Killed by Lightning.

A tragic death occurred on the 5th concession of Bentink township near Allan Park, on Sunday, June 13, when William Porter, a young fellow just on the threshold of manhood was killed by lightning. Deceased and his cousin Spencer Hopkins started out about noon to see Mr. Geo. Mervyn's new house nearby, but changed their minds and went to Mr. Baker's who is on Thomas Francis' place. They came back just as the electric storm commenced between four and five o'clock. Deceased's mother called to the boys to come into the house, but William answered that he wanted to feed his pony and the boys went on to the stable. The storm did not appear to be very violent, and the young fellows stood in the shed watching it. William picked up some hail stones and with the exclamation "My! But they are big fellows" fell back—dead. It seems that William was standing directly under the partition that separates the shed from the main building. Hopkins was also thrown to the ground, where he lay insensible for a couple of minutes. When he came to he called to Porter's step father that he was struck by lightning. When they examined William he was quite dead.

For a Sprained Ankle.

As usually treated, a sprained ankle will disable the injured person for a month or more, but by applying Chamberlain's Liniment and observing the directions with each bottle faithfully, a cure may be effected in many cases in less than one week's time. This liniment is a most remarkable preparation. Try it for a sprain or bruise, or when laid up with chronic or muscular rheumatism, and you are certain to be delighted with the prompt relief which it affords. For sale by W. E. Richardson.

No Need Suffering from Rheumatism.

It is a mistake to allow anyone to suffer from rheumatism, as the pain can always be relieved, and in most cases a cure effected by applying Chamberlain's Liniment. The relief from pain which it affords is alone worth many times its cost. It make sleep and rest possible. Even in cases of long standing this liniment should be used on account of the relief which it affords. Do not be discouraged until you have given it a trial. Many sufferers have been surprised and delighted with its pain-relieving qualities. 25 and 50 cent sizes for sale by W. E. Richardson.

A few days ago a local merchant bought what he supposed was a 20 lb. crock of butter from a farmer who lives a few miles east of Orangeville. On taking it to the cellar and emptying it, he found that the crock was filled with lard with a thin covering of butter. The seller settled the matter by agreeing to take 10c per pound for the contents of the crock. Evidently all the mean people are not dead yet.—Banner.

Mr. Geo. Hunt, of the O. S. R., Normanby, was moving an old fence one day recently, assisted by F. Lawson, when they unearthed what Mr. Hunt is confident is the bones of an Indian and part of his rifle. He says the custom of the Indians was, when one of their number died, to bury their rifles with them and he is sure he struck an Indian grave. The diggers were only able to get a piece or two of bone—evidently the shin bone, and a part of the barrel of the gun.

Pains of women, head pains, or any pain stopped in 20 minutes sure, with Dr. Shoop's Pink Pain Tablets. See full formula on 25c. Box. Sold by all dealers.

Some Meaford citizens appear to be as far in advance of the literature of the day as they are lacking in their knowledge of the Bible. In announcing that the Epworth League had secured Prof. John Duxbury to give an elocutionary entertainment in the Methodist church on Tuesday evening next Rev. Dr. Campbell stated that the noted elocutionist's selections for the evening would include "The Book of Job." Several persons, thinking that a new story of thrilling interest had just been published, hastened to the Public Library and made anxious enquiry for the book, which proved to be none other than the old family Bible at home. —Mirror.
