'LITTLE GIANT.'

Corn and Cob, Pea and Oat Mill!

THIS MILL combines, in a remarkable manner, SIMPLICITY and POWER and may be adjusted and put into operation by any person, no matter how ignorant he may be of machinery; while its efficiency is

Corn and Cob Crusher,

surpasses anything of the kind in existence and fully warrants the unique appelation of the "Little Giant."

This crusher is adapted not only to the grinding of Ear Corn for feed, but also to the cracking of Corn, Peas, and Oats, together; in which it is unrivalled.

The economy of grinding up cobs with corn, is hardly now an open question. Full experiments have been made, and the results frequently published It is not pretended that the cobs are rich in the element of nutrition, compared with the grain, but they have been found to yield spirit or distillation, a proof that they are far from valueless, and also answer admirably the purpose of procuring the necessary distention of the stomach, and promoting digestion.

The "Little Giant" is of two sizes, costing respectively $40 and $60 It will turn out, according to size, from ten to twenty bushels an hour and do its work most thoroughly and satisfactorily!

These Mills are to be had in all the principal Towns in Canada.

MEDICAL DISCOVERY OF THE AGE.

MR. KENNEDY, of Roxbury, has discovered in one of our common Pasture Weeds, a remedy that cures EVERY KIND OF HUMOR, from the worst Scrofula down to a common Pimple. He has tried it in over eleven hundred cases, and never failed except in two cases, (both thunder humor.) He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.

Two are bottles warranted to cure a nursing sore mouth.

One to three bottles will cure the worst kind of pimples on the face.

Two or three bottles will clear the system of biles.

Two bottles are warranted to cure the worst anker in the mouth and stomach.

Three to five bottles are warranted to cure the worst case of erysipelas.

One to two bottles are warranted to cure all humor in the eyes.

Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly eruptions of the skin.

Two to three bottles are warranted to cure the worst case of ringworm.

Two to three bottles are warranted to cure the most desperate case of Rheumatism.

Three to four bottles are warranted to cure salt rheum.

Five to eight bottles will cure the worst case of scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Chatham, N.H., Dec. 15th, 1855.

Dr. Kennedy—Dear Sir: In hopes to be a benefit to my fellowmen, I write to you what your Discovery has done for me.

In December, 1839 I was taken with the Rheumatics; since then I have suffered every thing but death for fourteen years.

I have paid $800 to different doctors, and never received any benefit, not even to the amount of one dollar.

Last June I heard of your Discovery. I told a man I would try it. He said I had tried everything and there was no help for me, I was old, being 78 years of age. He was a good to be so called. I told him nothing ventured, nothing made.

I got one bottle of your Discovery. Before I got it I heard the clock strike every hour for five nights. On the fourth night I took one spoonful, and the next morning I was in no more pain—no more than a child two years old, and have been gaining ever since. I am now, Dec, 15th, 1855, on my seventh bottle.

When I first took any of it I had to walk on hobble on two crutches, this day I can go and have gone over the floor without any crutch or cane, but I am yet weak in my hips; but I feel better every bottle I take.

If I had a sheet four feet square, it would not hold one half I could write. Had I the voice to be heard from the North to the South pole, I would proclaim it as long as I live. It is cures are it will any one in God's world.

You would not believe how much better I feel. I am now almost a new man made out of an old one.

There have been over 200 people to see me since I began to recover,—they are surprised. One man said, if all the men in Chatham had told him what his eyes now saw, he would not have believed them; but he must believe his own eyes.

ABRAHAM WEBB,
South Chatham, N.H.

CURE OF A HUMOR OF 14 YEARS' STANDING

Mr Kennedy—Dear Sir: I address you with feelings of heartfelt gratitude for the wonderful cures your Medical Discovery has done on me.

For fourteen long years I suffered with a humor of the most distressing kind. It would break out, covering my body with sores and blotches, out of which oozed thick yellow matter of the most offensive kind. I was an object of disgust to myself and every body else. When it began to dry up a little, it would irritate and smart. I often felt that I could tear flesh off the bone; to this state I suffered during these long years, disconsolate and despoiding of relief. Every winter the skin came off my face and the hair of my eyebrows came out by the roots. My ears looked like roasted meat dry and black as a crisp, that I was an object of pity to all that knew me.

