THE NEW METAL—ALUMINUM.—Before many years this new metal will be employed very generally and profitably in the manufacture of a great many articles that gold and silver are now used for. It possesses the remarkable quality of being lighter than all other bodies of the metallic class that are now in use. The lightest of these is zinc, which is seven times heavier than water; iron is nearly eight times heavier; silver is nearly ten and a half times, and gold twenty times; whereas aluminum is little more than twice and a half times as heavy as that fluid, and consequently it is only about one quarter the weight of silver. An ounce of it will go as far as four of silver or eight ounces of gold. Constant exposure and daily use have no effect on its brilliant surface, for it never tarnishes, and the time will probably come when it will be employed for articles of the most ordinary use. The supply will be inexhaustible for every clay bank can be made to yield it; the qualities it is already known to possess will render it an object of great and increasing attention, and commerce will of course look to it that the supply equal the demand.—[*R. HOLLOWAY'S OINTMENT AND PILLS.—A protection against counterfeits exists in the Water mark, "Holloway, New York and London," which appears in semi-transparent letters in every leaf of the book of directions. If this is not seen when the paper is held by the light, the same is spurious. Unlike the mineral preparations that drive the virus of eruptions and sores into the vital organs, this marvellous Ointment discharges the poison before it heals the flesh. The Pills inevitably cure Dyspepsia and all bilious disorders, purifying and vitalizing the blood, &c. 133

INVIGORATE THE LIVER.

It is a most undoubted fact that Dr. Sanford's Invigorator, or Liver Remedy is one of the greatest discoveries made in medicine the past century. It has been a study of the Dr. during twenty years' practice to find what particular organ, when diseased, caused the greatest number of ills or pains, and his conclusion is, that the liver is the greatest regulator of the system and the most liable to disease, while if kept free from disease is a preventive of Dyspepsia, Jaundice, general debility, &c., while last but far from least we mention consumption; for our experience is that more cases of consumption occur from diseased liver than from all other causes put together.

Taking this to be a correct hypothesis, we have but to find a remedy with which to correct the liver, and we have a cure of nearly all the diseases we are subject to, by simply using a preventive. The Invigorator is such a remedy, is beyond doubt to all who try it, for its virtues are such that for all complaints arising from liver derangements, it is an unfailing remedy, while as a family medicine, for all diseases of the stomach or bowels, which are caused in a greater or less degree by liver derangement, it is the safest, surest and most efficacious remedy known.—Princeton Press.

Dailey's Magical Pain Extractor.

In all diseases inflammation more or less predominates—now to allay inflammation strikes at the root of disease—hence an immediate cure.

DAILEY'S MAGICAL PAIN EXTRACTOR, and nothing else, will allay inflammation at once, and make a certain cure.

DAILEY'S MAGICAL PAIN EXTRACTOR will cure the following among a great catalogue of diseases: burns, scalds, cuts, chates, sore nipples, corns, bunions, bruises, strains, bites, poison, chilblains, biles, scrofula, ulcers, fever sores, felons, ear-ache, piles, sore eyes, gout, swellings, rheumatism, scald head, salt rheum, baldness, erysipelas, ringworm, barber's itch, small pox, measles, rash, &c., &c.

To some it may appear incredible that so many diseases should be reached by one article; such an idea will vanish when reflection points to the fact, that the salve is a combination of ingredients, each and every one applying a perfect antidote to its opposite disorder.

DAILEY'S MAGICAL PAIN EXTRACTOR

In its effects is marvel, because the time is so short between diseases and a permanent cure; and it is an extractor, as it draws all disease out of the affected part, leaving nature as perfect as before the injury. It is scarcely necessary to say that no house, workshop, or manufactory should be one moment without it.

No Pain Extractor is genuine unless the box has upon it a steel plate engraving, with the name of Henry Dailey, Manufacturer.

MEDICAL DISCOVERY OF THE AGE.

MR. Kennedy, of Roxbury, has discovered in one of our common Pasture Weeds, a remedy that cures EVERY KIND OF HUMOR, from the worst scrofula, down to a common Pimple. He has tried it in over eleven hundred cases, (both thunder humor) He has now in his possession over two hundred certificates, of its value, all within twenty miles of Boston.

Two bottles are warranted to cure a running sore mouth.

One to three bottles will cure the worst kind of pimples on the face.

Two to three bottles will cure the system of boils.

Two bottles are warranted to cure the worst kind of canker in the mouth and stomach.

Three to five bottles are warranted to cure the worst kind of erysipelas.

One to two bottles are warranted to cure all humors in the eyes.

Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly eruptions of the skin.

Two to three bottles are warranted to cure the worst case of ringworm.

Two to three bottles are warranted to cure the most desperate case of Rheumatism.

Three to four bottles are warranted to cure salt rheum.

Five to eight bottles will cure the worst case of scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Chatham, N. H., Dec. 15, 1858.

Dr. Kennedy—Dear Sir: In hopes to be a benefit to my fellow-man, I write to you what your discovery has done for me.

In December, 1839, I was taken with the Rheumatics; since then, I have suffered every thing but death for fourteen years.

