afternoon. About ten days previous to his decease he was prostrated with a severe attack of pleuro-pneumonia. He was attended by Dr. Dixon of Priceville and a trained nurse, Miss Lloyd of Durham, who were aided by the kind assistance of a loving sister and mother. When first taken down he went to D. D. McLauchlan's hotel at Ceylon, where every possible attention was given him by kind friends. Mr. Beatty was a young man highly respected by all who knew him, and was also a worthy member of the Orange lodge here The funeral services were conducted by Rev. Dr. Caldwell, assisted by Rev. L. F. Kipp, B.A., under the auspices of the Orangemen. He was born in the township of Artemesia, and was 35 years of age at his death. When quite young he went to reside with Mr. Geo. Patterson and remained with him until the old gentleman died. Mr. Patterson bequeathed all his property, including his fine 100-acre farm, to his young friend, which speaks well for the faithfulness and industry of the young man.

Swinton Park.

Well Mr. Editor, if you have never taken a drive through this part of the country, we think it would be profitable for you to do so, during the beautiful month of June. All doubts and fears of the spring are now vanished, when we look on the fields which are getting covered by the rapid growth of the past couple of weeks, so that the sower who sows in full faith, a reaping time of plenty shall be his reward. The woods are clothed with beautiful foliage, the fruit trees are loaded with blossoms and there is hopes of an abundant supply of fruit.

The country is the place to live in and bring up a family. There is very littl bad language heard from the children in this community, which we are very glad to be able to report.

For a Sprained Ankle.

As usually treated, a sprained ankle will disable the injured person for a month or more, but by applying Chamberlain's Liniment and observing the directions with each bottle faithfully, a cure may be effected in many cases in less than one week's time. This liniment is a most remarkable preparation. Try it for a sprain or bruise, or when laid up with chronic or muscular rheumatism, and you are certain to be delighted with the prompt relief which it affords. For sale by W. E. Richardson.

Hon. I. B. Lucas Now.

Sir James Whitney strengthen d the provincial cabinet last week by calling I. B. Lucas, K. C., member for Centre Grey, to the council board to act as minister without portfolio in place of the late Dr. Willoughby.

This invitation came somewhat as a surprise to Hon Mr. Lucas, as he may now be styled, the oath of allegiance and the oath as member of the executive council having been administered by the heutenant-governor, but for some time his name has been associated with those mentioned for cabinet honors.

Since 1898, when Mr. Lucas first entered the legislature, he has grown steadily in favor of his colleagues, until he occupied a front seat among the supporters of the government. On the death of Henry Carscallen, Mr. Lucas was made chairman of the private bills committee, which position he has filled with distinction for the past three sessions. In addition, the member for Centre Grey is a forcible and pleasing speaker.

Meanwhile, no particular branch of the government will be assigned to the new minister, and he will be left to initiate such legislative reforms as may be desirable, although the resolution introduced last session for provincial ownership of trunk telephone lines to connect with municipal or rural systems is a probable forecast of his legislative tendencies.

Hon. Mr. Lucas is a native of Lambton County, and is associated in Toronto with the legal firm of Mills, Raney, Hales and Colquhoun. No by-election will be necessary as the new minister sits without portfolio.

Mr. Lucas was born in Warwick Township, Lambton County, in 1865. He was educated at Strathroy Collegiate Institute nd matriculated from there to Toronto University. His political career began in 1898, when he was elected to the Legislature. In 1902 he was returned by acclamation; re-elected in 1905, and last June chosen for the fourth time by a majority of 1,015, obtaining 2,253 votes to his opponent's 1,238.

For the past three sessions Mr. Lucas has been chairman of the Private Bills Committee, where he has achieved a reputation for courtesy, and firmness, combined with a curiosity to know the ins and outs of the measures that come before this important committee. Mr. Lucas is also a member of the special committee which will meet next fall to revise the Assessment Act. He has also acted as Deputy Speaker of the Honse.

Reception to the New Minister

The new member of the cabinet was tendered a reception by his home town on Monday evening, when Marsh's hall was packed to the doors with representatives from all parts of the riding. A torch-light procession started from the station on arrival of the night train, headed by Markdale and Flesherton bands, and a large number of carriages, and marched to Marsh's hall, where Reeve W. A. McFarland presented the address and acted in the capacity of chairman. Among those on the platform were Dr. Pyne, Mr. Donohue, the member for Brockville; Dr. Sproule, C. W. Hartman, C. Raymond, W. H. Dyre, and M. K. Richardson. The important speakers were the member for East Grey, Dr. Pyne and Mr. O'Donohue. The gathering was of a non-political nature, a pleasing feature being the presence of so many prominent Reformers of the riding who make it a point to do honor to the new cabinet member. The meeting adjourned about 11 o'clock.

A little forethought may save you no end of trouble. Anyone who makes it a rule to keep Chamberlain's Colic, Cholera and Diarrhoea Remedy at hand knows it to be a fact. For sale by W. E. Richardson.

Rev. A. P. Stanley chose as his text the fourth verse of the 23rd psalm: "Though I walk through the valley of the shadow of death, I fear no evil, for thou art with me, thy rod and thy staff they comfort me." Mrs. Coulthard was born in Trafalgar township 70 years ago, and was a descendent of the U. E. L. She was married to Mr. Coulthard in 1864 and, with her husband, came to Osprey and settled near Feversham 34 years ago. Besides the sorrowing husband, six children are left to mourn the loss of a kind mother. The sympathy of the whole neighborhood is extended to Mr. Coulthard and the bereaved family.

Born in Iowa.

Our family were all born and raised in Iowa, and have used Chamberlain's Colic, Cholera and Diarrhoea Remedy, made at Des Moines, for years. We know how good it is from long experience in the use of it. In fact, when in El Paso, Texas, the writer's life was saved by the prompt use of this remedy. We are now engaged in the mercantile business at Narcoossee, Fla., and have introduced the remedy here. It has proven very successful and is constantly growing in favor.—Ennis Bros. This remedy is for sale by W. E. Richardson.
