MAGAZINES FOR MARCH!

JUST RECEIVED by Express, and for sale at the City Book Store:—

Harper's Magazine for March—a brilliant number, opening with Thompson's "Spring," with numerous and beautiful illustrations. The selections from European publications are made with the same good judgment as has distinguished former numbers, and extracts from works not yet published increase the interest and variety of the reading matter. "Punch," with illustrations, contributes three leaves to the present number, and fashions and fashionable advice bring up the rear."

The *International Magazine* for March: "this is an excellent number in every respect, and indicates untiring energy on the part of the publishers. The selections are admirable, and the Editor's original articles eminently instructive. The present number, too, has a historical review of the events of the month, prepared with great tact and judgement. This new feature adds to the already great and substantial excellence of the International."

AT THE

LONDON FIRST PREMIUM
DAGUERRIAN GALLERY,
No. 214 Main Street, Corner Queen, Buffalo

THE above, is a cut of a SILVER MEDAL awarded the subscriber at the New York State Agricultural Fair, at Buffalo, and the Fifth Premium in the last rain events. Also, the first prize at the late Fair at Syracuse, in competition with over three hundred pictures from some of the first galleries in the United States. This Gallery has now become the PICTURE EMPORIUM for the entire Western World, and the standard of imitation. Our competitors involuntarily acknowledge their inferiority by following in our wake and aping us in every particular except we are ahead!

Therefore, strangers visiting the city are respectfully solicited to compare our pictures with those executed by others. Also, all who have long been prepossessed in favor of other Daguerreans and have pictures taken by them, are very urgently invited to call and have one executed at this establishment, that they may have an ocular demonstration of the vast difference in portraying the same individuals.

The subscriber would also notify the people of C.W. that he has opened a branch Gallery on Princess St. Lambton House, Kingston, where persons may expect such pictures of themselves and friends as will rarely if ever be offered to that community again.

N. B. The undersigned would most respectfully further notify the public that no premiums & diplomas have ever been awarded by the New York State Agricultural Fair to any Daguerrean in Buffalo except the subscriber.

THE undersigned having entirely Refitted and Enlarged the above extensive establishment, containing in all about three hundred and fifty rooms, would respectfully give notice that it is now ready for the reception and accommodation of the travelling community.

An extended notice of the unsurpassed conveniences of this House is deemed superfluous, as the numerous improvements which have been made cannot be properly given in an advertisement. Suffice it to say that no expense has been spared to render any apartment perfect.

The furniture was made expressly to order, regardless of cost, and certain portions of it, especially the Drawing-rooms, will be found to be of the most beautiful and tasteful manufacture. The Dining-rooms are capacious, and the hours for meals will be so arranged as to suit the convenience of the early and late.
