PURE COD LIVER OIL.

To the Medical Profession, and the Public in general, who heretofore have been in many instances imposed upon, by a spurious imitation of a valuable

MEDICINE.

IN consequence of the want of a truly Chemical test, to ascertain the PURITY OF COD LIVER OIL, much to an adulterated and inferior description has been introduced into the Market, and sold as genuine. Under these circumstances, and as the public are altogether dependent upon the character of the MANUFACTURER, for the

PURITY OF THE ARTICLE.

I respectfully announce that I have appointed Mr. CHARLES BRENT, Apothecary & Chemist of Kingston, C. W. Sole Agent for the Sale of my

PURE COD LIVER OIL,

For which Premiums were adjudged, at the late Exhibition in Quebec and Montreal and also considered by the Committee worthy to be forwarded to the Great Industrial Exhibition of 1851.

I beg to refer to the subjoined Certificates, given me by several of the most respectable Medical Gentlemen in Quebec and Montreal, and to the annexed affidavit, after perusing which, any further remarks would be superfluous.

☞ Please notice, that every Package of my Cod Liver Oil, is sealed with my Seal, and signed in my handwriting, and can only be obtained in Kingston, from Mr. CHARLES BRENT.

ROBERT W. KELLY

Kingston, January 20, 1851.

We have much pleasure in certifying to the Purity of the Cod Liver Oil, made by Mr R W KELLY, of Gaspé:—

Extract of a note from Dr. W. Marsden, of Quebec, to Mr. Kelly,—"I have great pleasure in attesting to the excellent qualities of your Cod Liver Oil, which I have had an opportunity of doing by the actual use of the article, and I have no hesitation in pronouncing it superior to any I have hitherto used."

(over.)

I, the Undersigned, Proprietor of the Gaspé Gazette, and one of Her Majesty's Justices of the Peace for said District, do certify, that the Cod Liver Oil, consigned by me to Mr. Charles Brent, Apothecary & Chemist, of Kingston, has been prepared or manufactured by me, according to the most approved system, from

Fresh and Picked Livers of Cod Fish only:

that no Chemical ingredients of any kind have been used—and I further distinctly declare, that my Cod Liver Oil has not been adulterated or mixed with any other Oil whatsoever; the whole having been made and put up under my own personal superintendence.

DR THOMAS CORBETT'S

CONCENTRATED SUPERSYRUP OF SARSAPARILLA.

Boston Feb 14 1849.

Messrs. E. Barney & Co.—

Gentlemen,—I have employed the Compound Syrup of Sarsaparilla prepared by Dr Corbett extensively in my practice since I know the Formula by which it is made. Its ingredients happily combined and I think it a preparation exceedingly well adapted in all those cases of disease where Sarsaparilla is required. In my hands this Syrup has so far (for our warmer part) proved more satisfactory and its effects have been more decided than any preparation of the article I have ever met with—and I should think it ought to have a preference over all others. So far as my experience in its use extends I gladly recommend it as a very valuable preparation. One thing in its favor is that it is an elegant compound—the Formula from which it is prepared being open to the inspection of the Medical Profession.

Respectfully yours
JAMES AYER M.D.

OF THE

WORLD'S FAIR ART-UNION.

EACH First Class Prize a First Cabin Passage from New York to London and back, in a first-class American Packet Ship, with every requisite for the voyage, and $100 each to pay expenses in London.

SUBSCRIPTION—FIVE DOLLARS A SHARE.

Each Subscriber has an Engraving worth more than double the amount subscribed.

Capt. F. Nash,	Edw. Wallis, Esq.,
T. Watts, M. D.,	T. B. Adams, Esq.,
W. C. Hornfager, Esq.	J. Townsend, Esq.,

SECRETARY,
J. TOWNSEND, Esq.

TREASURER,
THE BANK OF NEW YORK.

It would be idle to suppose there are any so ignorant of passing events as not to have heard of the wonder of the age, "The Great World's Fair." It would be absurd to suppose that any who have heard of this event would not have a strong desire to witness this novel, gigantic and grand exhibition. But amid the tens of thousands in whom this desire exists, there are thousands unwilling and thousands unable to make the necessary outlay for a journey to and from London. To every one of these an Engraving, which shall be valuable as well because it is a truthful picture of the interior of the fairy-like crystal palace, as because it exhibits the extremest perfection of art, will be an object of interest.

We have taken the trouble to ascertain, by a careful and elaborate estimate, that to produce an engraving worthy of this unmatchable occasion, and to make 4000 copies of it, would cost at least $5,000. For such an engraving the printsellers would charge customary $10, probably $15 a copy and pocket postage $20,000 of profit. Instead however of letting this enormous sum be swallowed up by the printsellers, we will publish the engraving by co-operation, so that each subscriber can obtain a copy at, in my the least, one half the price the print-seller would charge, and then have a large sum to spare to distribute as prizes.

First, we intend to send to the seat-of-of a fortunate American Artist, who will proceed to London and make a sketch of the interior of the Great World's Fair in the very zenith of its splendor, when every thing will be displayed to the greatest possible advantage on the occasion of the visit thereto of the projector, the Prince Albert, his consort the Queen of England, and their children.—From this sketch the engraving will be made, and will form the most magnificent and interesting tableau.

The number of Subscribers is limited to 4000. Each subscriber will be entitled to a copy of the Engraving and a chance for one of 50 Prizes.

The accounts will stand thus:—

4000 subscriptions at $5 each, will be $20,000
The engraving, and 4000 copies will cost $5,000
The expense of management, advertisements, &c., &c. will not exceed 7,500
Total expenditure 7,500

Which deducted from $20,000 leaves $12,500

This $12,500 is to be divided into 50 prizes—25 First Class, and 25 Second Class.

These prizes to be distributed among the subscribers on the ordinary manner of Art-Unions.

DISTRIBUTION.

Each first class prize will be a first cabin passage from New York to London and back, with every requisite for the voyage, together with $100 for expenses in London.

Each second class prize will be a first cabin passage from New York to London and back, with every requisite for the voyage.

The 25 first class prizes will be equal to $7500
The 25 second class prizes will be equal to 5000
$12,500

The shares and prizes will be transferable, at option of the holders.

The drawing will take place as soon as the shares are taken, nearly one half are already taken, and in ample time to permit every prize-holder to proceed to London, so as to be there at the commencement of the Fair.

The whole will be under the management of a Committee of the Subscribers, and so conducted as will not fail to give the most entire satisfaction to every subscriber.

By Order of the Committee of management
J. TOWNSEND,
Secretary.
