LITTLE GIANT.
Corn and Cob, Pea and Oat Mill!
THIS MILL combines, in a remarkable manner, SIMPLICITY and POWER and may be adjusted and put into operation by any person, (no matter how ignorant he may be of machinery); while its efficiency, as a
Corn and Cob Crusher,
surpasses anything of the kind in existence, and fully warrants the unique appellation of the "Little Giant."
This crusher is adapted not only to the grinding of Ear Corn for feed, but also to the cracking of Corn, Peas, and Oats, together; in which it is unrivalled.
The economy of grinding up cobs with corn, is hardly now an open question. Full experiments have been made, and the results frequently published. It is not pretended that the cobs are rich in the element of nutrition, compared with the grain, but they have been found to yield spirit or distillation, a proof that they are far from valueless, and also answer admirably the purpose of promoting the necessary distention of the stomach, and promoting digestion.
The "Little Giant" is of two sizes, costing respectively $40 and $60. It will turn out, according to size, from ten to twenty bushels an hour and do its work most thoroughly and satisfactorily!
These Mills are to be had in all the principal Towns in Canada.

THE LIVER
INVIGORATOR!
PREPARED BY DR. ANGUS.
Compounded entirely from Gums,
IS one of the best Purgative and Liver Medicines now before the public, that acts as Cathartic, easier, milder, and more effectual than any other medicine known. It is not only a Cathartic, but a Liver remedy, acting first on the Liver to eject its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most Cathartics. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.
The Liver is one of the principal regulators of the human body, and when it performs its functions well the powers of the system are fully developed, and the mind is almost entirely dependent on the healthy action of the Liver for the proper performance of its functions. When the stomach is at fault, the bowels are at fault, and the whole system suffers in consequence; the Liver—having ceased to do its duty, that organ, one of the healthiest in its study, in a practice of more than twenty years to find some remedy wherewith to counteract the many derangements to which it is liable.
To prove that this remedy is at last found in any per on troubled with Liver Complaint but to try a bottle, and in any of its forms, has conviction is certain.
These Gums remove all morbid or bad matter from the system, supplying in their place a healthy flow of bile, invigorating the stomach, causing food to digest well, purifying the blood, giving tone and health to the whole machinery, removing the cause of the disease—effecting a radical cure.
Bilious attacks are cured, and, what is better, prevented, by the occasional use of the Liver Invigorator.
One dose after eating is sufficient to relieve the stomach and prevent the food from rising and souring.
One dose taken before retiring prevents nightmare.
One dose taken at night loosens the bowels gently, and cures costiveness.
One dose taken after each meal will cure Dyspepsia.
☞ One dose of two teaspoonfuls will always relieve Sick-Headache.
One bottle taken removes the cause of female obstruction or retention.
One dose taken immediately relieves Cholic.
One dose often repeated is a sure cure for Cholera Morbus, & a preventative of Cholera.
One dose taken at the commencement of bilious fevers will prevent the attacks, which it relieves.
☞ Only one bottle is needed to throw out of the system the effects of medicine of a long standing.
One bottle taken for Jaundice removes all yellowness or uncatural color from the skin.
One dose taken a short time before eating gives vigor to the appetite and makes food digest well.
One dose often repeated cures Chronic Diarrhœa in its worst form, while summer and bowel complaints yield almost to the first dose.
One or two doses cures attacks caused by worms, in children, there is no surer, safer, or speedier remedy in the world, as it never fails.
☞ A few bottles cures Dropsy by exciting the absorbents.
We take pleasure in recommending this medicine as a powerful tonic for Fever, and Ague, Chill Fever, and all Fevers of Bilious Type. It operates with a certainty, and thousands are willing to testify to its wonderful virtues.
All who ask it are giving their unanimous testimony in its favor.
☞ Mix Water in the mouth with the Invigorator, and swallow both together.
THE LIVER INVIGORATOR
is a Scientific Medical Discovery, and is daily working cures, almost too great to believe. It cures as if by magic, even the first dose giving benefit, and seldom more than one bottle is required to cure any kind of Liver Complaint, from the worst Jaundice or Dyspepsia to a common Headache, of all which are the result of a Diseased Liver.

Dover, N.H., Feb 2, 1857.
PROF. O. J. WOOD & Co.—Gents: Within a few days we have received so many orders and calls for Prof. O. J. Wood's Hair Restorative that we day we were compelled to send to Boston for a quantity, (the 6 dozen you forwarded all being sold), while we might order a quantity from you. Every bottle we have sold seems to have produced three or four new customers, and the approbation, and patronage it receives from the most substantial and worthy citizens of our vicinity, fully convinces us that it is a most VALUABLE PREPARATION.
Send us as soon as may be one gross of $1 size; and one dozen $2 size; and be love us yours very respectually,
[Signed] DANIEL LATHORP & Co.
Hickory Grove, St Charles Co., Mo., Nov. 19, 1856.
PROF. O. J. WOOD—Dear Sir: Some time last summer we were induced to use some of your Hair Restorative, and its effects were so wonderful, we feel it our duty to you and the afflicted to report it.
Our little son's head for some time had been perfectly covered with sores, and some called it scald head. The hair almost entirely came off in consequence, when a friend, seeing his sufferings, advised us to use your Restorative; we did so with little hope of success, but to our surprise, and that of all our friends, a very few applications removed the disease entirely, and a new and luxuriant crop of hair soon started out, and we can now say that our boy, has as healthy a scalp, and as luxuriant a crop of hair as any other child. We can therefore, and do hereby recommend your Restorative, as a perfect remedy for all disease of the scalp and hair. We are, yours respectfully,
GEORGE W. HIGGINBOTHAM,
SARAH A. HIGGINBOTHAM.
Gardiner, Maine, June 22, 1855.
PROF. O. J. WOOD—Dear Sir: I have used two bottles of Professor Wood's Hair Restorative, and can truly say it is the greatest discovery of the age for restoring and changing the Hair. Before using it I was a man of seventy. My hair has now attained its original color. You can recommend it to the world without the least fear, as my case was one of the worst kind.
Yours Respectfully,
