The women at present meeting in Toronto have expressed themselves as highly pleased with the reception accorded them, but have yet to be heard from as to their opinion of the pictures published by some of the dailies, purporting to be those of the delegates. The visitors are not likely to go away with a very high opinion of Canadian newspaper art; we would not be surprised to even hear of a suffragete movement of denunciation. The ladies whose pictures have appeared are certainly all suffragettes, but perhaps their good breeding will cause them to suffer in silence.

One thing the great gathering of women in Toronto has taught us is that the animal, man, has no monopoly of intellectual ability, and the manner in which these women discuss great social and ethical problems would put many of our legislators to the blush. Who would say that such women as these are not capable of intelligently exercising the franchise if it were granted them?

The Advance has heard complaints about the manner in which the road machinery is being handled in Artemesia. What there may be in these complaints we do not know, but fancy the councillors will be able to explain at the right time and place. We do know one thing, however, and that is that the road making system in this township is all wrong. It is not a good business system, and until a qualified road commissioner is appointed and statute labor commuted the township will never get full value for the money expended, and the cause for complaint will always remain. The time is bound to come when the public will see it in that light.

Mr. Eaton, the head of the big Toronto mercantile establishment, is in the lime light these days—much more so than his father ever was. He is erecting a $200,000 residence, has recently purchased a yacht costing nearly as much, and has just made a handsome donation to the Whitby Y. M. C. A. He is also installing a wireless telegraph outfit on top of his building to communicate with his yacht. It seems to us that if the common people would dig down a short ...nce under the turf of their intellects they would discover one or more good healthy morals to be ...rned from the above. All that the ...ove investments involve has been harvested from a gullible public who have imagined that the big department has been giving them goods at cost and sometimes below cost. And it has all been earned—every cent of it—by judicious advertising.

If you would have a safe yet certain Cough Remedy in the home, try Dr. Shoop's—at least once. It is thoroughly unlike any other Cough preparation. Its taste will be entirely new to you—unless it is already your favorite Cough Remedy. No opium, Chloroform, or any other stupifying ingredients are used. The tender leaves of a harmless, lung-healing mountainous shrub, give to Dr. Shoop's Cough Remedy its wonderful curative properties. It is truly a most certain and trustworthy prescription. Sold by all dealers.

Mr. Richard Boyle, of Alma, has a freak of nature in the form of a gosling with three legs, the extra one coming in behind the regulation member on the left side. It is as well formed as either of the others. This particular gosling was one of a batch that were recently hatched on the farm of Mr. Walter Boyle, Parker. It is doing as well as any of the rest.

In sickness, if a certain hidden nerve goes wrong, then the organ that this nerve controls will also surely fail. It may be a Stomach nerve, or it may have given strength and support to the Heart or Kidneys. It was Dr. Shoop that first pointed to this vital truth. Dr. Shoop's Restorative was not made to dose the Stomach nor to temporarily stimulate the Heart or Kidneys. That old-fashioned method is all wrong. Dr. Shoop's Restorative goes directly to these failing inside nerves. The remarkable success of this prescription demonstrates the wisdom of treating the actual cause of these failing organs. And it is indeed easy to prove. A simple five or ten days test will surely tell. Try it once, and see! Sold by all dealers.

Mabel Pearson of Shelburne, 7 years old, caught her hair in a cream separator which she was operating. A lot of the hair was pulled out, and a portion of the scalp came with it. The doctor who dressed her injuries says that she might have been completely scalped if her hair had been worn in a pigtail.

A little forethought may save you no end of trouble. Anyone who makes it a rule to keep Chamberlain's Colic, Cholera and Diarrhoea Remedy at hand knows it to be a fact. For sale by W. E. Richardson.

The schoolma'am is the guiding Star of the country. She takes the little bantling fresh from the home nest, full of his pets, his pouts, his passions, ungovernable in many cases, a rampant, riotous little wretch whose own mother often admits she sends him to school purposely to get rid of him. The schoolma'am takes a whole carload of these anarchists, half of whom singly and alone cannot be handled by their own mothers, and she puts them in the way of becoming useful citizens.—Ex.

Tell some deserving Rheumatic sufferer, that there is yet one simple way to certain relief. Get Dr. Shoop's book on Rheumatism and a free trial test. This book will make it entirely clear how Rheumatic pains are quickly killed by Dr Shoop's Rheumatic Remedy—liquid or tablets. Send no money. The test is free. Surprise some disheartened sufferer by first getting for him the book from Dr. Shoop, Racine, Wis. Sold by all dealers.

Dr. McEwan, of Wiarton, a veterinary surgeon, performed an operation on a horse most unique in its character. There was a worm in the eye of the horse which made the eye blind. The doctor gave the horse seven ounces of chloroform which put it thoroughly to sleep, opened the eye, took out the worm which was about three inches in length and now the sight is perfectly restored.

Weak Women

To weak and ailing women, there is at least one way to help. But with that way, two treatments, must be combined. One is local, one is constitutional, but both are important, both essential.

Dr. Shoop's Night Cure is the Local.

Dr. Shoop's Restorative, the Constitutional.

The former—Dr. Shoop's Night Cure—is a topical mucous membrane suppository remedy, while Dr. Shoop's Restorative is wholly an internal treatment. The Restorative reaches throughout the entire system, seeking the repair of all nerve, all tissue, and all blood ailments.

The "Night Cure", as its name implies, does its work while you sleep. It soothes sore and inflamed mucous surfaces, heals local weaknesses and discharges, while the Restorative, eases nervous excitement, gives renewed vigor and ambition, builds up wasted tissues, bringing about renewed strength, vigor, and energy. Take Dr. Shoop's Restorative—Tablets or Liquid—as a general tonic to the system. For positive local help, use as well

DEMOTTE

29842

The property of J. Rudd Matthews, Markdale, Ont. TERMS—$12.

Demotte will make the season of 1909 as follows:

MONDAY evening—Berkeley.
THURSDAY evening—Flesherton.

The rest of the week Markdale House Stables.

Demotte, 29842, is a handsome, game, level headed horse with a perfect disposition; to see him is to like him, and after looking over his pedigree all must admit that he is one of the best bred horses imported. Where will you find another in this country with as fast a sire and dam? His grandsire, Gambetta Wilkes, sired Gambolier, the sire of the great Eel 2.2¼. His grandsire on his dam's side, C. F. Clay, has more to his credit in the 2.10 list than any other horse in Kentucky, and is also one of the, if not the greatest, sires of high actors in the United States. Demotte is a beautiful high going horse with a great turn of speed kimself, having been a close 2nd in 16¾. I have put this horse's fee very low, within reach of the owner of the ordinary mare, while the owners of the best mares will get the service of a $25 horse for just $12. Those wishing to bargain for living colts can do so by applying to me. I have also made arrangement for pasture close to town for mares sent a distance.