I have paid $800 to different doctors, and never received any benefit, not even to the amount of one dollar.

Last June I heard of your Discovery. I told a man I would try it. He said I had tried everything and there was no help for me, I was so old, being 78 years of age. He was a good doctor so called. I told him nothing ventured nothing made.

I got one bottle of your Discovery. Before I got it I heard the clock strike every hour for five nights. On the fourth night I took one spoonful and the next morning I was in no more pain—no more than a child two years old, and have been gaining ever since. I am now, Dec 15th, on my seventh bottle.

When I first took any of it, I had to walk or hobble on two crutches; this day I can go and have gone over the floor without any crutch or cane, but I am yet weak in my hips; but I feel better every bottle I take.

If I had a sheet four feet square, it would not hold one half I could write. Had I the voice to be heard from the North to the South pole, I would proclaim it as long as I live. It it cures me it will any one in God's world.

You would not believe how much better I feel. I am now almost a new man made out of an old one.

There have been over 200 hundred people to see me since I began to recover,—they are surprised. One man said, if all the men in Chatham had told him what his eyes now saw, he would not have believed them; but he must believe his own eyes.

ABRAHAM WEBB, South Chatham, N. H. CURE OF A HUMOR OF 14 YEARS' STANDING.

Mr. Kennedy—Dear Sir: I address you with feelings of heartfelt gratitude for the wonderful cures of your Medical Discovery has done on me.

For fourteen long years I suffered with a humor of the most distressing kind. It would break out, covering my body with sores and blotches, out of which oozed thick yellow matter of the most offensive kind. I was an object of disgust to myself and every body else. When it began to dry up a little, it would irritate and smart. I often felt that I could tear flesh off the bone; in this state I suffered during these long years, disconsolate and despanding of relief. Every winter the skin came off my face and the hair of my eyebrows came out by the roots. My ears looked like roasted meat, dry and black as a crisp, that I was an object of pity to all that knew me.

When I look back upon it, I can hardly think that I am myself. When your Discovery first came to Maine, I looked upon it as a humbug and set myself against it; after a few months I heard of so many wonderful cures by it, that I concluded to try once more. I could hardly believe it when I was getting better. You will excuse me when I tell you that I was the last to believe it. It seemed so impossible that I could be cured.

I took in all five bottles. I am now as well as I ever was in my life.

BENJAMIN SMITH, Atkinson, Me.

Dr. Kennedy's Medicine—We are requested by Major Doughty, of Greenwood, in this county to publish the following fact in relation to Dr. Donald Kennedy's wonderful Medicine.

Major Doughty states, that his wife was afflicted with a fever sore on one of her ankles, for about twenty five years, which most of that time deprived her of the use of the limb. In October last, she commenced using Dr. Kennedy's Medicine, has taken four bottles, and is now and has been for the last three months, in the enjoyment of perfect health; the fever sore is entirely healed up, and the ankle sound and healthy as the other.

Major Doughty feels under God, that he is indebted to the wonderful properties of Dr. Kennedy's Medicine for this cure, and is desirous that the public should become acquainted with the fact, and know where to apply for relief under similar circumstances. To the fact of which he is willing to make affidavit at any time.—Norway Adv. 123

BY-LAW, NO.

For raising the sum of Twenty Thousand Dollars by way of Loan upon Debentures.

WHEREAS, it is desirable and expedient for the Municipality of the United Counties of Frontenac, Lennox & Addington that the sum of Twenty Thousand Dollars be raised, by way of Loan, for the purpose of completing the new Court House and Gaol; and whereas—in order to liquidate the said debt or loan, so to be created or contracted, and the interest thereon,—it is necessary that a special rate—over and above, and in addition to all other rates, for the payment of said debt and interest, within the time limited by this By-Law,—should be levied annually, according to law, on the rateable property of the municipality; and whereas, the whole rateable property of the said municipality, according to the assessment returns of the same for the last financial year, ending on the 31st day of December, 1857, amounts (as near as can be ascertained) to the sum of seven millions, four hundred and twelve thousand dollars. Be it therefore enacted by the Municipal Council of the United Counties of Frontenac, Lennox and Addington,

I. That debentures shall be prepared and signed by the Warden, and countersigned by the Treasurer of these Counties, of a denomination of not less than one hundred dollars, bearing legal interest, payable half-yearly—to the amount of Twenty Thousand dollars, to be redeemed in five years from the date of issuing the same.

II. For the payment of the said debt or loan and interest thereon, within the time as herein before limited, a special rate be levied, in each year from the issuing of said debentures, on the said amount of rateable property, amounting to Five Thousand Four Hundred Dollars.

III. That for the purposes herein before mentioned, the annual rate of three-fourths of a mill in the dollar, shall, in each year be assessed, levied, and collected upon and out of the said whole rateable property, in the same manner as the general rate of the said Counties.

NOTICE.

THE ABOVE is a true copy of a proposed By-Law, to be taken into consideration by the Municipality of the United Counties of Frontenac, Lennox & Addington, at their chambers in the City of Kingston, on the fourteenth day September, 1858, at two o'clock in the afternoon, at which time and place the members of the said Municipality are hereby required to attend for the purposes aforesaid.
