Mrs. Jacob Lever is in Brussels visiting her mother, Mrs. Manning,

Chas. McTavish of Toronto spent the week end with his parents here.

Mr. Harry Steeley of Toronto was in town on Saturday. Business brought him.

Mrs. Sudden, of Chatsworth, who visited at Fred McClocklin's, returned home last week.

Mr. and Mrs Jacob Lever attended the funeral of the latter's aunt, Mrs. Lloyd, at Walkerton last week.

An epidemic of measles is sweeping the town pretty well. It is a measly nuisance—for the sick ones.

Mr. Andrew Dow, 8th line, Artemesia, has returned home after a two weeks hunt in Parry Sound, with a fine deer.

W. E. Blakely, of Foreman Welton's telephone gang, spent Sunday with parents here. Elmo likes the work immensely.

Winter appears to have set in with considerable vigor, beginning with a sleet storm on Monday and snow at night. The sleinghing is good.

Mr. Jos. Blackburn and sister, Miss Jennie of Mount Forest, are on a holiday with relatives in this vicinity and visited their uncle here on Saturday.

The taxes in this school section are several dollars less for each ratepayer. The difference, which is very acceptable is credited to the reduction in the teaching staff of the public school here.

Miss Eileen G. Freeman is giving a great musical treat in the town hall here on Monday next. Press notice of the artists to be present are given in the "Odds and Ends" column. No one should miss this event.

John Sullivan, of Sullivan's Grove, Glenelg, died on Sunday. On Saturday he was taken to Toronto to be operated on for an internal trouble, but it was too late to save his life, and the body was brought home on Monday

Tom and Joe Watson and Jim Vause, of Proton, called on friends here on Tuesday between trains while on their way home from a deer hunting trip in the north country. They took home six deer which weighed close to a thousand pounds.—Bolton Enterprise.

Last week our reporter got things slightly jumbled when he was describing the travels of the stork. That interesting bird did not not call at Jacob Parslow's, but rather paid a visit to Mr. and Mrs. John Parslow's. As the two farms are in close proximity the error was an easy one to make.

Richard H. Price, the young man from Glen Huron who set fire to Hamilton Bros. mill and barn on Thanksgiving Day, got "hisn." The judge gave him an order for free board at the penitentiary for seven years. By the time he changes his boarding house Price will have overcome his fire-bug propensities, or at least he ought to remember the price he paid for his fun.

A number of our local exchanges have been publishing an item to the effect that the Park House is closed. This is incorrect, as Mr. Arch. Boyd is the new proprietor, and the place was not closed at all. Nor have there been five tenants in the place—just four. Mr. Boyd reports the House receiving a fair patronage. We hope this happy state may long continue, as Mr. Boyd gives, we believe, good accommodation.

A young Flesherton engineer (who desires his name kept secret as he has not yet received his papers) met with a serious accident last week. He, in company several other boys, was experimenting with a homemade steam engine when the thing blew up. It appears that the head of steam was too great for the rickety boiler. The aforementioned engineer received a very serious scalding in the head and is under the doctor's care. The next boiler will be more solidly constructed.

The Advance tenders congratulations to Mr. and Mrs. Alex. Stewart of this town on their successful passing of the 50th mile stone of their married life, which important event was duly celebrated by about thirty relatives on Monday evening. A few members of the family were unable to be present, but notwithstanding a very enjoyable evening was spent. Mr. and Mrs. Stewart settled near this town on a bush farm fifty years ago, and "Sandy" informed our scribe that he thought they could go at it and clear up another hundred if necessary. However, both of the esteemed old people have done their full duty by society and for their country, having raised a large family who are all an honor to their aged parents and most estimable citizens.

Mrs. Sophia Moore, relict of the late William Moore, died at her residence, west back line, Artemesia, on Monday afternoon at the age of 72 years 6 mos. Mrs. Moore was born in Co. Cavan, Ireland, and most of a family of ten children were born there. The family came to Canada about thirty years ago and after a year's residence in Toronto came to Artemesia and settled on the O. D. R. After breaking up the home Mr. and Mrs. Moore lived in Flesherton for seven years. Mrs. Moore did not live long after her husband's death, which occurred in May last. They leave nine children of which the best known here is Mrs. Wm. Parker of the west back line. There were six girls and four boys in the family, but one son was drowned in N. Y. state a few years ago. Three of the children are living in the States; one lives at Guelph, one in Uxbridge, one in Caledon and another in Toronto. The funeral took place to Flesherton cemetery to-day (Wednesday.)

With the Churches

Mr. M. Cree, Knox College student, preached in the Presbyterian church on Sunday and highly pleased the congregation, who hope to soon hear him again. Mr. W. J. Cook of Knox College, will preach next Sunday.

Word was received here on Tuesday that Rev. Mr. Ross, of Essex, declined the call from the Presbyterian charge here. There is much disappointment as the call was very unanimous and the congregations hoped to secure Mr. Ross for their pastor.

