LONDON FIRST PREMIUM

DAGUERRIAN GALLERY,

No. 214 Main Street, Corner Seneca, Buffalo.

THE above is a cut of a SILVER MEDAL awarded the maker here at the New York State Agricultural Fair, at Buffalo, and the Fifth Premium in the last six years. Also, the first prize at the late Fair at Syracuse, in competition with over three hundred pictures from some of the first galleries in the United States. This Gallery has now become the FUTURE EMPORIUM for the entire Western World, and the standard of perfection. Our competitors involuntarily acknowledge their inferiority by following in our wake and appealing to us in every particular excellence and improvement!

Therefore, strangers visiting the city are respectfully solicited to compare our pictures with those executed by others. Also, all who have heretofore patronized in favor of other Daguerreotypists and have pictures taken by them, are very urgently invited to call and have one executed at this establishment, that they may have an ocular demonstration of the vast difference in portraying the same individuals.

The subscriber would also notify the people of C. W. that he has opened a branch Gallery in Princess St. Lambton House, Kingston, where persons may expect such pictures of themselves and friends as will merely if ever be offered to that community again.

N. B. The undersigned would most respectfully further notify the public that no premium or diplomas have ever been awarded by the New York State Agricultural Fair to any Daguerreotypist in Buffalo except the subscriber.
