THE GREAT RESTORATIVE.

FEVER AND AGUE CURED BY DR. M'LANE'S LIVER PILLS.

☞ Mr. Jonathan Houghman, of West Union, Park County, Illinois, writes to the proprietors, Fleming Bros. of Pittsburgh, that he had suffered greatly from a severe and protracted attack of Fever & Ague, and was completely restored to health by the use of the Liver Pills alone. These Pills unquestionably possess great tonic properties, and can be taken with decided advantage for many diseases requiring invigorating remedies; but the Liver Pills stand pre-eminent as a means of restoring a disorganized Liver to healthy action; hence the great celebrity they have attained. The numerous formidable diseases arising from a diseased Liver, which so long baffled the skill of the most eminent physicians of the United States, are now rendered easy of cure, thanks to the study and perseverance of the distinguished physician whose name this great medicine bears—a name which will descend to posterity as one deserving of gratitude. This invaluable medicine should always be kept within reach; and on the appearance of the earliest symptoms of diseased Liver, it can be safely and usefully administered.

☞ Purchasers will be careful to ask for DR. M'LANE'S CELEBRATED LIVER PILLS, manufactured by FLEMING Bros. at Pittsburgh, Pa. There are other Pills purporting to be Liver Pills, now before the public. Dr. M'Lane's genuine Liver Pills, also his celebrated Vermifuge, can now be had at all respectable drug stores. None genuine without the signature of

Kingston Dec. 2nd, 1858.

To Mr. Alderman Robert Jackson.

We the undersigned Electors in the City of Kingston, do with request that you will allow yourself to be put in nomination for Mayor of the City for the ensuing year, and in acceding to our request we pledge you our cordial support.

Signed,
JAMES MORTON,
And Five Hundred and sixty-three others;
Municipal Electors of the City of Kingston.

To JAMES MORTON, Esq.,

AND FIVE HUNDRED AND SIXTY-THREE OTHERS; MUNICIPAL ELECTORS OF THE CITY OF KINGSTON.

GENTLEMEN,—

In acknowledging the receipt of your requisition so numerously signed, and containing as it does the names of the Laboring classes, Mechanics and Merchants, constituting a very large portion of the wealth and intelligence of the City, I feel bound to accept the very kind offer of your confidence and support for the Mayoralty of 1859; in doing so, permit me to say that the duties of the Mayor for the ensuing year, will require to be discharged with vigilence and energy, and without fear or favor to any party or sect whatever.

As electors, you have a serious duty to discharge to yourselves and the city generally; you should not hastily pledge yourselves to any candidate, but first see all before you, and then vote for the man, irrespective of party, private or personal feeling, who may be most competent to discharge the duties of Mayor, for the interest of the City. In adopting this course an efficient Chief Magistrate may be elected, a thorough Police and Fire Brigade have organized, the finances of the City judiciously managed and improved, and peace and good order restored.

By an energetic perseverance, the Railway now brought into the City, will be carried though and connected at or about Collins' Bay; the passenger-depot will be erected within the City near the property known as Shaw's Wharf, Ontario Street, extensive piers and steam elevators will be constructed for the accommodation of steamers and sailing craft, and the transhipment of produce. The Provincial Exhibition is to be held in Kingston next year, these reasons are named, all of which require immediate attention.

I will endeavor to call on you prior to the day of Election personally, and will meet you on Monday, the Twentieth instant, being the day of Nomination; in the meantime I, thank you sincerely for the honor thus conferred on me, and will only add, if you should think that any other Candidate offering is more competent to aid in carrying out such measures as I allude to, and as must benefit the City, then vote against me, but if you think I possess the qualification for the efficient discharge of the duties devolving on the Mayor of Kingston for 1859, vote for me, and in return I pledge myself, if elected, to act to the best of my judgment and ability, without favor or partiality.

Some persons are circulating reports that I would run the City in debt, and am in some way connected with the Railway, to both assertions I answer they are untrue, and the enunciators of such trash occupy the unenviable position of circulating them without any foundation in fact.

I have the honor to be,
Gentlemen,
Your obedient servant,
ROBERT JACKSON,

Kingston, Dec. 4th, 1858. 259

More to be Admired than the Richest Diadem ever Worn by

KINGS OR EMPERORS.

What? Why a beautiful Head of Hair.

Because it is the ornament God Himself provided for all our race. Reader, although the rose may bloom ever so brightly in the glowing cheek, the eye be ever so sparkling, the teeth be those of pearls, if the head is bereft of its covering, or the hair be snarled and shriveled, harsh and dry, or worse still, if sprinkled with gray, nature will lose more than half her charms. Prof. Wood's Hair Restorative, if used two or three times a week, will restore and permanently secure to all such an ornament. Read the following and judge. The writer of the first is the celebrated Pianist, Thalberg:

New York, April 19, 1858.

Dr. Wood:—

Dear Sir,—Permit me to express to you the obligations I am under for the entire restoration of my hair to its original color; about the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your 'Hair Restorative' it soon recovered its original hue. I consider your Restorative as a very wonderful invention, quite efficacious as well as agreeable.

I am, dear sir, yours truly,
S. THALBERG.

Dresbach's Gaslight Office,
Welsh Newspaper office,
13 Nassau st., April 12, 1858.

Prof. O. J. Wood:—Dear sir,—Some month or six weeks ago I received a bottle of your Hair Restorative, and gave it to my wife, who consented to try it on her hair, little thinking at the time that it would restore the gray to its original color, but to her as well as my surprise, after a few weeks' trial it has performed that wonderful effect by turning all the gray hairs to a dark brown, at the same time beautifying and thickening the hair. I strongly recommend the above Restorative to all persons in want of such a change of their hair.

CHARLES CARDEW.

New York, July 25, 1858.

Prof. O. J. Wood:—With confidence do I recommend your Hair Restorative, as being the most efficacious article I ever saw. Since using your Hair Restorative my hair and whiskers which were almost white have gradually grown dark; and I feel perfectly confident that a few more applications will restore them to their natural color. It also has relieved me of all dandruff and unpleasant itching so common among people who perspire freely.

J. G. KILDY.

Prof. Wood—About two years ago my hair commenced falling off and turning gray; I was fast becoming bald, and had tried many remedies to no effect. I commenced using your Restorative in January last. A few applications fastened my hair firmly. It began to fill up, grow out and turned back to its former color, (black.) At this time it is fully restored to its original color, health and appearance, and I cheerfully recommend its use to all.

J. D. HOES.
