Skylight Daguerreotypes,

AT THE

LONDON FIRST PREMIUM DAGUERRIAN GALLERY.

No. 214 Main Street, Corner Gore, Buffalo.

THE above, is a cut of a SILVER MEDAL awarded the subscriber at the New York State Agricultural Fair, at Buffalo, and the Fifth Premium in the last six years. Also, the first prize at the late Fair at Syracuse, in competition with over three hundred pictures from some of the first galleries in the United States. This Gallery has now become the PICTURE EMPORIUM for the entire Western World, and the standard of imitation. Our competitors involuntarily acknowledge their inferiority by following in our wake and aping us in every particular except THE MOVEMENT!

Therefore, strangers visiting the city are respectfully solicited to compare our pictures with those concocted by others. Also, all who have long been prepossessed in favor of other Daguerreans, and have pictures taken by them, are very urgently invited to call and have one executed at this establishment, that they may have an ocular demonstration of the vast difference in portraying the same individuals.

The subscriber would also notify the people of C. W. that he has opened a branch Gallery on Princess St. Lambton House, Kingston, where persons may expect such pictures of themselves and friends as will rarely if ever be offered to that community again.

N. B. The undersigned would most respectfully further notify the public that no premiums or diplomas have ever been awarded by the New York State Agricultural Fair to any Daguerean in Buffalo except the subscriber.

O. R. EVANS.

The oldest Practical Daguerean in the U.S.

Camphene Distillery for Sale.

FOR SALE a compact little Camphene Distillery, situated in a convenient location in the neighborhood of Kingston. It consists of a frame building, nearly new, paying a low ground rent, a Copper Rectifying Still and Worm, capable of running 35 gallons in 10 hours, and all the other necessary apparatus in good order for carrying on the business. As this is the only manufactory of Camphene in this neighborhood, there is always a steady demand at a good remunerating profit for all that it can make, so that this holds out an opportunity rarely to be met with, for an industrious man with a small capital to secure the means of independence. A knowledge of the business is easily acquired—only two or three lessons being requisite—which a purchaser can easily obtain for a trifle.

FIRE! FIRE!

Capital $300,000.

The St. Lawrence Insurance Company Chartered in 1836, continues to insure at as cheap rates as any other sound Company in New York. It insures from five to six millions annually, and presents the following advantages.

1st. Its total rates for *five years* do not exceed the rates of Stock Companies for *two years* on farm property.

2d. It does not insure buildings in blocks, nor extra hazardous risks, but ordinary and detached hazards only. In the several towns of Plattsburgh, Watertown, Corning, Port Hope, and Picton, lately destroyed, in each of which the Company had agencies, its total losses were less than $1000.

Such facts speak.

3d. The Company is bound by the survey of the agents; and this is printed on all policies.

4th. The total liability of the member is the note, and the company cannot assess beyond that sum, as is the case in most Companies of the State.

5th. The capital of this Company is almost wholly unimpaired, as it has laid but one small assessment in FIVE YEARS, and the cash balance in favor of the Company, October 1, over and above all liquidated liabilities was about

$12,000 00

6th. The policy covers loss from 12 o'clock noon the day the money is *paid to the agent.*

7th. The notes of the members of this Company are not hypothecated to borrow money, but a member can withdraw his note, and cancel his policy when he may please, by paying his share of loss to that date.

8th. The capital of this money is *bona fide*, not got up to answer the requirements of the law of the State by taking enormous notes, on enormously hazardous property, but the notes are on *safe property throughout.*

This Company has twelve millions of Insurance—three hundred thousand dollars capital; the heavy surplus fund above stated—its risks are well and carefully chosen; and if prudent management, strict economy, small risks, and a large business can save the members from assessment it will be done. This Company regards it as dishonest, and an imposition in any mutual Company to countenance its agents in promising what *cannot be foreseen*, but it gives the facts, and parties must be their own judges.

We consider the past a good guarantee for the future. During the past year the Company paid in losses $33,417 99, and its expenses were only $2,125 84 exclusive of the fees to the agency. It includes $500 paid to the Officers, about $600 for postages, and the balance was for printing and other incidental expenses.

N. B. Agents have commissions signed by the Secretary, and parties paying monies will require their production and receipts. The company will not hold itself in any way responsible for the acts of any person not having in its commission.

If the policy be not received, the party must mail his receipt to this office in *thirty days*, and the policy or cash will be returned.

AGENTS, who can come well recommended for proper age, judgment and character, are wanted to whom liberal inducements are offered. Address the Secretary.

DIRECTORS.—Erastus Villa, President.—William Bacon, V. P.—Ira Wheelock, D. Crighton, S. Stilwell, jr. Walter Wilson, Allen Chaney, W. E. Guest, J. G. Hopkins, Ira Hale, Wm. E. Sterling, J. V. Kent, Royal Villa.
