For a Sprained Ankle.

As usually treated, a sprained ankle will disable the injured person for a month or more, but by applying Chamberlain's Liniment and observing the directions with each bottle faithfully, a cure may be effected in many cases in less than one week's time. This liniment is a most remarkable preparation. Try it for a sprain or bruise, or when laid up with chronic or muscular rheumatism, and you are certain to be delighted with the prompt relief which it affords. For sale by W. E. Richardson.

A Prairie Rosetown

Another new western town has been heard from. This one is called Rosetown. Our young friend, Mr. Edgar Bellamy, is located there and writes The Advance as follows:

Land here is selling at an extremely reasonable figure and will increase in value by leaps and bounds from this time on. People are daily pouring in from all quarters of the globe, some in search of homesteads further west, others to purchase land, and some to settle on land already purchased.

This point is the proposed junction of the Canadian Northern railway, Saskatoon-Calgary main line, and the Canadian Pacific Moosejaw-Lacomb branch. The Canadian Northern is already built and the Canadian Pacific surveyed across at this point.

I notice that Mr. Heath has mentioned seeing me. I have met him several times and find that he is fast catching the western spirit, which, when once acquired, is fatal to any fond intention to return to the east to reside.

The sound of hammer and saw scarcely ceases here in Rosetown. It is the last sound one hears before falling asleep and the first greeting when one awakes in the morning.

The Advance comes regularly and is much appreciated in its new form.

Melia---Chislett.

A very pretty wedding was solemnized at the home of Mr. and Mrs. E. Stoner, Balmy Villa, Balmy Beach, on Wednesday evening, June 9th, when Marie E. Chislett of Swinton Park, was united in marriage to Charles M. Melia, of Flesherton. The bride who was given away by her father, was daintily gowned in cream silk with tulle veil and wreath of orange blossoms. She was attended by Miss May Martin of Newcastle, and Mr. Biggs of Toronto acted as best man. The ceremony was performed by the Rev. B. S. Black of Kew Beach Presbyterian church. The wedding music was played by Miss Caroline Weiss of Williamsport, Pa. After the reception Mr. and Mrs. Melia left for their own home, mid a shower of confetti and good wishes.

Five horses were burned in a fire at Wiarton.

The brick residence of Geo. Leach, Sydenham, caught fire from a chimney spark and was burned to the ground. Loss $1500, insured for $500.

A little forethought may save you no end of trouble. Anyone who makes it a rule to keep Chamberlain's Colic, Cholera and Diarrhoea Remedy at hand knows it to be a fact. For sale by W. E. Richardson.

Edward Everett Hale was allowed out on suspended sentence for victimizing several Owen Sound citizens on a mining deal.

J. E. Campbell of Hepworth, druggist and manufacturer, has been appointed Canadian Trade Commissioner at Leeds, England, by the Dominion Government. Mr. Campbell was Reeve of Hepworth last year, was Reeve of Amabel for several years under the old county council system, and contested North Bruce in the liberal interests three times being defeated by one vote on one occasion and by 11 votes by James Halliday, ex- M. P. Mr. Campbell is prominently identified with the business interests of Hepworth and will be much missed in that village. His appointment is a popular one.

An Illinois editor began his career 25 years ago with only 15 cents and is now rated at $100,000. This vast accumlation of wealth was made possible by his frugality, strict attention to business, hard and incessant work, and the fact that a rich uncle died leaving him $99,998.55.