When I look back upon it I can hardly think that I am myself. When your Discovery first came to Maine, I looked upon it as a humbug and set myself against it; after a few months I heard of so many wonderful cures be it that I concluded to try once more I could hardly believe it when I was getting better. You will excuse me when I tell you that I was the last to believe it. It seemed so impossible that I could be cured.

I took in all five bottles. I am now as well as I ever was in my life.

BENJAMIN SMITH, Atkinson, Me.

Charlestown, March 29, 1855.

Mr. Kennedy; Respected Sir—It is now two years since I began to use your Discovery, and feeling that my health has been greatly improved by the use of it, deem it my duty to inform you how much I prize your valuable medicine I had for a number of years been troubled with the Erysipelas, and having used a great many advertised medicines without success I had almost despaired of ever recovering from the disease, when one day a friend gave me one of your Circulars, and after pursuing it I resolved to embrace the first opportunity I had in purchasing two bottles of the medicine. After using it, I found my health was improving; and since then I have continued the use of it in my family. It gives me great pleasure to certify to this, and it is my impression that through your instrumentality a great deal of human suffering will be relieved.

I am dear Sir,
Very respectfully yours,
JOS. T. HART.

Boston, Dec. 3, 1855.

Mr. Donald Kennedy.—Respected Sir: The first impulse of a man who has been restored from sickness to perfect health, is gratitude to the hand that has healed him.

Although personally you are unknown to me, and this correspondence is unsolicited by you, still I feel it a duty I owe to you as the discoverer of the "Medical Discovery," and to the public generally, to make a fair statement of my experience in the use of your valuable medicine.

At the commencement of the present year, and indeed for some months previous, a terrible Scrofulas humor broke out upon my neck—large swellings ensued, so that my neck and face presented an even surface. I was then at Lowell, Mass, and hearing of your "Medical Discovery" I purchased a bottle. I felt that it was benefiting me, and upon using a second bottle found myself perfectly cured all I can say is, that whereas I was sick now I am well. In all gratitude I remain, yours truly,

J. L. CLARK,
23, Lowell street Boston

CURE OF BOILS AND CONSTITUTIONAL HUMOR.

Mr Kennedy—Sir,—You know the condition in which I was when I began your medicine, I don't think you ever saw a worse case. I had boils in regular crops one after another in succession, frequently from two to three a dozen at a time. By the use of your wonderful medicine, I got quite clear of them. I gave the medicine also to my children, and I consider it to be true to its name—the greatest medical discovery of the age.

JAMES CARY a Quincy.

Dr. Kennedy's Medicines—We are requested by Major Doughty, of Greenwood, in this county, to publish the following facts in relation to Dr. Donald Kennedy's wonderful Medicine.

Major Doughty states, that his wife was afflicted with a fever sore on one of her ankles, for about twenty five years, which most of the time deprived her of the use of the limb. In October last she commenced using Dr. Kennedy's Medicine, has taken four bottles, and is now, and has been for the last three months, in the enjoyment of perfect health; the fever sore is entirely healed up, and the ankle sound and healthy as the other.

Major Doughty feels under God, that he is indebted to the wonderful properties of Dr. Kennedy's Medicine for this cure, and is desirous that the public hould become acquainted with the fact, and know where to apply for relief under similar circumstances. To the fact of which he is willing to make affidavit at any time.—Norway Adv 23

D., of the Ecole de Medecine, Paris: Member of the Royal College of Surgeons, London; Licentiate in Midwifery, &c., &c., &c., 10, Berners street, Oxford street, London. From long practical observation of the treatment pursued in the various Institutions of London and Paris for those diseases referred to in the above work, the Author has had somewhat unusual facilities for acquiring the accuracy of diagnosis, and uniform success, which have characterised his practice for so many years in this country, in which the immense number of these diseases by medical men generally, and their fruitless attempts to cure by mercury, copaiba, sarsaparilla, &c. have produced most distressing results. Lasting benefit in such cases can only be reasonably expected at the hands of the legally qualified medical man who devotes his chief attention to their removal; and to him only who can show his possession of the necessary qualifications, can confidence be safely extended Dr. D. E. refers with pride to the numbers he has been instrumental in restoring to health and happiness and to those who may be in need of such aid, he offers every assurance of speedy restoration.

