Methdist church, Sunday next: The pastor will preach morning and evening. Evening subject—"Thou who have failed or who have seemed to have failed."

A couple of sleigh loads of young people drove out to the residence of Mr. T. Henry, east back line, Monday. The party was royally entertained and a most enjoyable evening was spent.

Mr. F. G. Karstedt learned on Sunday of the death of his father, an old gentleman some 82 years of age, at Elmwood. Ma. and Mrs. Karstedt attended the funeral on Wednesday.

Messrs. M. K. Richardson, D. McTavish, J. A. Boyd, Geo. Mitchell, W. H. Thurston, Chas. Bellamy and Joseph Blakeley attended the Conservative convention in Markdale on Friday afternoon.

One of the oldest pioneers of Artemesia township passed away at his home, north line, near Priceville, on Friday last, in the person of Mr. John Campbell, at the age of 84 years. An extended obituary notice will appear next week.

The Flesherton junior hockey team is on the war path again. They are thirsting for gore, and have their belts prepared for the scalps of the neighboring teams. With a little more practise they should give a good account of themselves.

H. M. Douglas, a Stayner local optionist, was set upon by Jack Rooney one evening last week and very roughly handled. Rooney was summoned before the P. M., but made himself scarce, and a warrant was issued for his arrest.—Creemore Star.

Much sympathy is extended to Mr. John A. Heard in the loss of his infant daughter, who died Sunday night at the age of 4 months, 18 days. The funeral took place to Flesherton cemetery on Thursday and the babe was placed beside its mother, who passed away four months ago when the infant was born.

The high school hockey team met the town bunch last week and climbed out on top to the score of 5-2. The game was fast and interesting. There should be the best junior team in years to represent Flesherton this winter on the ice. They have not met any other team as yet this winter.

Mr. J. S. Wilson, ex-reeve of Bentinck, and his wife were made the recipients of a gold-headed cane and a china cabinet respectively, by their old neighbors of Louise on the eve of their moving to Rock Mills. Many warm words were uttered in their praise to which they replied in a feeling manner.—Durham Review.

While chopping timber in the bush near Flesherton, on Saturday, Mr. Dan. McLeod cut his foot seriously. The axe glanced and entered the instep, requiring seven stitches to close the wound. Mr. McLeod managed to hobble part of the way home, when he was overtaken by a rig and taken to medical aid.

The annual meeting of the Royal Scarlet chapter of Artemesia district L. O. L. was held in Norris' hall, Flesherton, on Friday, Jan. 14th, when the following officers were elected for the ensuing year: W. C. in Command, Comp. D. McLeod; Past W. C. in Command, Comp. Wm. Sharp; Ex-Companion, Comp. Wm. Swanton; Chaplain, Comp. Jos. Blakeley; Scribe, Comp. G. H. Cairns; Treasurer, Comp. J. A. Boyd; H. at Arms, Comp. F. Mathewson; 1st Lect., Comp. Jos. Snell; 2nd Lect., Comp. Ed. Thompson; 1st Cond., Comp. H. Piper; 2nd Cond., Comp. Geo. Snell; I. Herald, Comp. F. Wright; O Herald, Comp. F. A. Yorke.

A gentleman who has assisted this winter at the obsequies of several hogs informs The Advance that we have passed the hardest part of the winter. He says the melt in the hog tapers off very quickly about the middle and that this denotes that the balance of the winter will taper off also also. Whether there is anything in it we do not know, but the gentleman aforesaid claims the sign to be infallible.

The sporting editor of The Durham Chronicle is all right when it comes to explaining away facts. In an article one crlumn in length he proves that the home hockey team was in no way to blame for its recent defeat by the Walkerton bunch. Everything is made plain—the referee, the poor rink, and the lack of practise and experience on the part of the Durham "home brews" all "combined agin them" and caused their defeat. That the team should have such a run of beastly hard luck calls forth our sympathy.

Mr. Wm. Breese of Chatsworth preached twice in the Methodist church on Sunday. Mr. Breese is interested in the Laymen's Missionary Movement, and preached two very interesting sermons along that line. Mrs. Breese accompanied her husband, and both were guests at the parsonage over Sunday. Mr. Breese is a gentleman who has given much thought to the great interdenominational Laymen's Missionary movement and drew a vivid picture of the great field of one billion heathen awaiting the Gospel of Jesus Christ through the christian church. In the evening he showed that the church has ample resources to meet this challenge. He appealed to the men to make an investment in world evangelization.

