saved, instead of being carelessly spent, does not look very formidable. But these few dollars deposited regularly in the Standard Bank of Canada, with Interest Compounded, will amount in a few years to a fair competence.

It may mean a little self-denial, especially at first, but it also means a great deal of solid satisfaction, and the habit is easily acquired.

The service on Sunday morning in the Methodist church was taken by three ladies—Mrs. G. Mitchell, Mrs. Nicholson and Mrs Jos. Clinton, Mrs. Mitchell gave an exceedingly interesting report of the missionary convention recently held in Toronto, to which she was a delegate. The evening service was conducted by Mr. Harness of Markdale.

One of the G.B. Power Co's. transformers in town was affected by the electric storm Sunday evening. A fuse was burned and a short circuit formed in the transformers which caused it to burn its "innards" out, and made a very pretty display of fireworks which lasted fifteen or twenty minutes, while the noise resembled a threshing machine on a small scale. As a result a portion of the town was without light for a couple of nights until a new transformer could be secured.

The Salvation Army of Feversham have engaged the Owen Sound Army band for the occasion of Ensign Poole's wedding to Captain Thompson, of Windsor, which pleasing event will take place in the barracks at Feversham on Monday, 28th inst., the ceremony to be performed by Col. Sharpe, assisted by Major Hay and others. There will be a banquet in connection. The public are cordially invited to be present. The band will also assist in the Sunday services.

Joe Clark, the fighting editor of the Toronto Star, was up scrapping with the speckled trout on Weber's preserve for a couple of days last week. Joe in his boyhood caught fish in the Boyne with a bent pin, and the lessons then instilled into his youthful brain have never deserted him—only he fishes now with a ten-cent bamboo pole and hooks with nasty barbs on 'em and costing ever so much. But he can afford it now, which makes a difference.

During the electric storm Sunday night a chimney on Mr. Andrew Wickens' property in the suburbs was knocked off. The barn was also struck and one end splintered but did not ignite. Three sheep were killed outright and a couple of others stunned, one so badly that it will die. We are informed that Mr. C. Moore of Inistioge was struck on the arm by a stray chunk of the electric fluid, blackening the arm and rendering the assistance of a physician necessary.

The First of July committee have things well in hand now for the monster demonstration in Flesherton on July 1. The Chronicle says: "They are earnest and enthusiastic in their work, good, forceful speakers, and the music spirited and spiritual." Services week nights 8 p.m. Song service 7.45. The annual meeting of the Women's Institute was held in the town hall on Thursday, June 10. Mrs. Colin Campbell not being able to be present on account of sickness, Miss Reynolds of Toronto was the speaker. In the afternoon Miss Reynolds spoke on "Vegetable and fruit canning." A very interesting program was given in the evening by the women of the Institute. Miss Irene Legate and Mrs Robt. Wright sang a duet; Mrs. Bunt and Mrs. Blackburn gave solos; Miss Elsie Wright recited very nicely "A Psalm of Farm Life." Miss Reynolds ably discussed "character building." Climate and environment are two important agents in character building. How to build a good character—teach children to develop will power, and to have high ideals; use good literature, music and pictures, and give them congenial occupations. The children of to-day will be men and women of twenty years hence. Rev. Mr. Little then skoke along the same lines. The meeting closed with God Save the King.

No Need Suffering from Rheumatism.

It is a mistake to allow anyone to suffer from rheumatism, as the pain can always be relieved, and in most cases a cure effected by applying Chamberlain's Liniment. The relief from pain which it affords is alone worth many times its cost. It make sleep and rest possible. Even in cases of long standing this liniment should be used on account of the relief which it affords. Do not be discouraged until you have given it a trial. Many sufferers have been surprised and delighted with its pain-relieving qualities. 25 and 50 cent sizes for sale by W. E. Richardson.
