A SPECIAL NOTICE.

Horticultural Show.

The Show advertised to be held at the City Hall on the 9th July, will, in consequence of the unlooked for forwardness of the Floral Department, come off on the 2nd July. The last few excessively warm days have brought the garden roses into a full burst of bloom.

HOLLOWAY'S OINTMENT AND PILLS.—It is a melancholy fact that many medicines prescribed in ordinary practice create terrible diseases. Quinine saps the bones; mercury contracts the joints, softens the liver, creates virulent ulcers, and injures the nervous system; iron and colchicum not unfrequently produce paralysis. Now in all the diseases, internal and external, for which these destructive drugs are given, Holloway's Ointment and Pills will work a safe and rapid cure. Nay, more—in case where mercury, quinine, iron, colchicum or opium have injured the general health or produced specific maladies, the restorative properties of the Ointment and Pills will repair the mischief.

LADIES AND GENTLEMEN—We would call your attention to the advertisement of Prof. O. J. Wood's Hair Restorative, which appears in the columns of our present number.

From our long acquaintance with the proprietor, and with many thousands of individuals who have used his preparation with perfect success for the last two years, we feel no hesitation in recommending the article as superior to any other preparations now in use, for the same purpose, viz: for restoring gray hair to its original color, a sure and perfect cure for baldness, and a never failing preventive for the falling of the hair.

It is decidedly the best and most popular in use for beautifying, preserving, restoring, and strengthening the hair, relieving diseases of the skin, and removing scruff, dandruff, and all eruptions and feverish heat from the scalp.

We speak in relation to the above from what we know, having been personally acquainted with numerous persons who have used the restorative for the above purposes with the most gratifying results.

It is not often we notice a patent medicine, indeed, we think we have never puffed one before; but Prof. Wood's Hair restorative is something so superior to most of the preparations of the day, that we cannot forbear asking the attention of our readers to it.—Catholic Vindicator.

INVIGORATE THE LIVER.

It is a book indubited fact that Dr. Sanford's Invigorator, or Liver Remedy is one of the greatest discoveries made in medicine the past century. It has been a study of the Dr. during twenty years practice to find what particular organ, when diseased, causes the greatest number of ills or pains, and his conclusion is, that the liver is the greatest regulator of the system and the most liable to disease, while if kept free from disease is a preventive of Dyspepsia Jaundice, general debility, &c., while last not far from least we mention consumption; for our experience is that more cases of consumption occur from diseased liver than from all other causes put together.

Taking this to be a correct hypothesis, we have but to find a remedy with which to correct the liver, and we have a cure of nearly all the diseases we are subject to by simply using a preventive. That the Invigorator is such a remedy, is beyond doubt to all who try it, for its virtues are such that for all complaints arising from liver derangements, it is an unfailing remedy, while as a family medicine, for all diseases of the stomach or bowels, which are causes in a greater or less degree by liver derangement, it is the safest, surest and most efficacious remedy known.—Princeton Press.

Kingston, July 1, 1858.

THE GREATEST MEDICAL DISCOVERY OF THE AGE.

MR. Kennedy of Rochester has discovered in one of our common Pasture Weeds a remedy that cures EVERY KIND OF HUMOR, from the worst scrofula down to a common Pimple. He has tried it in over eleven hundred cases, (with thunder humor) He has now in his possession over two hundred certificates, of its value, all within twenty miles of Boston.

Two bottles are warranted to cure a running sore mouth.

One to three bottles will cure the worst kind of pimples on the face.

Two to three bottles will cure the system of boils.

Two bottles are warranted to cure the worst kind of canker in the mouth and stomach.

Three to five bottles are warranted to cure the worst kind of erysipelas.

One to two bottles are warranted to cure all humor in the eyes.

Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly eruptions of the skin.

Two to three bottles are warranted to cure the worst case of ringworm.

Two to three bottles are warranted to cure the most desperate case of Rheumatism.

Three to four bottles are warranted to cure salt rheum.

Five to eight bottles will cure the worst case of scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Chatham, N. H., Dec. 15, 1858.

Dr Kennedy—Dear Sir: In hopes to be a benefit to my fellow man, I write to you what your discovery has done for me.

In December, 1849 I was taken with the Rheumatics; since then I have suffered every thing but death for fourteen years.

I have paid $800 to different doctors, and never received any benefit, not even to the amount of one dollar.

Last June I heard of your Discovery. I told a man I would try it. He said I had tried everything and there was no help for me. I was so old, being 78 years of age. He was a good doctor so called. I told him nothing ventured nothing made.

I got one bottle of your Discovery. Before I got it I heard the clock strike every hour for five nights. On the fourth night I took one spoonful and the next morning I was in no more pain—no more than a child two years old, and have been gaining ever since. I am now, Dec 15th, on my seventh bottle.

When I first took any of it, I had to walk or hobble on two crutches; this day I can go and have gone over the floor without any crutch or cane, but I am yet weak in my hips; but I feel better ever, bottle I take.

If I had a sheet four feet square, it would not hold one half I could write. Had I the voice to be heard from the North to the South pole, I would proclaim it as long as I live. It it cures me it will any one in God's world.

You would not believe how much better I feel. I am now almost a new man made out of an old one.

There have been over 200 hundred people to see me since I began to recover,—they are surprised. One man said, if all the men in Chatham had told him what his eyes now saw, he would not have believed them; but he must believe his own eyes.

ABRAHAM WADE, South Chatham, N. H.

CURE OF A HUMOR OF 14 YEARS' STANDING.

Mr. Kennedy—Dear Sir: I address you with feelings of heartfelt gratitude for the wonderful cures of your Medica Discovery has done on me.

For fourteen long years I suffered with a humor of the most distressing kind. It would break out, covering my body with sores and blotches, out of which oozed thick yellow matter of the most offensive kind. I was an object of disgust to myself and every body else. When it began to dry up a little, it would irritate and smart. I often felt that I could tear flesh off the bone; in this state I suffered during the long years disconsolate and despending of relief. Every winter the skin came off my face and the hair of my eye brows came out by the roots. My ears looked like roasted meat dry and black as a crisp, that I was an object of pity to all that knew me.

When I look back upon it, I can hardly think that I am myself. When your Discovery first came to Maine, I looked upon it as a humbug and set myself against it; after a few months I heard of so many wonderful cures by it, that I concluded to try once more. I could hardly believe it when I was getting better. You will excuse me when I tell you that I was the last to believe it. It seemed so impossible that I could be cured.

I took in all five bottles. I am now as well as I ever was in my life.

BENJAMIN S. HALL, Atkinson, Me.

Dr Kennedy's Medicine. We are requested by Major Doughty, of Greenwood, in this county to publish the following fact in relation to Dr. Donald Kennedy's wonderful Medicine.

Major Doughty states, that his wife was afflicted with a fever sore on one of her ankles, for about twenty five years, which most of that time deprived her of the use of the limb. In October last, she commenced using Dr. Kennedy's Medicine, has taken four bottles; and is now and has been for the last three months, to the enjoyment of perfect health; the fever sore is entirely healed up and the ankle sound and healthy as the other.

Major Doughty feels under God, that he is indebted to the wonderful properties of Dr Kennedy's Medicine for this cure, and is desirous that the public should become acquainted with the fact, and know where to apply for relief under similar circumstances. To the fact of which he is willing to make affidavit at any time.—Norway Adv. 123
