QUERU'S COD LIVER OIL JELLY.—No druggist's establishment lacking this delightful preparation, made from the pure brown Oil, expressed from the Liver of the Cod, and which contains eighty-five per cent of pure oil, is complete in its list of remedial agents. Unqualifiedly endorsed by that learned society the New York Academy of Medicine, what druggist can look over this invaluable preparation? We say none who cares aught for his reputation as a pharmaceutist. Penfold, Clay & Co. No. 4 Fletcher-street, New York, are the Agents for Queru's Cod Liver Oil Jelly. Sold by all Druggists.

DR. M'LANE'S

CELEBRATED VERMIFUGE AND LIVER PILLS.

☞ A singular combination, but very effectual, as the following will show:

New York, November 20, 1858.

Knowing, from experience, the valuable qualities of Dr. M'Lane's Vermifuge and Liver Pills, prepared by Fleming Bros. Pittsburgh, I have for sometime back considered it my duty, and made it my business, to make those articles known wherever I went among my friends. A short time ago I became acquainted with the case of a young girl, who seemed to be troubled with worms and liver complaint at the same time, and had been suffering for some two months. Through my persuasion she purchased one bottle of Dr. M'Lane's Vermifuge, and one box of Liver Pills, which she took according to directions. The result was, she passed a large quantity of worms, and thinks that one box more of the Pills will restore her to perfect health. Her name and residence can be learned by calling on E. L. Theall, Druggist, corner of Rutger and Monroe streets.

☞ Purchasers will be careful to ask for DR. M'LANE'S CELEBRATED VERMIFUGE, manufactured by FLEMING BROS. of Pittsburgh, Pa. All other Vermifuges in comparison are worthless. Dr. M'Lane's genuine Vermifuge, also his celebrated Liver Pills, can now be had at all respectable drug stores. None genuine without the signature of

[2] 6in-J&w-233 FLEMING BROS.

TO PARENTS AND GUARDIANS.

It has long been a matter of concern and solicitude amongst Medical men, Chemists and others that no preparation had been discovered for the eradication of intestinal Worms, without being either nauseous, ineffectual or dangerous. No doubt exists with eminent persons of their being almost a universal affliction, and particularly amongst the human species. Professor Rudrood says, (and he is one of the best authors in the world,) 'There is scarcely a being that is not the domicile of several kinds of worms.' They not only inhabit the alimentary canal and the ducts that empty into it, such as the hepatic vessels, but even the cellular tissue and the parenchima of the most completely invested viscera, such as the liver and brain—hence the necessity for some article destitute of all dangerous properties, something pleasant, and above all something efficacious. That desideratum has been discovered! after much preserving research, and a series of experiments covering a succession of eight years. Fellows' Worm Lozenges will positively eradicate Worms from old and young. They are composed entirely from vegetables,—they contain no mercury or poison of any kind,—they are harmless, and their taste is as pleasant as a Wintergreen Lozenge.

Sold by all Apothecaries and Country Traders everywhere.

Dalley's Magical Pain Extractor.

In all diseases inflammation strikes at the root of disease—hence an immediate cure.

DALLEY'S MAGICAL PAIN EXTRACTOR,

and nothing else, will allay inflammation at once, and make a certain cure.

DALLEY'S MAGICAL PAIN EXTRACTOR

will cure the following among a great catalogue of diseases: burns, scalds, cuts, chafes, sore nipples, corns, bunions, bruises, strains, bites, stings, chilblains, boils, scrofula, ulcers, fever sores, felons, earache, piles, sore eyes, gout, swellings, rheumatism, scald head, salt rheum, baldness, erysipelas, ringworm, barber's itch, small pox, measles, rash, &c., &c.

To some it may appear incredible that so many diseases should be reached by one article; such at this will vanish when reflection of ingredients, each and every one applying a perfect antidote to its opposite disorder.

DALLEY'S MAGICAL PAIN EXTRACTOR.

In its effects is unequal, because the time is so short between diseases and a permanent cure; and it is an extractor, as it draws all disease out of the affected part, leaving nature as perfect as before the injury. It is scarcely necessary to say that no house, workshop, or manufactory should be one moment without it.

No Pain Extractor is genuine unless the box has upon it a steel plate engraving, with the name of Henry Dalley, Manufacturer.

For sale by all the Druggists and patent medicine dealers throughout the United States and Canadas.

HONORARY DIRECTORS.

James Morton, Esq.	Wm. Fergusson, Esq. (County Treasurer.)
Wm. Sawtman, Esq.	
Andrew Drummond, Esq.	(Manager of the Bank of Montreal.)

OFFICE

Buckley's Buildings, Wellington-street.

THE amount required by law having been subscribed, this Company is now receiving applications for Insurances against loss or damage by fire on all kinds of Farm Property, isolated buildings, and such other as the Board of Directors may deem eligible.

The rates of insurance are as low as are consistent with safety; and it will be the bounden duty of every member being interested in the profits and success of the Company, to guard and protect it against fraud and misrepresentation, and to forward its interests.

By Act of Parliament, 18 Vic. cap. 120, no member of this Company is liable for any sum beyond the amount of his premium.

The difficulties which other Mutual Companies have had to contend with, have, by recent enactments of the Provincial Parliament, and by the rules and regulations of this Company, been obviated.

Farm property and isolated dwellings will be insured for a term not longer than three years. The premium will be paid by note, one-third only of which will be required in cash as payment thereof; the balance, or any part thereof, to be paid only when required to meet losses.

City, Town, Village and Personal Property will be insured for a term not longer than one year, nor less than one month, and the whole premium must in such cases be paid in cash.

Insurers for three consecutive years, who shall not themselves have a claim, shall be entitled to a share of the profits which may have accrued, after first providing a suitable reserve fund. Their shares of the profits to be deducted from the next subsequent premiums.