Card of Thanks

Mrs. Duncan and family wish to express their thanks to the many kind friends, who have helped and so kindly sympathized with them in their long two years of trouble, especially the young people's Guild for their beautiful floral offering: as Harold expressed it, "a smile from God;" also the choir and church and kind ministers and many kind friends both from far and near, who kindly wrote their letters of loving sympathy, and as Mr. Duncan assured his wife and family that he had a peace that the world could could not give, neiiher take away," and that the gift of God is eternal life. We wish our dear friends to receive this same blessing.

Comfort me, Lord, that I may be some
comfort to another;
That on his darkness I may shed light
for a stumbling brother.
A soother to the aching heart, that
watches late in sorrow;
A little cloud-break in the sky, when
dawns the dim to-morrow,
Help me to reap, that I may sow seed
from Thy purple mountains;
To pass along the cooling cup filled from
Thy ceaseless fountains;
To gather sweets from every flower that
lightens up the dawning,
Their scent will linger through the night
Ere glows another morning.

MRS. J. M. Duncan and family.

Are The Police Trustees Awake?

Lious Head is negotiating for the purchase of a $1100 fire-fighting equipment, including an engine. We have a pump in Flesherton for the purpose of fire protection, but that is as far as the matter goes. The thing as it stands to-day couldn't throw as much water as the small boy with his little water squirter. Why are our Police Trustees so dilatory in this matter. If the place should be visited by fire it would be next thing to impossible to get the pump out of the building which shelters it let alone use it to put out a blaze. The matter appears to trouble the trustees to no great extent. Is that body purely an honorary one? Or are they even pretending to be interested in the welfare of the place? Surely they can rouse themselves to such an extent as to fix this up to serve as some protection in the time of need. The pump has done good service before to-day in keeping flames from spreading, and it is impossible to tell how soon it may be needed again. —R. T.

Fatal Accident at Yellow Grass, Sask.

A serious accident occurred at Yellow Grass, Sask., on Tuesday, Nov. 3, John McArthur, as a result, is in danger of losing an arm. Mr. McArthur was separator man on A. R. Thomas' outfit. They were threshing at John Gunia's and he was oiling up about five o'clock, for the last time that night. In reaching for an oil cup, Mr. McArthur's coat sleeve caught in the gearing and before the machine could be stopped he sustained a compound fracture of the arm near the shoulder. He was broughtto Francis and taken to the Grey Nun's hospital at Regina, on Wednesday. The doctors are making an effort to save the arm, but as yet can give no assurance that amputation will not be necessary. He was accomdanied to Regina by his wife and brother Alex, and sister Florence, and Mr. John Colin McDougal of Indian Head, Sask.

John McArthur, the beloved son of Mr. and Mrs. Donald McArthur of Peiceville, Ont., passed away at Grey Nun's hospital, Regina, on the 5th of November 1909. He leaves to mourn his departure a sorrowing wife, nee Catherine McDougal, late of Priceville, Ont., three sons, Johnie, Colin, and Lachie; an aged father and mother, five sisters and five brothers; Archie, Margaret and Lachie at Priceville; Hugh at Onaway, Mich.; Mrs. M. Calder, Verm, Sask.; Mrs. Jane Lowey, Weyburn, Sask.; Daniel, Alex, Florence and Minnie, at Yellow Grass, Sask. The remains were brought from Regina Monday morning, the 8th of November, to his late residence, were interred at Yellow Grass, Tuesday afternoon. A service was conducted at the house at 1 o'clock, and then to Yellow Grass Presbyterian church, where Rev. Mr. Juarnie, Presbyteria npastor, and Rev. Mr. Haines, Methodist pastor of Lang; conducted the last sad rites of the deceased. Deceased was born at Priceville. He came to Yellow Grass six years ago and has made a host of friends, and loved by everyone who knew him and hospitality was always under his roof. He was a good neighbor, kind and loving husband and father. His hearty hand-shake and smile will be missed by many.

Oh! the dear ones in glory,
How they beckon me to come
And our partings at the river I recall;
To the sweet vales of Eden
They will sing my welcome home,
But I long to meet my Saviour first
of all.

Two vessels are being built in England for the Grand Trunk Pacific to run between Prince Rupert and Seattle.

There was a joy abounding in Cree more recently. The school board had the rooms fumigated—and the fumes remained for a week. The scholars enjoyed their holidays immensely.

It has been stated that if the ice in the Arctic regions were melted it would cover the earth to a depth of five feet. All you short ones learn to swim!

The Clarksburg Review says that the Provincial government will receive from the insurance companies the sum of one hundred and forty-six dollars and one hundred and thirty-six hundredths. If there is not a typographical error in this it should have read $147.36—which really is away, away below the loss. Perhaps Johnson meant $146.136?
