'LITTLE GIANT.
Corn and Cob, Pea and Oat Mill!
THIS MILL combines, in a remarkable manner, SIMPLICITY and POWER and may be adjusted and put into operation by any person, (no matter how ignorant he may be of machinery); while its efficiency, as a
Corn and Cob Crusher,
surpasses anything of the kind in existence, and fully warrants the unique appellation of the "Little Giant."
This crusher is adapted not only to the grinding of Ear Corn for feed, but also to the cracking of Corn, Peas, and Oats, together; in which it is unrivalled.
The economy of grinding up cobs with corn is hardly now an open question. Full experiments have been made, and the results frequently published. It is not pretended that the cobs are rich in the element of nutrition, compared with the grain, but they have been found to yield spirit or distillation, a proof that they are far from valueless, and also answer admirably the purpose of preventing the necessary distention of the stomach, and promoting digestion.
The "Little Giant" is of two sizes, costing respectively $40 and $60. It will turn out, according to size, from ten to twenty bushels an hour and do its work most thoroughly and satisfactorily!
These Mills are to be had in all the principal Towns in Canada.
For Sale in Kingston by
FRASER & GEORGE.

J. O'REILLY,
Solicitor.
Kingston, 1st February, 1858. 20 tf

THE LIVER
INVIGORATOR!
PREPARED BY DR. A. T. TUTT,
Compounded entirely from Gums,
IS one of the best Purgative and Liver Medicines now before the public, that acts as Cathartic, easier, milder, and more efficacious than any other medicine known. It is not only a Cathartic, but a Liver remedy, acting first on the liver to eject the morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes at once, which any of the purgative forms experienced in the operations of most Cathartics. It strengthens the system at the same time that it purges it, and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.
The Liver is one of the most important functions of the human body. Most of the diseases of this organ are entirely dependent on its functions. At least, the bowels are seldom affected unless the Liver—having for its object the purpose of properly secreting the bile—is made to assist in ridding the system of its impurities. Bilious attacks are prevented by the Liver Invigorator.
One dose after eating relieves the stomach and prevents rising and souring.
Only one dose taken at night removes indigestion.
One dose taken at night loosens the bowels, gently, and cures costiveness.
One dose taken every morning will always relieve Sick-Headache.
One bottle taken for Dyspepsia, in connection with the Liver Invigorator, removes the cause of the disease, and makes a perfect cure.
Only one dose taken for a deranged state of the stomach, and nausea, will relieve it.
One dose taken for Dysentery, or Diarrhœa, is sufficient to relieve the patient.
One dose taken for Cholera Morbus, or Cholera, is sufficient to remove the disease, and makes a perfect cure.
One dose taken at the commencement of bilious fever will prevent the attack, while it relieves all painful feelings.
☞ Only one bottle is needed to drive out of the system the effects of medicine after a long sickness.
One bottle taken for yellowness or jaundice is sufficient.
One dose taken at night gives vigor to the system and a good appetite for breakfast next morning.
One bottle often relieves Dropsy in its worst form, and never fails to cure it.
One or two doses relieve Costiveness, Indigestion, Biliousness, Jaundice, Dyspepsia, Liver Complaint, Dysentery, Diarrhœa, Cholera Morbus, Cholera, Fever and Ague, Fever, and all diseases arising from a disordered state of the stomach or bowels, in children, adults, or speaker, regular to act in every case.
☞ A few bottles are required in the worst form of Dropsy, but it never fails.
We take pleasure in recommending this medicine as a preventive for Ague, Chill Fever, and all Fevers of Bilious Type. It operates gently on the bowels, and all Fevers of Bilious Type. It operates thousands are willing to testify to its wonderful virtues.
All who use it are giving their unanimous testimony in its favor.
☞ Mix Water in the mouth with the Invigorator, and swallow both together.
THE LIVER INVIGORATOR
is a Scientific Medical Discovery, and is daily working cures, almost too great to believe. It cures as if by magic, even the first dose giving benefit, and seldom more than one bottle is required to cure any kind of Liver Complaint, from the worst Jaundice or Dyspepsia to a common Headache, of all which are the result of a Diseased Liver.
PRICE ONE DOLLAR PER BOTTLE.
SANFORD & Co., Proprietors,
355 Broadway, New York.