Death of Wm. Wilson

Mr. Wm. Wilson, an aged resident of Flesherton, died at his home in the suburbs on Saturday, Jan. 14, at the age of 83 years, five months. Mr. Wilson was a native of Yorkshire, England, where he was married. The family came to Canada in 1856 and settled at Schomburg. About 45 years ago they came to Flesherton, where for many years Mr. Wilson followed his calling of wheelwright and was always known as an industrious, hard working man. Mrs. Wilson died some seventeen years ago and there is only one son left out of a family of eight children, Mr. Henry Wilson of this village. Two sons were buried in the old country, and some of the sons and daughters are buried at Lloydtown, while his wife and one son, Mr. Thompson Wilson, are interred at the Meaford Road cemetery, where the remains of the old gentleman were also taken on Monday. Mrs. Meggot, an adopted daughter, lives on the west back line.

E. G. Agricultural Society

The annual meeting of East Grey Agricultural Society was held in the town hall on Monday afternoon, according to statute, with the President, Mr. Geo. Mitchell, in the chair. After the reading of minutes Mr. Mitchell reviewed the work of the year, showing that at the beginning of last year there were only a couple of dollars on hand, whereas there was now in the treasury a balance to the good of $115. Mr. Mitchell took exception to some remarks that appeared editorially in The Advance last week. He felt that it was directed at him and other directors in the village, and that the charge that the show was bossed by Flesherton people was unjust. Later on the editor of The Advance explained that such charges had been made, and held that it was well to avoid this as much as possible, but that the charge did not reflect on any individual member or members of the board but to the construction of the board as a whole. There had not been a whisper of dissatisfaction with the work of the president or any other individual on the board. The meeting on Monday was thoroughly advertised, yet the representation of country members was small (bearing us out in our statement that they lose interest when they lose influence.) There were no objections to the work of the board for the past year; in fact it was the sentiment of the meeting that all the members of the board had worked faithfully and well to make the show a success. A slight change has been made in the board this year, Mr. Geo. Walter of Kimberley taking Mr. Karstedt's place, and Mr. Alf. Harrison is on as another new man. Otherwise the meeting endorsed and re-elected the old board entire.

The treasurer's statement showed receipts of $885.01 from every source and expenditure of $770.84, leaving a balance on hand in the bank of $114.17. This, considering the small gate receipts, is in our estimation a pretty good showing and reflects credit on the management.

The following resolution was passed by the meeting without a dissentient voice: Moved by S. Thompson, seconded by G. H. Walter, that the members present are satisfied that the work of the Board of Directors as constituted last year has been exceedingly satisfactory to all members present, and that we endorse their actions in every respect. We also desire to place on record our indignation that complaints should be made of the directors in that the outsiders on the board do not equal in number those from the village, as it is the opinion of this meeting that there is no just ground for any complaint in this respect.

At the after meeting of the board J. A. Boyd was reappointed secretary and the offices of secretary and treasurer were combined, the remuneration to be $55.

Discussion took place as to a field crop competition but it was decided to call a meeting of the board in the near future to discuss this and other matters.

Catarrhal Bad Breath

Corrected Quickly by the Use of

Catarrhozone

Catarrh is an inflammation. Where there is inflammation there is always more or less offensive secretion. Inflammation may be of the very active sort, but it is often of the slow kind, and this is the particular form in which the breath is rendered offensive and the presence of the sufferer becomes an offence to every person of delicate sensibility.

Bad breath is in itself sufficient to urge you to correct it, because one dislikes to be unpleasant to their friends, but this form of catarrh is dangerous because it supplies a hotbed for the development of Consumption or of other diseases of the throat and lungs.

Bad breath is an evidence that the microbes have found a good resting place and are carrying on their evil inroads into the health of the body.

Catarrhozone acts at once and destroys these minute organisms, but it does more—it heals the inflamed surfaces in which they found a nesting place and consequently removes both cause and effects of their action.

If we only highly estimated the value of prevention and used Catarrhozone at the beginning of a cold or just before it becomes well seated, the deadly ravages of Consumption would be stayed and the terrible agonies of sufferers of Asthma or Bronchitis completely abolished.

There is no remedy as effective for bad breath, Catarrh, Bronchitis, Asthma, etc., as Catarrhozone. Besides being healing and soothing it is germ destroying. Nothing ever offered to the public can compare with it in its promptness, efficiency, and permanency of action, and you can buy it from any dealer in medicine throughout the Dominion of Canada, 25c, 50c, and $1.00 sizes. By mail from The Catarrhozone Co., Buffalo, N.Y., and Kingston, Ont.
