Dalley's Magical Pain Extractor.

In all diseases inflammation more or less predominates—now to allay inflammation strikes at the root of disease—hence an immediate cure

DALLEY'S MAGICAL PAIN EXTRACTOR, and nothing else, will allay inflammation at once, and make a certain cure.

DALLEY'S MAGICAL PAIN EXTRACTOR will cure the following among a great catalogue of diseases: burns, scalds, cuts chafes, sore nipples, corns, bunions, bruises, strains, bites, poison, chilblains, piles, scrofula, ulcers, fever sores, felons, ear-ache, piles, sore eyes, gout, swellings, rheumatism, scald head, salt rheum, baldness, erysipelas, ringworm, barber's itch, small pox, measles, rash, &c., &c.

To some it may appear incredible that so many diseases should be reached by one article; such an idea will vanish when reflection points to the fact, that the salve is a combination of ingredients, each and every one applying a perfect antidote to its opposite disorder.

DALLEY'S MAGICAL PAIN EXTRACTOR. Its effects is magical, because the time is so short between diseases and a permanent cure; and it is an extractor, as it draws all disease out of the affected part, leaving nature as perfect as before the injury. It is scarcely necessary to say that no house, workshop, or manufactory should be one moment without it.

No Pain Extractor is genuine unless the box has upon it a steel plate engraving, with the name of Henry Dalley, Manufacturer.

For sale by all the Druggists and patent medicine dealers throughout the United States and Canadas.

"SIERRA NEVADA,"

1,942 Tons Register.

Penhallow—Commander.

IS now loading and will Sail for MELBOURNE, punctually on the 20th JULY. This noble ship is worthy of being styled a floating Palace, her Saloon accommodations for fifteen passengers only, are far more roomy and luxurious, than can be found on board of any Steamer; whilst for thirty-two Second Class passengers, the whole of the Midship House is fitted up. Nautical men will appreciate her proportions by being informed that her Carpenter's measurement is 1,942 tons, with capacity for 3,200 tons, weight and measurement. She is of extreme Clipper model, and her roominess can be imagined by knowing that her breadth of beam on deck at midships is 44 feet. As she has frequently logged fifteen Nautical miles, and will be in light trim, it is expected that she will make the passage out inside of seventy days.

Passengers are recommended to make early application for berths. A few Steerage Passengers will be taken at low rates