Persons residing abroad can be successfully treated by correspondence, on sending a full detail of their case, with a Bank note, or Bill on a London house for £5, in order to save a packet of medicines sufficient to meet the expense of the case sent but by next mail, thus avoiding unnecessary loss of time, and much suffering which might otherwise occur.

The Great European Remedy for Nervousness, Relaxation and Exhaustion.

Protected by Royal Letters Patent of England, and sanctioned by all the great Continental Colleges of Medicine

DR DE ROOS' GUTTE VITÆ; or LIFE DROPS, are the great remedy for Spermatorrhœa, Exhaustion, Nervousness, Debility, Aversion to and Incapacity for Society, Study or Business, Shaking of the Hands and Limbs, Indigestion, Flatulence, Shortness of Breath Asthma, Consumptive Habits, Dimness of Sight, Dizziness, Pains in the Head, Eruptions, Sore Throat Pains in the Bones, and all those diseases for which mercury, sarsaparilla &c. are too often employed, to the utter destruction of health. Their almost marvellous powers must be felt to be believed. Hundreds of apparently hopeless cases have been cured, and thousands almost miraculously relieved, when everything else had failed; and they must sooner or later supersede all those questionable remedies which have hitherto been the sole reliance of English medical men.

Price 11s, and four lines the quantity at 33 per bottle at the Agents below. The £ packages containing twelve 11s quantities (in which £1 12s are saved), will be sent from the Establishment only, on receipt of the amount per draft on a London house or otherwise.

CAUTION.—Sufferers must guard against the recommendation of spurious or other medicines by unprincipled vendors, who thereby obtain a larger profit. The words "Walter De Roos, London," are printed in White letters on the Stamp affixed to the above, by order of Her Majesty's Honorable Commissioners, to protect the public against fraud, as without this none can be genuine, and to imitate which is felony.

Pains in the Back, Gravel, Lumbago, Rheumatism, Gout, Disease of the Kidneys and Bladder, Stricture, &c.

DR. DE ROOS' COMPOUND RENAL PILLS are a well known safe and speedy remedy for the above dangerous complaints, Discharges, and Diseases of the Kidneys and Urinary Organs generally Possessing tonic properties, they agree with the most delicate stomachs, improve the health, and in three days effect a cure where copaiba, cubebs, and all such dangerous medicines have utterly failed. 2s 9d., 4s 6d, 11s and 33s per box, of the Agents below, or post free on receipt of the amount by Dr DE ROOS, 10, Berners Street, Oxford Street, London.

The superiority of these celebrated Pills over every thing of the kind is universally acknowledged, and the extraordinary demand for them without precedent.

Many there are who from natural diffidence, or fear of discovery, would scarcely bear their affections rather than apply for aid to those from whom they may reasonably expect relief. With the above Pills, the sufferer may without the knowledge of a second person cure himself speedily, privately, and at the least possible expense.

THE LIVER INVIGORATOR!

PREPARED BY DR. SANFORD

Compounded entirely from Gums,

Is one of the best Purgative and Liver Medicines now before the public, that acts as Cathartic, easier, milder, and more effectual than any other medicine known. It is not only a Cathartic, but a Liver remedy, acting first on the Liver to eject the morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most Cathartics. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity

The Liver is one of the principal regulators of the human body, and when it performs its functions well the powers of the system are fully developed. The stomach almost entirely depends upon the proper performance of its functions. When the stomach is at fault, the bowels are at fault, and the whole system suffers in consequence of one organ ceased to do its duty. The Liver—having that office, one of the principal regulators of the system, has made it his study, in a process of many years to find some remedy wherewith to counteract the many derangements to which it is liable

To prove that this remedy is at last found any person troubled with Liver Complaint in any of its forms has but to try a bottle, and conviction is certain.

These Gums remove all morbid or bad matter from the system, supplying in their place a healthy flow of bile, invigorating the stomach, causing food to digest well, purifying the blood, giving tone and health to the whole machinery, removing the cause of the disease—effecting a radical cure.

Bilious attacks are cured, and, what is better, prevented, by the occasional use of the Liver Invigorator.

