HANOVER STREET, BOSTON.

THE undersigned having entirely REBUILT and ENLARGED the above extensive establishment, containing in all about three hundred and fifty rooms, would respectfully give notice that it is now ready for the reception and accommodation of the travelling community.

An extended notice of the unsurpassed conveniences of this House is deemed superfluous, as the numerous improvements which have been made cannot be properly given in an advertisement. Suffice it to say that no expense has been spared to render any apartment perfect.

The furniture was made expressly to order, regardless of cost, and certain portions of it, especially the Drawing-rooms, will be found to be of the most beautiful and tasteful manufacture. The Dining-rooms are capacious, and the hours for meals will be so arranged as to suit the convenience of the early and late.

MELSELY'S

PURE COD LIVER OIL.

To the Medical Profession, and the Public in general, who have not been in many instances imposed upon, by a spurious imitation of a valuable MEDICINE.

IN consequence of the want of a really Chemical test, to ascertain the PURITY OF COD LIVER OIL, much to an extensive and inferior description has been introduced into the Market, and sold as Genuine. Under these circumstances, and as the public are altogether dependent upon the character of the MANUFACTURER, for the

PURITY OF THE ARTICLE.

HERE READ THE TESTIMONY

Of that distinguished Physician, J. V. C. Smith, M. D., President and Professor of the city of Boston, and editor of the celebrated work,

THE BOSTON MEDICAL JOURNAL.

As to the virtues of Dr. Coffin's Shaker Syrup of Sarsaparilla.

In Vol. 22 page 203, after speaking before of Coffin's medicines, then writes the learned doctor:

"Another equally deserving medical compound called the "Concentrated Syrup of Sarsaparilla," is now prepared by our philanthropic friend, especially for the cure of venereal diseases. Were there any secret in the making this article, or a single reason for supposing that the idea of deriving a profitable trade on mankind was entertained, we should be the last person in the world to give it a whisking. In the frankest manner possible, the process of making this medicine was explained, entirely divested of any and the evidence of wholesale preparation was adduced to convince the reputation of Dr. Coffin. In fact, therefore, as the Doctor, we should be glad to have our pills prescribe this medicine."

Made and put up by the Society of Shakers. This unchangeable preparation is for sale by

EDWARD BRENLEY & Co., Sole Agents.

Wholesale Druggists, Boston.

Who warrant it free from all mercurial mineral combination whatsoever. Look at what the able chemist, Professor Hayes, says he has tested it, says, March 16, 1848. He says:—"The formula or combination of the best of our native medical vegetable plants, with substances of the highest repute as medical agents, and then ☞ not include any as most conspicuous."☜

Such evidence as the above is the greatest possible at Health.

BRITANNIA LIFE ASSURANCE COMPANY,

No. 1 Princes Street, Bank, London.

CAPITAL, ONE MILLION.

EMPOWERED BY SPECIAL ACT OF PARLIAMENT 4 Vic. Cap. 3.

THE great success of this Institution in Europe and the numerous Policies, issued by the different Agencies in Canada, evidently show that the advantages of Life Assurance are daily becoming more and more appreciated by those who feel the necessity of making some provision for their families, or securing the amount of debts due by or to them in case of premature death.—The rates of the Britannia are the lowest which can be offered consistently, with security to the Assured, and the subscriber begs respectfully to invite the attention of the inhabitants of Kingston to the numerous Tables of Rates, specimens of which may be seen at his office, or in the Montreal Herald, Montreal Gazette, and Montreal Courier, as also in a local paper in Canada West.

Assurances may be advantageously effected on the lives of others, either for the purpose of securing loans, or option on in case where the party has an interest in the life of another, so as to be in any way benefitted in the event of his decease. To creditors, a Policy of Assurance affords a certain and, in many cases, the only means of securing debts in addition to the published rates, an extensive set of Tables has been computed for Assurances on Joint Lives, the survivor of two or more lives, and for contingent Assurances; also for Reversionary Annuities, Endowments for Widows and Children, and for every possible contingency affecting human life, against which it may be prudent or expedient to provide.

COMPARATIVE STATEMENT OF THE RATES OF THE FOLLOWING OFFICES:

Rate for one year, (which on Life) for the Assurance of £100:

National Loan Fund	age 30	£2 4 4
Colonial Life Assurance Com'y	do	2 5 2
United Kingdom	do	2 3 10
British Commercial	do	2 1 10
Hector	do	2 1 9
Britannia	do	2 0 8

The other Offices doing business in the Colonies are as much higher, that comparison is unnecessary.

The income of the Company, independently of the large subscribed Capital, is between Eighty and Ninety Thousand Pounds, Sterling, per Annum, and of this the greatest part is continually accumulating for the payment of losses.

A party effecting an Assurance with this Company, may claim for a fixed sum, payable at his or her death, without participating in the profits, and thereby secure an immediate Bonus by entering sooner than is absolutely required to provide for the risk—but if participation in profits is preferred by any party, there are "Mutual Tables" adopted by the Company, which offer an annual division of the Profits, and which being supported by the other Branch of the Institution, hold extra security and an Stable inducement to the person wishing to Assure.

All claims payable within three months after proof of death. No proof of birth is required at the time a claim is made; the age of the Assured being, in every case, admitted in the Policy, unless, under any circumstances, be afterwards called in question. Policies effected by parties on their own lives are not vacated with in case of death by duelling at the hands of justice. In the event of suicide, if the Policy be assigned to a bona fide Creditor, the sum assured will be paid without deduction; if the Policy be not assigned, the full amount of Premiums received thereon will be returned to the family of the Assured.

The subscriber begs to remark that the Britannia Company has been doing business in this Province for about ten years—and has been always found liberal, and prompt in the settlement of claims.

The necessary forms, and every requisite information, as to the mode of effecting Assurances, may be obtained either by letter or personal application to
