An especially sad feature of the death of the late Mrs. Bert Armstrong of Meaford is the fact that she leaves a helpless babe only five days old. Mrs. Armstrong was a gentle christian character whom to know was to love.

An evangelistic band of five young men, all singers, from Woodstock college, will open a series of meetings in the Baptist chapel next week. Fuller announcements will be given from the pulpit and through the press.

Kimberley C. O. F. and W. I. will give a grand combined picnic at that place on Friday, June 18. A splendid list of sports has been arranged and Markdale band will be present. Tea served from 4 to 6 o'clock. See large bills for full particulars.

Rev. S. S. Bates, D D., preached in the Baptist chapel on Sunday morning from the words, "Wot ye not that I must be about my father's business?" The sermon was a plea for funds for the Baptist educational institutions in Woodstock and Toronto, and was a masterful effort along that line. The Dr. is a pleasing and effective speaker, earnest in his appeal, a deep thinker, and retained the keen interest of his hearers to the end. We believe he is one of the strongest men in the church to which he is attached, although the feeling existed that the subject assigned to him did not draw out the best that he is capable of in the way of Gospel exposition.

It appears that potatoes are plentiful in this part of the country. The price paid was 75 cents, but the market is on a downward grade and the price now is 70 cents.

Inspector Campbell interviewed the school here on Wednesday last and found things moving along smoothly. We have not seen his report, but understoon from him that he would recommend among other things that an hour and a half be allowed for noon as it is in most other schools. Mr. Campbell says experience proves that results are just as satisfactory when the extra half hour is given. He was pleased with the prospects in the rural high school department. Mr. Campbell had recently been under the weather with a severe cold, but when here was his own cheerful self again.

Mr. Frank Tate, who sold his business here some time ago to Mr. Dron of West Toronto, left here on Friday, to assume the management of R. J. Sproule's flour, feed and grocery store in Flesherton. Mr. Tate is an excellent business man, and we congratulate Mr. Sproule on securing such an able manager for his store. He had become very popular here and will be greatly missed. He proved himself a good citizen and a worthy gentleman, and will long be remembered for his sterling qualities of character. The Methodist choir will lose one of its faithful bassos. We regret his leaving but wish him ruccess in his new situation, and trust that Mrs. Tate's health will soon be so improved that she may long enjoy with her husband health and happiness — Drayton Advocate.

It makes us tired. That is the expression. People in this village who never think of handing in a personal or other item for publication feel sore because such items as come under their observation do not appear. How can we help it? Some of these people, too, are ready and willing to run with news to correspondents of other papers, but never dream of handing in items to their own home paper which should have first consideration. As we said before, such thoughtlessness, or indifference or carelessness, is calculated to make one tired. We want all the news items going, personals and otherwise. A newspaper is no respector of persons and if a newsitem does not appear it is because the news-gatherer has not been told of it. We do not print local news second-hand, however—remember that point. We want it when it is hot news or not at all.

A young man named W. J. Beattie, aged 35 years, died on Thursday morning last at McLaughlin's hotel, Ceylon, of pneumonia. Mr. Beattie was the owner of a farm on Stone's line which he had rented, while he worked on the railway under Mr. Johnston Woods. While at his work he was taken ill but tried to fight it off but continued to grow worse and was taken to McLaughlin's hotel, where everything possible was done to save his life by obtaining the services of a physician and trained nurse, but unsuccessfully. The young man was of a quiet, retiring nature and was highly thought of. The funeral on Friday afternoon to Meaford Road cemetery was very largely attended. His mother, Mrs. James Beattie, and his sister, Mrs. James Moore, of Sturgeon Falls, were present, and with these much sympathy is expressed by all who knew the sterling qualities of the young man so suddenly stricken down in the prime of life. Mr. Beattie was unmarried.

The ladies of the Presbyterian church held a very successful garden party on the show grounds Tuesday evening when something over $35 was realized. The chief attraction was a baseball match between Markdale and Flesherton clubs in which Markdale succeeded in winning the cup by a score of 27 to 9. Several of Flesherton's best players, however, were absent. Supper was served in the agricultural hall. The band gave great satisfaction with a large number of selections excellently rendered. Ice cream was served on the grounds.

No Need Suffering from Rheumatism.

It is a mistake to allow anyone to suffer from rheumatism, as the pain can always be relieved, and in most cases a cure effected by applying Chamberlain's Liniment. The relief from pain which it affords is alone worth many times its cost. It make sleep and rest possible. Even in cases of long standing this liniment should be used on account of the relief which it affords. Do not be discouraged until you have given it a trial. Many sufferers have been surprised and delighted with its pain-relieving qualities. 25 and 50 cent sizes for sale by W. E. Richardson.

The new township stone crusher is giving good satisfaction. It was set in operation Thursday morning last on W. Boyd's lot in the suburbs at some large stone piles, and is found to be a good chewer of hard heads, and limestones are like porridge to a Scotchman—it digests them expeditiously and even cheerfully under the gentle persuasion of Ed. Best's fine traction engine. The cost of running the machine is about $25 per day, not counting the drawing of stone, this item being eliminated owing to the fact that the machine is set by the stone pile. Just what amount of road can be laid in a day had not been tested at time of writing this item, but we judge that twenty rods can be laid with everything working just right.

If you would have a safe yet certain Cough Remedy in the home, try Dr. Shoop's—at least once. It is thoroughly unlike any other Cough preparation. Its taste will be entirely new to you—unless it is already your favorite Cough Remedy. No opium, Chloroform, or any other stupifying ingredients are used. The tender leaves of a harmless, lung-healing mountainous shrub, give to Dr. Shoop's Cough Remedy its wonderful curative properties. It is truly a most certain and trustworthy prescription. Sold by all dealers.