One dose after eating is sufficient to relieve the stomach and prevent the food from rising and souring.

One only dose taken before retiring prevents nightmare.

One only dose taken at night loosens the bowels gently, and cures costiveness.

One dose taken after each meal will cure Dyspepsia.

☞ One dose of two teaspoonfuls will always relieve Sick-Headache.

One bottle taken for female obstruction removes the cause of the disease, and makes a per ect cure.

One or two dose immediately relieves Cholic, while

One dose often repeated is a sure cure for Cholera Morbus, and a preventative of Cholera.

One dose taken often will prevent the recurrence of billious attacks, while it relieves all painful feelings.

☞ Only one bottle is needed to throw out of the system the effects of medicine after a long sickness.

One bottle taken for Jaundice removes all yellowness or unnatural color from the skin.

One dose taken a short time before eating gives vigor to the appetite and makes food digest well

One dose often repeated cures Chronic Diarrhœa in its worst form, white summer and bowel complaints yield almost to the first dose.

One or two doses cure attacks caused by worms, in children, there is no surer, safer, or speedier remedy in the world, as it never fails.

☞ A few bottles cures Dropsy by expelling the absorbents.

We take pleasure in recommending this medicine as a preventive for Fever and Ague, Chill Fever, and all Fevers of Ill-Type. It operates with a certainty and thousands are willing to testify to its wonderful values.

All who use it are giving their unanimous testimony in its favor.

☞ Mix Water in the mouth with the Invigorator, and swallow both together.

THE LIVER INVIGORATOR

is a Scientific Medical Discovery, and is daily working cures, almost too great to believe. It cures as if by magic, even the first dose giving benefit, and seldom more than one bottle is required to cure any kind of Liver Complaint, from the worst Jaundice or Dyspepsia to a common Headache, of all which are the result of a Diseased Liver.

WONDERFUL COINCIDENCE

All Nations of the same Mind!

HOLLOWAY'S OINTMENT.

The anniversary of the introduction of Holloway's Ointment ought to be a jubilee forever. It has saved countless multitudes from disfigurement, paralyzation, mutilation, agony and death. Starting from the surface to which it is applied, its healing balm finds its way through every coating and ligament of the body, to the very source and basis of all eruptive, ulcerous, tumorous and cancerous diseases. It extinguishes the febrile principle that feeds them, and the outward symptoms fade, heal, and pass away with a rapidity incredible to those who have not witnessed it.

Scrofula, Eruptions and Ulcers.

The poison of Scrofula has never been neutralized or expelled by any of the remedies of the pharmacopœia The Sole Antidote to this virulent and destructive element, is Holloway's Ointment. Majendie & Baudin, the great French and English surgeons, do not deny or dispute this great fact. There is no form of scrofula that may not be controlled and cured by this balsamic remedy.

Cancers and Tumors.

The knife or caustic may remove a cancer or tumor, but the seeds of the terrible excrescence remain in the blood, and it is soon reproduced in a worse form than before. Holloway's Ointment, on the contrary, penetrates into the circulation, and pervades every infected vessel, and kills the disease by destroying the corrosive principle that generated and sustains it.

Inflammations of the Skin.

All rashes and ordinary eruptions, as well as ECZEMA, ELAS. ACNE, RINGWORM, CARBUNCLES, SCALD HEAD, SALT RHEUM, LEPROSY, PRICKLY HEAT, &c., are removed by a few brisk applications of the Ointment.

ACCIDENTAL INJURIES.

WOUNDS, SCRAINS, BRUISES, SCALDS and BURNS are immediately relieved by its application. The inflammation quickly subsides fever and lockjaw are prevented, and under a preserving use of the preparation, the process of healing is soon accomplished.

Both the Ointment and the Pills should be used in the following cases:

Bunions,	Rheumatism,	Sore Throats,
Burns,	Ringworm,	Sores of all kinds
Chapped Hands,	Salt Rheum,	Sprains,
Chilblains,	Scalds,	Stiff Joints,

Gouts,	Swollen Glands,	Ulcers,
Lumbago,	Sore Legs,	Venereal Sores,
Mercurial Eruptions,	Sore Breasts,	Wounds of all kinds
Piles,	Sore Heads,

A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.
